Dear Sir:

The Council has asked me to write to you in regard to the open windows on two storey buildings.

They do not want to interfere with you in regard to this but they feel that if screens were put over these windows that it would be safer and also give the buildings a better appearance.

Trusting that you can make use of this suggestion,

I am,

Yours truly,

Dear Sirs:

Because of the rapid expansion of the war which has consequently brought many additional countries and territories under the Consolidated Regulations Respecting Trading with the Enemy (1939), the Custodian has considered it advisable to place before you the enclosed memorandum listing all such countries and territories, together with the dates when they became subject to the Regulations.

The Custodian would appreciate it accordingly if you will review your records to determine whether all items subject to the Regulations have been reported to this office, as required under Regulation 28, a copy of which is enclosed. Records of securities registered in Canada or abroad, particularly in London, should be canvassed because the Regulations apply to such registers, wherever located. Commercial firms carrying on an import and export business should consider particularly the provisions of Regulation 28, sub-section 2, as it affects debts due to enemies.

The Custodian will be pleased to consider any problems which may develop as a result of your investigations and will be only too pleased to answer any inquiries as to the operation of the Regulations.

Appropriate forms for making such returns will be furnished upon request.

Yours very truly,

A. H. Mathieu

990.20 Convention of the City of Kamloops Comparative Aug - Oct 1942 A-K

Oct 5. 1942

To the council of Corporation of the city of Kamloops

a report

on the session of British Columbia municipalities Conventions

Sept 15 and 16, 1942 at the city of Kamloops

Convention was a very successful one from the stand point of a large attendance and from the number of resolutions dealt with and the interest shown therein

The president, Reeve R. M. Grauer of Richmond presided at the sessions in a very capable manner, seeing that each resolution was dealt with fully and that each person present had a fair opportunity to express himself concerning any of the subjects under discussion.

In all 46 resolutions were dealt with covering a wide range of subjects, from the

990.20 Convention - City of Kelowna Convention Aug - Oct 1942 A-K

of utilities and the preservation of Cathcart grove.
Many spirited debates were held most of the
resolutions and from those debate the delegates
learned much of the other fellows problems
and a keener sense of appreciation of those
problems was created in the minds of those
who were inclined to think that all the troubles
in the world were their own.

The Hon. the Minister of Municipal Affairs
was present and gave a very warm address
of welcome to the delegates. Other speakers
were the Deputy Ministers of Municipalities
Mr. Bridgman. Mr. Bridgewell. Alderman
Jones of Kelowna and Dr Williams of the Vancouver
clinic.

Alderman Jones had prepared a preliminary
report on the work of the post war rehabilitation
council and on the morning of the 15th he went
into the points very thoroughly. I have
the report here attached.

held and was pronounced by all who attended
that it was one of the finest banquets they
had attended in connection with the municipalities
conventions. The outstanding feature of the
banquet being a visit from the members of
the Moose squadron of the R.C.A.F. the leader of
which group had been a Kamloops boy and
who was killed on a raiding trip over
Germany.

Thurs Wednesday saw the end of the debates on
the resolutions and the election of the executive
for the coming year. Reeve Graves resigned
and was made a life member of the union.
Alderman C.E. Scanlan of Kamloops was the choice
of the convention for President for the year 1942-
1943.

All in all I considered the convention well
worth the effort and expence of the trip, as the
resolutions dealt with have a strong influence
on future legislation of the provincial Govt.

Respectfully submitted

Aug - Oct 1942 A-K

Kaslo, B. C.
October 28, 1942.

To the Citizens of Kaslo.

It is with regret that I find it necessary to make certain statements regarding business matters between the Council of the Corporation of the City of Kaslo and the B. C. Security Commission.

I would not have considered making these statements had we, the existing Council, not been made the target of considerable criticsm on the part of the Local press and certain groups amoung the citizens.

I have been misrepresented on many points, and figures have been used incorrectly to create a false impression in the minds of the Citizens of Kaslo. I have been accused publicly of letting personal prejudice stand in the way of my rendering fair decisions.

It is in the hope of dispelling all doubts in the minds of the public that I am presenting the following facts and figures.

In a communication to the Kootenaian, dated October 22/42., the Council were accused of doing their utmost to have the B. C. Security Commission pull out of Kaslo, Lock, stock and barrel. This is as far removed from the truth as any statement could be. As a Council we have never by word or act, done anything that could have been so interpreted.

We have been accused of not being willing to co-operate with the office of the B. C. Security Commission. At a Council meeting held on July 20/42 the Agent of the B. C. Security was given explanation of the Council's stand on matters dealing with Leases, agreement, and accounts, and since no further conversation have been engaged in directly between the two parties. However accounts have been rendered monthly to the Commission and no acknowledgment of such accounts has been ~~xxx~~ received, nor payment been made on the accounts as rendered.

The Commission are disputing these accounts on the grounds that they hold a letter from the former City Clerk, confirming certain conversations held at some time and place other thanthe the regular Council meeting, the details of which conversation were set forth in a letter from the Agent of the B. C. Security Commission, to the Council and read as a communication at the Council Meeting held on April 20/42. The minutes of this meeting or ~~xx~~ subsequent meetings show no resolution confirming this letter. Advice from our Solicitor shows that such concession was beyond the powersof the Council, ~~xxxxxxxxxxxxxxxxxx~~ as this would have constituted a special rate and would therefore have been contrary to the By-laws and the Municipal Act.

According to this letter the Commission were to receive Electric Energy and Water, not only on the three City owned Buildings but on seven other privately owned buildings. The present Council feel that this Blank Cheque for Powerx and Water is more than can be tolerated, and insist on payment of Accounts in ~~full.~~ ~~xxxxxxxxxxxxxxxxx

According to the Leases signed by the Commission and the Officials of the Corporation of the City of Kaslo, the Commission were to receive the use of and Water for theThree City Owned Buildings, for the sum of $155.00 per month. These leases were under the Corporate Seal of the City of Kaslo and duly authorized by the Municipal Council, therefore the present Council are abiding by these leases. No mention of electric energy for the three City buildings were made in these leases.

Below are listed the Buildings and the amountx of accounts for Electric Energy and Water supplied and which are being disputed by the Commission. These accounts amount to the sum of $203.33 per month, a sizable amount and one which the Council cannot write off.

The Council are willing to co-operate with the Commission in every way possible and are more than anxious that all business be transacted in a manner conducive to harmony between both parties, but we must as I have stated, adhere to the Municipal Act and By-laws.

The Disputed accounts are listed as follows:-

	Light	Water
Kaslo Hotel	$39.94	
R. & K. Bakery.	13.18	
Opera House.	6.48	
Alexander Block.	12.69	$ 7.75
Archer's House.	4.97	4.00
Archer & Hartin.Bldg.	18.68	6.75
I.O.O.F. Hall.	9.72	4.50
Langham Hotel.	29.16	11.00
Maze Building.	12.53	2.50
McGregor Building.	15.98	3.50
Total.	$163.33	$40.00

Last Check up shows that 13,490 watts exclusive of appliances are being used and I believe this amount is undercharged, and all this was to be supplied ~~free according to the Agent of the Commission.~~

I hope that these facts and figures will help the Citizens of Kaslo to arrive at a clear understanding of the whole problem, and that the Council will be allowed to continuex to reach a satisfactory settlement without undue interference by the Public.

along with the rental of the three City owned Buildings for the sum of $155.CO, according to the Agent of the B. C. Security Commission.
