"IT GAVE ME NEW LEASE ON LIFE"

Reports of Remarkable Results From Sargon Continue to Pour In

Within the past few years medical science has made some amazing discoveries—discoveries that will have a far-reaching effect upon the health and well-being of humanity. Many of

the beliefs, practises and theories we have learned for a lifetime to be keen absolutely disproved and the old order changed.

Out of this mass of scientific research and investigation has been evolved a new, revolutionary formula. Sargon and Sargon Soft Mass Pills—a powerful, invigorating treatment whose triumphs over stubborn and almost hopeless cases have literally amazed those who have put it to the test.

Introduced in this section only a short time ago, reports are already pouring in from all parts of the country telling of the remarkable results Sargon produces. Read what Mrs. Mary A. Burman, 1124 Ellice St. St. James, Winnipeg, recently said:

"For two years I suffered almost constantly with pains in my right side and back, that were almost more than I could stand. Though I felt ever slightly, it felt like a knife was stabbing through me and it was an effort for me to try to do anything—the least exertion made me faint and breath. A rheumatic condition settled in my knees. I also suffered from chronic constipation and for years was forced to take a laxative daily.

"Through a friend of mine I learned about this new Sargon treatment and three days after starting it my condition so wonderfully, I can scarcely realize I was ever the victim of such suffering. It rid me of every pain and ache I had; made me feel years younger and energy, and a new lease on life itself.

"One of the things I'm proud of most is that, for the first time in years, I am free from chronic constipation. Sargon does for me what I say they recommend with the tonic, and great benefit it has been to me. I owe it to such a thorough, natural manner in which it brings to me a feeling of lightness of any kind.

"With such wonderful new health Sargon treatment brought me and can scarcely realize myself. I love to give a message of cheer to others."

The man is at the Owl Drug Store, corner Pender and Granville streets. Sargon is meeting the public daily and explaining the merits of this remarkable new medicine.

Sargon may be obtained at all Owl Drug Stores: one in Vancouver, corner Pender and Granville; one at 413 Granville, corner Hastings and Abbott, corner Hastings and Richards, Bentall Section, Ground Floor, HBC
