We have your letter of the 12th confirming the arrangement made with Mr. J.A.Tyrwhitt. This will be used to replenish your supply. Should you require any in the meantime we will have to issue a special permit to cover this case.

Dear Sirs: Attention - Mr. R. F. Wray

We have been approached by a group of Japanese who have been working on a plan whereby Japanese who are still in the city might obtain supplies of sugar, tea, and coffee. The new Rationing Books have not been issued to these peopleppending their removal to the Interior, and as a result they have been unable to purchase these commodities.

Mr. J. A. Tyrwhitt has taken the matter up with Mr. O. H. Bell of the Wartime Prices and Trade Board, who has given his approval, provided that a list of the names, addresses, and Registration Numbers is kept, and sent in daily.

We have agreed to do our part, having in mind that the increased store traffic should boost our sales of other goods.

Dear Sirs: Attention - Mr. C. H. Bell

Confirming arrangements made through Mr. J. A. Tyrwhitt of the B. C. Security Commission to supply sugar, tea, and coffee from this store to Japanese people who are still in the City, but have not had the new rationing books issued to them, and consequently have been unable to purchase these supplies.

Since T. Maikawa Stores Ltd. is being operated by the Custodian with a view to liquidating the merchandise on hand, they may not require any further supplies of these commodities, and, therefore, are selling sugar, tea and coffee out of stocks on hand.

However, in the event of this store remaining open after the time the present stocks are depleted, we would like to be able to replace the sugar, tea, and coffee disposed of under this arrangement, without the necessity of relinquishing ration tickets.

As requested by Mr. Tyrwhitt we are keeping a record of the names, addresses, and registration numbers of these people, and are selling these supplies on the basis of one months supply per person with due regard to the rationing restrictions. A list of these names will be sent to Mr. Tyrwhitt daily.

We would appreciate receiving your confirmaton and approval in this matter.

Frederick Field, C.A. Esq.,
C/o P.S. and Sons,
Royal Bank Building,
#675 West Hastings Street,
Vancouver, B.C.,

Dear Sir:-

We wish to bring to your attention the matter of Lot 16, Block 40, D.L. 196, which property is situate immediately across the lane from our store and used by us as a warehouse and which is the subject of an exchange agreement entered into between Mr.Tomekichi Maikawa and Purser Bros., on the 27th of October, 1925, by which agreement the above property was exchanged with Lot 13 and W½ of Lot 14, Block 40, D.L. 196.

The Lot 16, Block 40, D.L. 196, was purchased by the Purser Bros., from the Scottish Temperance and General Assurance Company Limited, under an agreement of sale and purchase dated October, 1st, 1925, and we are informed that $600.00 or thereabout is still owing on the agreement.

When our company was incorporated under the Companies Act of British Columbia, all the assets of Mr. Tomekichi Maikawa were transferred to the company, including his interest in the said exchanged property, but the actual transfer of this property was held up due to the death of two of the Pursers Bros. As the surviving Purser Bros., were unable to take out Letters of Administration to the estate of their deceased brothers due to lack of sufficient funds, we, in November last, in order to expedite the transfer of this property to the company, agreed with the surviving Purser Bros., to pay one-half of their legal expenses to obtain the Letters of Administration and also to advance the necessary money to pay off the Scottish Temperance and General Assurance Company. This advance by our company is to be secured by a mortgage by the surviving Purser Bros., on Lot 13 and W½ of Lot 14, Block 40, D.L.196, in favour of our company.
