Vancouver - Re Steveston,B.C.Japanese Trust Account

In reply to your letter of August 5th, with which was enclosed a cheque in favour of the treasurer of the Steveston congregation for $122.73, I am wondering if this money does rightfully belong to that congregation. In any conversation I had with them, I took the position that inasmuch as we were carrying the responsibilities of upkeep until the date of our conveying the property to them, any income from the property up to that date would belong to us. That is still my conviction, and so I shall hold this cheque until I hear from you further regarding the matter.

Dear Dr. Bunt,- Re: Steveston, B.C., Japanese - Trust Account

You will remember that on March 12th, 1954, you requested the balance from the Japanese Trust Account to be sent to you. On April 23rd, we sent you our cheque for $154.37, which was the balance on deposit at that time.

Now, in your letter, dated July 29th, 1954, you sent us the balance of your Trust Accounts for 1953. For the Steveston Japanse property this amounted to a total of $231. From this amount, you had to deduct $12. for water rates and $96.27 for taxes to the end of July, 1953. This leaves a balance of $122.73. This rightfully belongs to the Japanese congregation. We are enclosing our cheque, therefore, in the amount of $122.73. I know that you will turn this over to the proper officials.

Yours sincerely,

Dear Dr. Bunt,

Enclosed please find cheque for $22. 50. You will recall that there was a stove in the Church basement which you offered to us for whatever price we thought it worth.

The cheque is amount received for its sale. It was made out to me personally. Our board of managers asked me simply to endorse it and send it on, with our apology for being so tardy in meeting this obligation. The fault was parly ours and partly that of the auctioneer. We should have received a cheque for the stove over a year ago, but was inadvertently overlooked by the auctioneer.

Dear Dr. Dorey:

WESTMINSTER PRESBYTERY
RE MISSION CITY JAPANESE

When we sold the former Japanese Church building to the Presbyterians several years, there was in the basement a stove which belonged originally to the Japanese. I told Mr. Pollock, the minister, that I would leave it there for the time being and that they could either buy it for what they thought it was worth or sell it. About a year ago they sent it to an auction room and it was sold for $22.50, and a cheque for that amount is enclosed herewith. Although it was sold so long ago, the auctioneer apparently forgot that he had failed to remit the proceeds and that explains the delay. I would presume that this amount will be added to the trust funds of the former Japanese congregation at Mission.

Will you please send receipt for this amount to Mrs Anna Philips. North Bend.

I am closing my ministry, as you are aware, tomorrow. This is, of course a small congregation and there was no hope of a large harvest from it. However, last Easter I did have the joy of receiving two young adolescent gi girls into communion, on profession of faith, and after careful preparation. Adults are not so easily persuaded; as you know.

I am happy to say that I am leaving in a very cordial spirit of friendship. My address, if you should need it, will be :-

Therefore, if you or any one of you want to get in touch with him you would have to call around at his residence 48 Strathgowan Ave. in North Toronto.

In connection with the expenses of the Japanese ministers who attended your Conference it was understood that we would use the $251. which Dr. Bunt has on hand in the Powell Street Trust Fund. It is further understood that we would supplement this by a contribution from our Board to pay travelling expenses of the members of your Conference. We have made a reckoning of the cost on the basis of tourist travel at clergy rates, which works out as follows:

Rev. Y. Ogura	$125.25
Rev.W.R.McWilliams	125.25
Rev. J. Kabayama	87.50
Rev. T. Komiyama	19.50

The total is $357.50. As there was $251 in the Powell Street Fund we are adding from the Home Mission Funds $106.50 to cover this item. I am enclosing cheque for $357.50 with suggestion that you distribute it to the four men who came to the Conference on the basis indicated above.

I trust that your Conference was helpful in every way and that the men derived a great deal not only in their fellowship together but in their attendance at the Conference on Christian Education.

Dear Mr. Bunt: Re Westminster Japanese

I have your letter of Dec. 16th in regard to the personal effects of some of the former members of the Westminster Japanese Mission, which have had to be moved from 325 Ewan Avenue to the Powell St. building in Vancouver. According to your request, I am enclosing a cheque for $37.91 in favor of Mr. McWilliams, to cover the cost of trucking. This is charged to the trust funds which we are holding for the Westminster Japanese congregation.

Yours sincerely,

November 30th 1943

Rev. K. Shimizu, M.A.,
Kaslo, B.C.

Dear Mr. Shimizu:

When I was at the Conference in Kaslo, I had with me the enclosed statement of the Powell Street Japanese Fund, but in the rush of things I forgot to leave it with you. I feel that as many of the former Powell Street members are with you, such a statement should be given you. It is to be noted that the $100.00 allowed for the cost of the Conference is not shown on this statement, as it was made out prior to drawing that amount from the fund. The present balance therefore is $242.02.

A few words of explanation are due in respect of the payments made from this fund. After the church was finally vacated by your people, bills came in for telephone, scavenging, light and gas and water, and as First Church had not taken over the building, it seemed only right that these bills should be paid from the fund. Later on bills came in for water rates for the Fairview Church and for some plumbing repairs made necessary by the freezing of the pipes during the severe weather last winter. As the Fairview funds were amalgamated with the Powell Street amounts and as the city insisted on these being paid, they also were paid from the money left with me by your Board.

The overhead of Powell Street is now being taken care of by First Church and that of Fairview by St.Giles and the W.M.S., who have a kindergarten worker in that area at the present time. I shall keep you informed as to the status of this fund from time to time, and as a matter of fact there should be no further payments made from it in so far as I can see, without my first contacting you, and through you, the members of your former Powell Street Board.

With every good wish,

I remain, Yours most sincerely,

Re Japanese Trust Funds

Rev. T.W.Reed called at the office yesterday, and gave me the sum of $60.00 which was made up of a cheque for $31.00, and $29.00 in cash.

The $31.00 cheque payable to the United Church of Canada, or bearer, is the proceeds of the sale of sum of the contents of the former Cumberland Japanese Mission.

I am enclosing a Postal Order for $29.00 which amount is to be credited to the Trust Fund of the Victoria Japanese Congregation. Mr. Reed sold an organ for $35.00 and the deduction of $6.00 is for cartage paid for moving most of the furniture etc., from the Japanese Mission over to the gymnasium of the Chinese building for temporary storage.

I shall be glad to receive receipts from you for these amounts.

I was greatly interested in your letter, written from Kelowna, telling about what they did at Vernon. We are greatly moved at the response of the Japanese in the Vernon district. I am writing to Mr. Ogura thanking him and sending him an official acknowledgment. I think we shall put the money in the special account and use it for some project in connection with the Japanese that does not come within the budget.

I am also glad to get that little bulletin that Mr. Shimizu is publishing. He has the real idea of publicity in the work which he has been carrying on for some time.

Rev. George Dorey, D.D.,

Dear Dr. Dorey,

Re Victoria Japanese

Mr. Ogura and the Treasurer of the former Japanese congregation in Victoria, have turned over to me the balance of their congregational funds amounting to $87.53. Out of this I am paying the electric light and water bills amounting to $17.98, after which there is a balance left of $69.55, and I enclose herewith my cheque for that amount.

On the memorandum which I gave you when at the Board meeting, it is to be noted that material for boarding up all the windows of the mission building was bought and paid for by Mr. Ogura, and the cost of it was $24.02. The Japanese provided the labour without charge. It is the desire of Mr. Ogura and his people that the Home Mission Board hold this fund in Trust, and according to my estimation it will be $69.55, plus $24.02, amounting to $93.57. Mr. Ogura asked that the amount which he paid for the material be added to that held in trust by the Board.

Will you have a receipt made out to Mr. Ogura for this amount and mailed to me.

Thanking you,

I remain,

Yours most sincerely,

Dear Mr. Ogura,

This will acknowledge your letter of the 30th, and I wish to say that the various steps which you propose taking when you have to leave Victoria seem to me to be very wise. If you leave the key with Dr. Whitehouse I shall know where to get it.

I shall present the bill for the material used in boarding up the windows, to the Board of Home Missions, and I am confident that they will re-imburse you for this expenditure.

If your congregation has any funds on hand, you had better send them to me, along with a statement of the funds, to be held in trust for your congregation. The reason for this is, that we want any such monies which our Japanese congregations may possess to be kept for their use, and not to be spent by the Government or any one else. I might say that the Westminster Japanese congregation is turning over a building fund to me to be held in trust. However, what I think will ultimately be done, is that the Home Mission Board will hold the monies in a Trust Account.

Will you make out a statement of what you have received on salary from your congregation for the months of January, February and March, and bill it to me in care of the Home Mission Board, 299 Queen Street W. Toronto, Ont. I do not know just what action the Board will take, but I am sure that it will do its best to stand by our Japanese Pastors.

Enclosed herewith is a cheque for $342.45, being the balance on hand of a fund which the Steveston Japanese had been building up with a view to purchasing pews for their church.

Mr. Nomoto was in this morning asking my advice as to what should be done with this fund in the meantime. On my suggesting that it could very well be sent to the Board to be held in trust, he quite readily agreed, and has endorsed the cheque payable to the United Church of Canada. Re Japanese Trust Fund

Enclosed herewith is a cheque for $612.01, which represents the amount in the Property Account of the Fraser Valley Japanese United Church at the time that congregation disbanded. Mr. Walkinshaw has held this money in trust, but I told him I thought it better for it to be sent to you to be kept in the special fund set up by the Home Mission Board for the custody of funds belonging to our Japanese congregations.

I would be glad to have an acknowledgment of the receipt of this cheque which as you will note carries no revenue stamp. I presume that is due to the national background of the man who has signed it.

Dear Mr. Bunt:-

I enclose cheque (marked) value $612-01. The amount I held in Trust on a-c of Fraser Japanese United Church was $611-25 and accrued interest accounts for the balance. $611-25 plus Interest 76 cts-$612-01. It is made out to The Treasurer of The United Church of Canada as you suggested. $347-44 of this sum is for Property a/c and the balance is Congregational General Revenue a/c.

I could not get Akagawa on the phone after I received your message of this a.m. but went over to North Road where I found him. I gave him a note containing the gist of your message and also informing him that he could see the complete letter at Kasle if he called there.

I have written Dr. Barclay at Coqualeetza telling him of Dr. Barner's intention to call at the Hospital next week to arrange for such service as he can give there.

I wish to acknowledge receipt of the cheque for $612.01, being the amount held in trust for the Fraser Valley Japanese United Church. I have forwarded this to Toronto, and when the official acknowledgment comes will let you have it.

There are two things which I wish to note in connection with the cheque, one is that it was not marked, as you stated, and the other that it carried no revenue stamp. I presume you are familiar with the severe penalties applicable to those who issue cheques without putting on the necessary revenue stamps. However, I realise that to put on the stamps would have cost six cents, and I presume the reason the cheque was not marked is that it had no stamps affixed. Please do not let this occur again!

Rev. W.R. Walkinshaw,
New Westminster, B.C.

Dear Mr. Walkinshaw:-

Enclosed herewith is the official receipt for the $612.01 sent to the Japanese Trust Fund in Toronto by the Fraser Valley Japanese Mission. You will note that the receipt is for the full amount, altho' no stamp was put on the cheque.

By the way, when that cheque come back to your bank, Miss Murray and I would be glad to have you get it and bring it over, so that we may see the certification that was put on it before it went East. It is not that we doubt your word, but we would like to see the marking which we both searched for and could not find. Perhaps it was put on in invisible ink, and that we should have heated the cheque in order to see it.

Re Paul Smith: I am looking into the complaints. By the way, you know that that field asked to have him appointed. At least, some of the members of the Board did.

Most sincerely,

W.P.B.
