TARŌ PAPERS

5/12/67

My Dear Friend,

All the family join me in wishing you & yours all the best for Christmas & the New Year.

The weather this part summer was quite the best we have had for 20 years. Still remains excellent, - ½° snow, no cold & Green Lake still wide open. Very good year for guests & horses, - also very good fishing in Green Lake, - hay crop (under sprinkler irrigation) also good. Cattle prices continue to hold up too.

Bad strike in south B. C. lumber mills, no end in sight. Local mills not effected, lumber still high. Probably returning to England for short visit in spring. Kindest personal regards to you & family

Bert Gammie

May the beauty of the
season
And its meaning, deep and true,
Bring you happiness at
Christmas
And throughout the New Year, too.
