Dear Sir:-

On April 13, 1944 when your Secretary favoured us with his kind visit to this camp, I regret to say that due to lack of time for personal meetings, I was unable to see him at that time.

I wish therefore to ask you that question here.

As I have already informed you, I was formerly with a crew of the Greek ship "S.S. Emmy". On June 16, 1943, I wrote a letter to the Japanese Consulate in Buenos Aires, South America, to which I received your kind reply, No.263,J.163 on April 24, 1944. What I would wish to know is whether there has been any further steps taken concerning my request in that letter.

Yours respectfully,

The above internee is at present suffering from dizziness, blurred eyes, singing in the ears (the right is worse), losing sense of smell, poor appetite, numbness of the head and lumbago due to an accident he received while employed at some sawmill in B.C.

His case has been taken up by the Workmen's Compensation Board in B.C. and in reply to his request received instruction from the said Board to send a statement of the diagnosis by a neurologist.

I shall be much obliged if you will kindly and carefully take this matter up with the competent authorities to have a specialist examine him for this purpose so that a report could be sent to the Workmen's Compensation Board.

His claim number of the Board is 4133696.

Mr Kazuo Kobayashi
Camp Spokesmen,
Internment Camp No. 101

Dear Mr. Kobayashi:

This will acknowledge your letter of July 12th in regard to film play-dates. Substitutions have been made in accordance with the attached schedule. At the moment, United Artists have nothing to offer in place of "Young and Willing" but if another film is available later on, they will send it.

Two film catalogues were sent to you on July 15th These were from Sovereign Films and Hanson Movies, It is possible for you to make a list of the films you wish to see and send it to us. However, since you are on circuits with Camps No.20 and No.23, it is expected that those camps will also send in special requests for films. However, we would try to secure a certain number of films requested by each camp on your circuits: on the other hand, you will understand that we could try to avoid any booking of a film which had previously been seen by any one of the camps.

Sincerely yours,
H. Boeschenstein

Dear Sir:-

I am herewith returning to you the eleven message forms which I have received today. I have carefully checked those with our name list in this internment camp but none of them corresponded to the names of the internees. The particular form which you mentioned, SHUTO Shigeo p/w #313, is an entirely different person from SHITO Shigeo.

I am taking this opportunity to inform you that I have received the telegram from you regarding the seven Tuberculosis patients. I have carefully and strongly explained the contents of your desire but unfortunately it is utterly beyond my power to control them and they strongly insist that they remain in the hospital in the Compound.

However I am thanking you for your kindness and goodwill.

Yours respectfully Tanaka.

Dear Mr. Tanaka,

Enclosed please find 11 message forms which have been forwarded to us by the British Columbia Security Commission, as they have been unable to trace the individuals concerned from the particulars given. Before returning these forms to Japan, we should appreciate it if you would kindly ascertain whether any of them are intended for internees at your Camp. For instance, we take it that the form addressed to Shigeo SHITO might possibly be meant for Shigeo SHUTO, POW #313. Please return any forms for whom you cannot trace the addressee.

DÉLÉGATION DU CANADA GENÈVE (SUISSE)

...DES DÉLÉGUÉS" No. 24

APRIL 1944

THE STATUS OF SPOKESMEN

Since the beginning of the conflict the task of the spokesman has largely exceeded the limits which article 43 of the Geneva Convention assigned to him.

As it is likely that sooner or later it will become necessary to establish in detail the status of the spokesman, we request all our delegations to furnish us already now with all such documentation as may be suitable for this purpose.

In December 1942, in No. 8 of the "Journal des Délégués" page 17, the International Committee of the Red Cross already addressed to its representatives abroad a first request to this effect.

Actually, a number of the particulars received on the subject of the standing of the spokesman are outdated or insufficient. Moreover, in reply to the suggestions which appeared in our No. 18, page 17, one of our delegates has brought this question of the mission of the Spokesman before the Tribunal of the Delegates.

The International Committee therefore found it opportune to again address a similar request to its delegations.

We would like to add that it would be appreciated if our delegates did not confine themselves to reply to the questionnaire here below, but would also mention any other information relating to the status of the spokesmen, as well as the manner in which this status is defined in the Regulations concerning the Administration of prisoners of war and civilian internees camps.

Questionnaire

8. Can he correspond with the I.R.C.C. or with the local delegation of the I.R.C.C. on a service basis and outside the quota ? Yes, at any time.

Dear Mr. Tanaka,

I am enclosing the Upper School examination certificate which was just received in our office a day or two ago, for Mr. Tamio Marubashi.

I hope that he will not be too disappointed by his marks and that he will try again next year. It may be wise for him to enrol for the correspondence courses of the Department of Education of British Columbia, so that he will have a chance to study systematically. Also if there is any other way in which we can be of help to him or any other of the students, we should be glad to hear from you. As you know, we are most anxious to help these students in the best way possible.

With my very best wishes,

Sincerely yours,

I have been requested by the above to inquire to you for information regarding the delay of his release from this camp.

It seems that as a result of his interview with the B. C. Security Commission Placement Officer on or about the May 18th, it was decided upon that the above would be released to Picture Butte, Alta., very shortly. He had his medical examination on June 16th.

Re: HANADA Shinjiro p/w #A-209

I hereby respectfully make application to you to have me released from this internment camp.

I have been contacting Mr. Dan McPhee, the manager of the Sinclair Lumber Mill, Sinclair Mill, B.C. and he has taken up my case with the B.C. Security Commission. He has also stated that I make application for my release at this time.

I have been in Canada for approximately 36 years and have experience in the lumber business for 30 years. There is no doubt that Mr.McPhee is willing to have me join his firm as soon as possible.

I have a wife at present residing at Lemon Creek Slocan, B.C. and she has expressed her desire of joining me at the said place. I understand that the place where the said lumber mill is situated is approximately 600 miles away from the protected area.

Needless to say I am willing to cooperate with whatever policy the Canadian government may impose on me.

I shall be very much obliged. therefore, if you will kindly and favouraoly give consideration for my release at your earliest convenience.

Awaiting your early answer, I remain,

Yours respectfully,

I have been detained in this internment camp ever since April 14th 1942 without any reasons that could be considered violation of the Canada's National Defence Act.

My wife had died several years ago leaving six small children of whom four are at present living at Saskatchewan under the care of my friend while two of my children are living at Christiana Lake, B.C.

I have been in contact with several friends who have recommended me to have my children together in one locality, making a home somewhere in Eastern Canada, and I realize that it is better, both for their welfare and educational wiewpoint, to do so. I am, therefore, respectfully requesting you to release me from this internment camp at your earliest convenience.

Needless to say, I am perfectly willing to obey any regulations whatever which may be imposed on me.

Re: NISHIMURA Kazuo p/w A-127

I have met with an accident on August 6th of this year and the authorities were kind enough to send me to Port Arthur Military Hospital for special treatment, but unfortunately, my present physical condition is not favorable at all.

The nature of the injury was a fracture of the skull sustained when struck by a flying baseball bat and even at this writing, I am still suffering from dizziness and headaches whenever I even slightly move my head. Both of my eyes tend to blur and I have poor appetite, practically lost my sense of smell, a feeling of pins and needles and otherwise numbness of my entire head, and both of my hands and legs feel numb.

Under ~~this~~ above mentioned circumstances I am hereby respectfully requesting you to release me from this internment camp to Lemon Creek, Slocan, B.C., where my parents, brothers and sisters are at present living, and who are anxious to take care of me at the above mentioned town.

Needless to say, I am willing to abide by whatever regulations the authority may deem necessary to impose on me after my recovery.

I shall be obliged, therefore, if you will kindly give your careful and favourable consideration to the aforementioned circumstances and permit me to be released as soon as possible.

Re: ONO, Kiyoshi p/w A-134

I do hereby make application to you to release me from thisinternment camp to the city of Montreal, Quebec, at the same time and with Mr. INAMOTO, Unetaro p/w A-45 who is also making his application for release.

I have a family at present living in Lemon Creek, Slocan BC, and with whom I should like to be reunited in the above mentioned city as soon as accomodation could be found for them.

I have never at any time violated Canada's National Defence Act, yet I have been forced to remain in this internment camp ever since May 14th 1942. However it is needless to say that I am willing to abide by any regulations which may be imposed on me.

i shall be much obliged, therefore, if you will kindly and favourably consider my case and am awaiting for your reply at your earliest convenience.

Respectfully yours,

Sir:-

Will you kindly forward the following communication to the Port Arthur Medical Authorities and oblige:

"Re: OCHIAI, Mikio p/w #729

Dr. Strauchler, the camp Medical Officer has already sent in a report to you explaining the throat trouble from which the above man is suffering. Ever since August of 1945 he has had this feeling of a protusion in his throat and has been suffering ever since from tightness and pressure in his throat and upper chest. He feels this constantly throughout the day and it pains him considerably. He feels it is some malady in his aesophagus as he finds trouble and pain there. During this time he has done continual gargling treatment but to noavail.

The District Medical Officer, Col. Bell, has given full permission for hisimmediate examination and medical treatment at Port Arthur. As Dr. Strauchler says that he will have to wait in sending this man until a report arrive from you, I would like to ask you therefore to kindly make out this reply without fail at your very earliest convenience so that this man may obtain relief at the earliest date.

Thanking you kindly, I remain,

Dear Mr.Tanaka.

I should like to take up in this letter the matter of payment of the books which have been sent into your camp during the past year presumably for individual students.The account to be paid is always indicated on the green invoices that are sent to you by the European Student Relief Fund.The amounts since December 1943 are as follows:-

Dec.7th.	Invoice	#179	$13.25
Dec.13th	"	186	7.00
Jan.6th	"	209	19.00
May 9th	"	370	8.00
May 12th	"	378	8.50
June 6th	"	413	35.50
July 26th	"	560	48.00
July 28th	"	569	1.00
		Total.	$140.25

We should appreciate an explanation as to why these amounts have not been paid,and we shall be grateful for a cheque covering these amounts as soon as possible.

As you know we are willing to make adjustments if that seems indicated,but it does not seem right that all of these payments should be ignored.

I shall look forward to hearing from you in the near future.

Re: KOSAKA, Kanekichi p/w A-262

Perhaps you will find in your record that I had previously, some time early last year, submitted my application for release from this internment camp, and I received a reply from you to the effect that I would be released to somewhere in Eastern Canada. I have since then been waiting for the order, but unfortunately the Commandant of this camp has not been notified to do so.

I had already been interviewed by Mr. C.E. Salmon B.C. Security Commission Placement Officer and he has advised me to make another application to you. Therefore, I do hereby respectfully request you to release me from this camp as soon as possible.

My family is at present residing at Lemon Creek, Slocan BC. and I am intending to call for them as soon as I can find the necessary accomodations.

Awaiting for your favourable reply at your earliest convenience, I remain,

Re: Yesterday's Camp Fatigue Party

I have been requested by the above mentioned party to request you to investigate thefollowing incident.

On September 27th at around 9:30 AM while the Camp Fatigue Party was working around the Quartermaster Stores, one of the young Sergeant looking out from the window struck G.KUMITA's chest with his fist while at the same time swearing to him in a very contemptible manner. Kumita states that he had no reason to be attacked and swore at by the Sergeant.

In any case this is strictly against the Geneva Convention,Article 2, and I shall be obliged if you will carefully investigate this matter at once and to take a reasonable action against the said young Sergeant.

The Camp Fatigue Party consisted of the following: KUMITA,Genzaburo p/w #264; KAKIMOTO,Yukichi p/w #232; HORI,Masami p/w #219; and 2 other internees.

Awaiting for your reasonable answer to the above,

Re: KUMITA, Genzaburo p/w A-264

I have sent a letter dated Sept.5th to Mr.C.K. Halonen, B.C.Security Commission Placement Officer, requesting my release from this internment camp. I do hereby respectfully wish to make this appeal to you also and beg for special consideration.

At present my family is living in New Denver, B.C. I have three children: 12 years, 8 years and 7 years respectively. If circumstance will permit my release, my plan is to call my family to the east and further to try to give my children a thorough Canadian education.

For the past 27 years, I am happy to state that I was able to lead a comfortable life in Canada, and in the future, my wish is to remain here. If I am fortunate enough to be released, I am completely willing to give absolute co-operation to the orders of the Canadian government. My brother and sister at present are living in Hamilton and it is my desire to go there also if possible. But, if, under the regulations of the Selective Service, I am not allowed there, I am willing to go anywhere they direct me.

Finally may I request again special consideration for my release.

Respectfully yours,
Genzaburo Kumita p/w A-264

Dear Sir:-

I hope you would not consider me too forward in writing to you and stating that I should like to purchase a Hawaiian Guitar (complete with picks and steel bar) worth around the neighbourhood of Forty to Fifty Dollars.

I have already communicated with the Y.M.C.A. in this respect about a year ago, but, obviously they seem to be too occupied in filling out the needs of others more unfortunate, and as a last resort, I am turning to you for assistance.

I shall be much obliged, therefore, if you will kindly give your consideration to my request and send me a Hawaiian Guitar at your earliest convenience.

As I had mentioned before, I am perfectly willing to stand its cost.

Thanking you in anticipation of your kindness and awaiting your reply, I remain,

Yours respectfully,

Re: MAEDA. Jisaburo

By 7.0.19. Forms.

I, the above, have been confined in the internment camp ever since March 11th, 1942 without any reason that may be considered violation or offence of any sort to Canada's National Defence and her war-time regulations.

I have a wife and an aged mother at present living at Minto Mine, B.C. who are self-supporting and they have expressed their desire of relocating to Montreal, Quebec. and I myself have finally made up my mind to go to the said city.

I do hereby respectfully request you to release me from this camp to the city of Montreal as soon as possible and I should like to call my family to that city as soon as I could find suitable accommodations for them.

I have 20 years of experience as dressmaker and cleaner in Vancouver. B.C. and I am sure that I could support my family for quite a period even if I am not able to find a suitable employment immediately, as I have a few dependable freends there.

Needless to say I am willing to obey whatever regulations the government may deem necessary to impose on me after my release.

Hoping you will give this your most careful and reasonable consideration and awaiting for your reply,

I remain

Yours respectfully,
Jisaburo Maeda 469

For Mr. T. Tanaka
Internment Camp
Angler, Ont.

Dear Mr. Tanaka:

I have had several communications from students in your camp requesting various information about next year's examinations. I shall try to answer the questions in this letter.

First of all I should like to say that I have contacted the British Columbia Department of Education concerning their high school correspondence courses, and while they agreed to make them available to your students, it was found impossible to do so in the end. I am sorry that it turned out this way because I know they would be very helpful to the students, but there was little that we could do about it.

I believe I have sent you most of the books required for these studies, though there are two or three that are particularly difficult to obtain, but when I do I shall send them along immediately. I shall obtain the necessary Grade XIII German books shortly and send them along.

These were the main questions asked in the letters, but if there are any others, I shall do my best to obtain the necessary information for you. I am sorry that I delayed answering your questions for such a long time.

I am planning to go west soon, and shall take that opportunity of visiting you. We can discuss any particular problems you have at that time.

With best wishes,

Sincerely yours,

Dale D. Brown

Dr. H. Boeschenstein

Dear Sir:-

I should like to take this opportunity in expressing our satisfaction in the nature of the movie films which we are receiving lately.

At this time I should like to order if possible three films, aside from the regular ones that come in our circuit, which we would like to see especially durin g the three weeks mentioned below. Some of them are in technicolors but if a technicolor in 16 mm is not available the ordinary "black and white" film will be satisfactory. I have mentioned our first and second choice but if both are not obtainable any "musical" will suffice.

In this connection it will be greatly appreciated if you will kindly send us 2 only of 1000 watt lamp for our Ampro Projection Machine as the one now in use will soon be out of working condition.

SECOND week of December:
1) GERL CRAZY --musical-- MGM
2) BROADWAY RHYTHM --musical in technicolor--MGM

Christmas week:
1) AND THE ANGELS SING --musical-- Paramount
2) GOING MY WAY --drama-- Paramount

New Year'Day's week:
1) BATHING BEAUTY --musical in technicolor - MGM
2) SENSATION OF 1945 -- " --United Artists

Re: SATO. Hidekazu 307

I. the above, have been confined in the internment camp ever since June 20th 1942 without any reason that may be considered violation or offence of any sort to Canada's National Defence and her war-time regulations.

I do hereby respectfully request you to release me from this camp to the city of Montreal as I am certain that I would not find any difficulty in finding myself a suitable employment in that city because I have experience in the cleaning and pressing business for the past more than ten years in Vancouver, B.C.

If it is possible I should like very much to leave this camp with CHIBA. Sanji p/w A-694 who is making his application for release also on this day.

Needless to say I am willing to obey whatever regulations the government may deem necessary to impose on me after my release.

Hoping you will give this your most careful and reasonable consideration and awaiting for your reply.

i remain,

Yours respectfully,
Hidekazu Sato p/w A-307
