September 24th, 1946.

Mr. R. D. Gardner,
City Clerk,
Kaslo, B. C.

Dear Red,

Enclosed please find extract from Cemetery Bylaw dealing with the trust fund. The Bylaw is a very long one and these sections are the only ones dealing with the subject. I fancy you will find that having created a trust fund, powers for investing and protection are given under 59 (64).

Yours truly,

THE CORPORATION OF THE CITY OF TRAIL

BYLAW NO. 1056

A BYLAW TO PROVIDE FOR THE MANAGEMENT, MAINTENANCE, OPERATION AND REGULATION OF MOUNTAIN VIEW CEMETERY.

23. That in each year the Mayor of the City of Trail shall appoint a standing committee from the Council which shall have the power of committees appointed under authority of Section 28 (clause (c)) of the Municipal Act, as a Cemetery Committee.

24. It shall be lawful for the Council to receive voluntary payment by the owners of burial plots in Mountain View Cemetery or by other persons or Municipalities interested, of such sums of money as may be sufficient to keep and maintain the burial plots in proper condition as determined by this Bylaw.

25. That it shall be lawful for the Council to establish a fund for the maintenance of the said Mountain View Cemetery and the burial plots therein, hereinafter called the "Maintenance Fund" which Fund shall be comprised of all or such proportion of the amount paid for each burial plot and reserve plot, as the Council deems expedient, but in no case shall it be less than $3.00 per burial plot or reserve plot, except indigents, to be paid into the said Maintenance Fund together with all moneys received as voluntary payment. All such funds received by the Municipality for the Maintenance Fund shall be held and invested by the Municipality as trust funds, to be devoted solely to the purposes for which they were received. This section shall be retroactive and shall be deemed to have come into force on the 11th day of October, 1932, so as to provide for and include the existing trust fund in the Bank of Montreal, City of Trail Branch.

26. A separate accounting shall be kept of all expenditures in connection with the management, regulation, administration and operation of the cemetery, and of all money received for the digging of graves, burial, cremation, and of the balance, if any, of the amount paid for each burial or reserve plot after providing
