Dear Sir:

Re: P/W A-356, AKADA, Yukio

In connection with the Internee's request for shipment of his Agfa Camera to Mrs. Ito Hori, we regret to inform him that we are not able to comply with his request as the article required cannot at present be located.

We have taken all reasonable measures for the protection of personal goods involving considerable expense in the employment of caretakers, watchmen and night patrol, but in spite of this, a certain amount of breaking-in and vandalism has occurred in our storages from time to time resulting in some items being stolen. It would appear that the Internee's camera might have been taken under such circumstances.

Burglary and theft are of course circumstances which sometimes happen to the most careful of property owners even when the owner is in residence and after taking every precaution against such possibilities.

The Police have been made aware of this situation and if the missing article should be recovered, he will of course be advised.

The Internee's request and a copy of this letter will remain on our files indicating the facts regarding this matter and be available for review at any future time.

Yours truly,
