PERSONAL PROPERTY SUMMARY

Re: ISOMURA, Hisokichi - Reg. No. 02214.

ISOMURA was interned on November 30, 1942 and released probably around July 10, 1946. His number while interned was P. W.A. 753. He made a partial declaration to the Custodian, but refused to sign it.

CHATELS: He refused to declare any chattels.

Fishing Equipment: However, a list of fishing equipment stored with S. H. Logan, 187 East Hastings, was found among his personal papers and attached to the J. P. Form. Some of these were sold at different times by Mr. Logan acting at the request of the internee. The remainder was shipped to our Warehouse at Steveston. Mr. Logan's sales realised \$27.00. Two items were sold at Steveston realising \$10.00. This leaves a few pieces of netting not accounted for. (see schedule)

Chattels: On November 28, 1942 a quantity of chattels was moved to 992 Powell St., from 747 Powell, Inventory 175, and later, on December 21, 1942 a large quantity was moved from the same address to 604 East Cordova, Inv. 308. These have for the most part been disposed of by Auction and have been fairly well accounted for. None of the items unaccounted for seem to have been of much value, except, perhaps the Candy Machine, whatever it might be. Quite a number of items have been sold which do not appear on the two inventories, but all of them could have been in boxes. The two inventories show 20 boxes and 12 cartons and it can therefore be reasonably assumed that the items have been properly credited. Two items which appear on these inventories were sold on the wife's file and the proceeds thereof were used to settle in part a funeral expenses claim filed against her estate by the Department of Labour.

2 Bundles of Photos - 2B and 3B are stored at 604 East Cordova Street.
Chattels left at Bowman's: Bowman Storage advised us on September 29, 1944 that they were holding goods for this Japanese and that the storage charges were at that time \$22.50. The chattels were moved to 992 Powell St. and there appraised by Thompson & Co. The moving charge, \$1.75, appraisal fee, \$2.50 and storage charges \$22.50 were all charged to this account. Thompson & Company appraised the goods at \$119.50. They were sold by Auction realising \$130.00 gross and \$99.90 net.

The total amount realised from the sale of the chattels was \$389.81. For full particulars, see the Chattel Schedule.

SPECIFIED

ARTICLE: Vessel - The Vessel "Fumi" was sold by the Custodian for the net sum of \$232.14 which was credited to this account. For full particulars, see the Vessel Summary.

BANK

ACCOUNT: He declared \$10.00 in the Bank of Montreal, Main & Hastings and \$200.00 in Bank notes. These notes were deposited to the credit of his account.

.....

They had been seized by the R. C. M. P. from his personal papers. The Bank of Montreal forwarded us ISOMURA's balance of \$10.22 on November 23, 1942.

The balance of his Canteen Fund at the Internment Camp was remitted to us on July 9, 1946. The amount of \$14.97 was credited to his account.

ON THE PRAIRIES 'Treated Like Animal,' Japanese Tells Court

R
T
C

MOOSE JAW, Sask. (CP)—Hirokichi Isomura, 66-year-old leader of the 39 residents of a Japanese relocation camp here, told magistrate's court here Tuesday that since his internment during World War 2 he had been "treated like an animal—not very humanitarian."

On trial for obstructing Sheriff G. C. Russell when the sheriff evicted the camp's residents last Wednesday, Isomura testified through an interpreter that had accommodation been ready for him he would have been willing to leave the camp.

Isomura is alleged to have drawn a knife when Sheriff Russell asked him where he wished his belongings to be taken. The Japanese said he had made gestures of cutting his own abdomen, indicating he would rather die than leave the camp.

He testified he had no intention of using the knife on anyone. Magistrate G. R. Trethewey is expected to hand down a decision today.

The Japanese evicted from the camp were "holdouts" of those moved from British Columbia's coastal areas during the war as a possible threat to Canada's security.

MEMORANDUM.

To: Mr. Johnston.

From: A. G. McArthur.

Re: ISOMURA, Mitsu (Mrs. Hirokichi) Deceased.
ISOMURA, Hirokichi.

in husband's name

In the process of signing a requisition for funds to reimburse the Japanese Division, Department of Labour for funeral expenses for Mitsu (Mrs. Hirokichi) Isamu, I have noted that this woman, who died on November 4th, 1945, left surviving two daughters now aged 17 and 19 respectively, in Greenwood, B.C. and a husband, Hirokichi in Angler Internment Camp. The credit of \$58.83 which we were able to apply on the funeral costs was derived from sale of chattels taken from 747 Powell Street where the family lived. A further list in the name of this woman appears on Internee File 155 and the proceeds from sale at auction of these goods have been credited to the husband's account. The account of the husband indicates a credit balance as of December 12, 1945 of \$555.85 after paying the balance of the funeral expenses. Over and above this amount this internee received through this office \$200.00 cash which money was found on his person at the time of his internment.

The wife and children have been, since evacuation, given relief in Greenwood although it would have appeared reasonable to expect this man to contribute to their maintenance as far as his funds would allow. I have today discussed the matter with Mrs. Scobie who states that this man's present credit balance is below the rehabilitation allowance and pending information concerning the repatriation of Isamura no effort will be made to have him contribute to the maintenance of his daughters. If however, the circumstances warrant the Department of Labour will make a request for provision of these minor children.

Gentlemen:

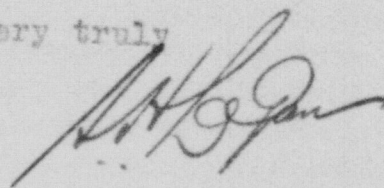

About a week ago I received a letter from you in regard to goods left with me by Mr. Isomura, Nov. 14th 1942 at that time residing at 747 Powell Street, Vancouver. I regret to say that somehow your letter has got mislaid or filed away in error and so far cannot be located. However until such time as I can locate your letter I desire to answer your question in regard to these goods: All the goods mentioned in the list you refer to are still on hand with the exception of:

1 piece Lead Line, about 66 fathoms, \$8.00
1 Anchor, chain and rope. \$6.00

The above two items have been sold by me at the prices mentioned by Mr. Isomura whom I wrote on March 3rd to Internment Camp 101, Base Post Office, Ottawa, asking if I should mail a money order for \$14.00 to him, but up to present have no reply.

I trust this letter will get to proper Department and I shall be glad to hear from you further.

Yours very truly
