1. The above named is at present in custody at the Canadian Immigration Detention Sheds having been arrested as an alien enemy. He is 33 years old and works as a logger with the Fernie Lumber Co., and resides with his wife, Tsuruye, and two small children at the company camp at Rolly Lake, B.C.
2. On Dec.12th,1941 the writer interviewed this man at his place of detention in an effort to obtain information which might later prove of assistance to the custodian of enemy alien property in the administration of his affairs. At the time of this interview the man was without any records and therefore only approximate figures are available.
3. Subject acknowledges that two bank books which are at present with his effects in our possession represent two bank accounts in his name. One with the Japan & Canada Trust Savings Co. No.KE941 shows a balance of only \$9.11 while an account with the Bank of Montreal, East End Branch, No.2052 has a balance of \$456.30. There is no safety deposit box in this man's name and he claims that there are no accounts under his wife's name.
4. This man has fully paid for a \$100.Victory Bond. Payment has been made from pay stoppage and the last payment was to have been made in November. Subject believes that his boss Y.Takimoto has the bond in the company safe. Subject has also purchased \$10. in war savings certificates, \$4.worth are at his house while his boss has possession of the balance. Kodama carries no insurance. He owns no property and lives with his wife in a camp shack. The furniture in this is owned by him and is worth about \$500. He has no car.
5. Kodama has no outstanding debts and states that his boss, Y.Takimoto borrowed \$600. from him in May of this year. Takimoto does not bear a very good reputation and it appears to be his custom to borrow from his employees. Moichi GODO, our file 41E269-946, also has loaned this man \$500.
6. The information contained above has not as yet been checked but an effort will be made to verify this with the cooperation of the local representative of the custodian of enemy alien property.
