Dear Madam:

We have to draw your attention to the fact that we have received a claim against the late Mr. Asaji Oye from the Globe Fertilizer Company Ltd. of Mt. Lehman for the sum of $42.77 regarding which we would appreciate receiving your comments.

Particulars provided indicate that the amount of the obligation stood at $59.53 against which payment was made on October 26, 1934 in cash of the sum of $30.00 leaving a balance of $29.53 to which the Globe Fertilizer Company Ltd. have added an interest charge, at the rate of 6%, of $13.24 making a balance due of $42.77.

If you agree with the correctness of the amount claimed and agree to authorize us to meet this obligation on behalf of your late father, we shall be happy to carry out your wishes utilizing for that purpose the necessary portion of your current credit balance with the Custodian which we presume is agreeable.

We have also to call your attention to the fact that we have received a claim against the late Mr. Asaji Oye of $65.85 from Mr. Kahei Kamimura regarding which we would also appreciate receiving your comments. We have no particulars available at this time concerning the nature of the amount claimed by Mr. Kamimura but have no doubt that you or your mother are probably aware of the nature of the transaction involved.

We look forward to hearing from you shortly in connection with both matters and thank you in advance for your co-operation and assistance.

Yours truly,

Referring to our letter of the 16th inst. in respect to two claims submitted to you and to our assurance that we would investigate same, we wish to now advise you they have responded to our request for statements.

Re: Kahei KAMIMURA - $85.85

This particular statement does not give details, but it does give the year the indebtedness was incurred, and states that it covers lumber for dwelling-house. We are enclosing the statement herewith.

Re: Globe Fertiliser Co. Ltd. - $42.77

This statement gives more in detail and indicates that a note was given for the original amount. It also gives the year in which the indebtedness was incurred. We are enclosing the statement herewith.

Perhaps your mother will be better able to recall the transaction than you, as the Fertiliser Co. statement dates back to 1934.

We shall be obliged if you will check up on these two accounts as much as you can and let us know what you decide as to their correctness or otherwise.

Dear Sirs:

re: Claim $42.77 - A. OYE

The above named party died June 28th, 1942. The claim was submitted to his daughter, Chisato OYE, and the file indicates that on her request she was given details of the account, as supplied by you. She was advised that you held a note signed by her father for the original amount of the claim. In the first instance she stated:- "I know nothing of these debts", referring to another claim as well as yours. We have not heard from her since the details were sent to her.

Our records do not show any assets in her father's name. The property at Mt. Lehman, B. C. was in the daughter's name and was since sold to the Soldier Settlement Board. Miss OYE'S full name and present address is:-

Dear Sirs:

Re: Estate of Asaji OYE, Deceased
Reg. No. 12968

We have for acknowledgement yours of September 4 and September 21, in connection with papers to be signed by the family of the above.

We advise that the name of Mary OYE #12943 is not included in these papers. We believe that this is an oversight, as she was borne February 10, 1924, and is therefore over 21 years of age. We are returning the papers herewith for any necessary commitments.

We duly received your letter of August 28, 1945, enclosing Renunciations to be executed by Mmes OTT and Chimato OTT of Tofino, B. C., which we forwarded to the Department of Labour, Japanese Division, with a request to have same completed as soon as possible.

Attention Mr. W.J.Johnston

Dear Sir: re Asaji Oye Estate.

I duly received your letter of the 25th instant returning renunciations herein due to the fact that there is another member of the deceased's family, namely Mary Oye, 21, of whose existence we were unaware. I have now redrawn three renunciations for the widow and two daughters, Chisato Oye and Mary Oye, and I enclose same.

As there have been no further instructions as to the ability of the widow and daughters to read and understand these renunciations I have added to the affidavit Clause 5, which may be striken out if the parties are able to read and understand these renunciations.

Dear Madam:

We wish to acknowledge your letter of the 14th January, in which we note that you have in your possession share certificates of the Pacific Co-operative Union and the United Farmers' of Canada Co-operative Union. Please be advised that these shares were registered in the name of your deceased father. Of the Pacific Co-operative Union shares, the 1937, 1938, 1939 and 1940 shares have been redeemed at par for $230.00, which sum has been credited to the account of your late father's estate, as was also the interest on these shares, totalling $16.92. The $10.00 United Farmers' share was sold for $65.00; which amount was also credited to the account, together with interest on it, of $2.40.

Please forward the share certificates to this office, at which time the shares already redeemed will be sent to the Co-operatives, and those not redeemed will be held pending their redemption.

The B.C. Electric Railway Company paid $3.00 in to this office, being a refund of electric light security deposit, and this sum was also credited to the account of the Estate.

The above funds will be forwarded to Mr. Streight of New Westminster, who was appointed Administrator, and in due course, when cleared by him, will be made available to the beneficiaries of the Estate.

Re: Estate of Asaji Oye, dec'd

Dear Mrs. Kinoshita:

As I advised you in my letter of September 24th, your mother was entitled to one third of the above estate and that her estate is entitled to same. But I should have on my file, the Letters of Administration, or a copy of her Will, so that I can pay her share to her executor or administrator.

You and your sister are each entitled to $108.46. I understand you sister is not yet twenty-one. I enclose a copy of the accounts of the estate for your perusal. If you are prepared to accept you share at this time, I will have same sent to you. Kindly advise.

Yours very truly,

Dear Sir:

Re: Estate of Asaii OYE, Deceased.

On June 3, 1947, you forwarded us a Statement of Receipts and Disbursements in this Estate and requested the addresses of the heirs in order that you might be able to forward the Estate funds to them.

We supplied you with these addresses on June 7, 1947 and at the same time advised you that Mrs. Mamu Oye, the widow, had died on April 21, 1946.

Would you please advise whether funds have been distributed to the heirs in the proportions indicated in your letter of June 3, 1947, and what disposition was made of the share which was payable to the widow.

Yours very truly,

for

Dear Sirs

Re: Estate of Asaji Oye #12968

In reply to your letter of the 27th instant. According to our records, at the time Mama OYE registered with us on the 16th of April, 1942, she declared that she had no property of any kind whatsoever situated in the Protected Area in British Columbia. Our file does not indicate that she had assets at any other location, and a letter on file from her daughter, Chisato OYE dated July 18, 1946, indicates that her deceased mother owned no estate whatsoever and that she was completely dependent on her sister and herself.

Will you kindly advise in due course what disposition has been made of the funds of the above estate.

Yours truly,

F. G. Shears,
Director.
