NAME: NISHIKAWA, SHOZO

ADDRESS: 834 W. 6th Ave., Vancouver

REG. NO. 06329

Real Estate and Personal Property

1. Location: Form 'JP' shows Real Estate as 601 W. Broadway:- this property is owned by Annie W. Martin, 538 Lonsdale, North Vancouver. Nishikawa was renting corner store and rooms upstairs. We found it vacant and locked up. We called at 834 W. 6th, I was told that Nishikawa has gone to camp but they didn't know who had the key. We advised them to have the key turned in to the Custodian if they wished the furniture etc. to be looked after. They said the key may have been turned in to the Custodian's office.
2. Inventory: It seems probable that the family has a key and has been removing and using the contents. As the property is not owned by the Japanese, we could not gain entrance unless we were given a key voluntarily and then the locks would have to be changed to protect the contents. Dr. Martin says the contents are to be held for arrears of rent.
3. Recommendation: The most likely course seems to be to try to sell everything by auction or otherwise, pay the arrears of rent, and remit the balance to the custodian. (There is a very detailed list of contents, attached to form 'JP', but it is doubtful if everything is there now.)

RE File No. 467
Nishikawa, Shozo

Dear Sirs:

We are in receipt of your letter of April 14, enclosing keys to the property at 601 W. Broadway. We immediately visited the property and checked the inventory. The supplies found in the store were very old and dirty and of little value. We could not locate all the items listed on the inventory, although, most of the larger things seemed to be there.

In the living quarters we checked off the larger items, but could not find the smaller ones. There were seven boxes nailed and tied up, which probably contained the missing items but we did not open them.

We should like to receive specific instructions as to whether we are to store, or offer the contents for sale by public auction, advertising, or otherwise.

Yours faithfully,

H. E. Bond

RE File No. 467 - Nishikawa, Shozo

Dear Sir:

Re: 601 W. Broadway

We were advised this morning that this property had been broken into, probably over the last week-end. We immediately visited the property, and examined the contents in relation to the inventory which we checked on April 16. Very little appeared to have been taken. We noted that six kitchen knives were missing.

When we left the property last Thursday, we were very careful to see that all windows and doors were securely locked.

^{Baker}
Mr. G. B. Blake, who has been looking after the property for the owner, has nailed up the basement windows and put a padlock on the basement door. The next-door tenant advised us also, that a Japanese girl, a member of the family who formerly lived there, had also been in the building, although we have two keys to the back door. If the Custodian is to be held responsible for the goods in this building, then they should be moved immediately, but the question arises - where are they to be stored, and who is to pay the moving and storage bill?

Dear Sir:

Re: Nishikawa, Shozo - File No. 467,
601 West Broadway.

As instructed by you by telephone, we have sent a list of personal effects of the Japanese, along with the keys, to Crone Storage Company, and asked them to remove the contents to 992 Powell Street for storage, after contacting you. We enclose a copy of our letter and list, in duplicate, which we sent them. The following is a list of the equipment which still remains in the store at 601 West Broadway:

1 6 ft. Showcase	1 Roll Paper
1 4 ft. Showcase	Paper Bags
1 Cooler (Coca Cola)	1 Bread Case
1 Cigar Case	2 Scales
1 Ice Box	1 Mirror
1 Table	Glass Wear
3 Chairs	10 Cases Empty Bottles
1 Fruit Table	12 Empty Candy Bottles
2 Counters	20 Large Empty Bottles
1 Cash Register	

Pemberton Realty Corporation are handling this property for Mrs. Martin, the owner, and as no offer was made for the equipment in reply to our newspaper advertisement, we asked Mr. Walker of Pemberton's to try to get a tenant who would rent or offer to buy the equipment as listed above. Mr. Walker will endeavor to do this, and advise us accordingly. If no offer is made, the equipment will probably have to be stored unless the Japanese owner will accept an offer from second-hand dealer for the whole lot.

This has been a very difficult case due to the fact that the Japanese apparently walked off the property and left everything to the care of the Custodian without even securely locking the premises. For the purpose of record, we wish to advise you that the tenant next door told us that the property had been entered several times by burglars and the police had been called. He also told us that the Japanese themselves had entered the premises several times, although we held two keys. We visited the property several times and each time found small articles missing. The Japanese themselves may have

removed most of them or they may have been ^{stolen} stored. Each time we left, we made certain that all windows and doors were securely locked. From our last check this morning, there is missing a Bicycle, a Gramophone, some store equipment and kitchenware. We do not know whether the Japanese took all of these themselves. The property itself is very old and rundown, and is almost impossible to make burglar proof unless completely boarded up. The tenant next door told us that his watchdog awakened him several times during the night and he got up to find boys running from the property. However, it must not be overlooked that the Japanese retain a key and entered the property several times after vesting it in the hands of the Custodian. With reference to our letters of April 17th and 23rd, we do not believe the value of the missing articles would be very great.

We shall inform you as to the progress made in endeavoring to sell the store equipment.

Yours faithfully,

Dear Sir:

Re: Your File No. 467
NISHIKAWA, Shozo

Further to our letter of June 10, and as discussed with your office over the telephone, we obtained an offer from the Store Fixture Supply House, of 1260 Granville St., of \$57.50 for the Equipment as set out in the afore mentioned letter. No other offer was received.

The market at this time is flooded with this type of equipment due to sales of similar nature. Therefore, it is difficult to obtain buyers, and the prices quoted were wholesale prices. However, as the landlord, through Mr. Walker of Pemberton's, agreed to accept \$57.50 in full payment of all rent owing, and after a discussion with Mr. Shears of your office, it was decided to accept this offer and get the matter cleaned up, especially as the premises had been re-rented and the new tenant was demanding possession. The \$57.50 is made up of \$57.50 which is enclosed herewith, and \$10.00 which we forwarded to you on June 11.

We don't know whether you have any other claims on file against this particular Japanese, but in view of the fact that the public had been warned by advertisement that all claims against Japanese must be registered with the Custodian, and as Nishikawa in his own declaration stated that he did not have any outstanding trade debts, we do not feel that there should be any responsibility concerning any claims which have been registered in this particular case.

As this appears to wind up this troublesome case, we enclose our account for services rendered.

Dear Sir:

Re: Nishikawa, Shozo - File No. 467 -
601 West Broadway.

Further to our letter of June 10th, we went to 601 West Broadway with Crone Storage at 1:15 today, and removed all the personal effects with the exception of a cook stove downstairs, which was sold for \$10.00. Our cheque is enclosed herewith.

While we were removing the goods, the owner, Mr. Shozo Nishikawa, came in and stated that he wished to remove certain of his effects and that he had been to the Custodian's Office this morning to make arrangements. I asked him why he had waited all this time before taking such action, and he said that he had not understood that he could remove some of his effects. As most of the goods were on the truck at the time, everything was taken to 992 Powell Street, and I advised Mr. Nishikawa to get permission from the owner if he wished to take any other personal effects.

The tenant next door offered to buy the stove for \$10.00, and Mr. Nishikawa accepted and signed a Bill of Sale which we have on file, payment for which we are forwarding to you to apply on arrears of rental instead of giving it to the Japanese. Mr. Nishikawa will probably go down to see you tomorrow regarding his effects. The store equipment, as stated in our letter of June 10th, is to be sold and the proceeds applied on account of arrears of rent.

In addition to the items listed in our former statement, there was also removed:

- 1 Dresser
- 1 Toy Wagon
- 1 Camp Gas Stove
- 1 Kitchen Table
- 4 Kitchen Chairs

The small stove as mentioned in the former lists, was not removed as it was too rotten to take down and would have only fallen to pieces.

Yours faithfully,

W. E. Bond

CHATTEL SUMMARY

Re: NISHIKAWA, Shozo, Reg. No. 06329.

The above declared a large quantity of chattels both in the store and living quarters of 601 West Broadway.

From reports given to us by the Canada Permanent Trust Co., on several occasions, it appears that the Japanese returned on several occasions to take some goods and also that the premises were repeatedly broken into. The Canada Permanent Trust Co, advised, however, that it did not seem as though much had been stolen.

The chattels, with the exception of the store fixtures, were moved to 992 Powell St., on June 8, 1942. The store fixtures were sold by the Canada Permanent Trust Co. to the Store Fixture Supply House on June 22, 1942 for the sum of \$57.50. NISHIKAWA, on the day of the removal of the goods from 601 West Broadway, sold the stove for the sum of \$10.00. This was remitted by the Canada Permanent Trust Co. This sum together with \$57.50 were remitted to Mrs. Anna Martin, the landlord. She accepted this in full settlement of her claim for rent which amounted to \$102.50.

NISHIKAWA was allowed to take from the Warehouse 1 Sewing Machine, 45 Gramophone Records and other personal property, being chinaware and kitchen utensils. The rest of the chattels stored at the Warehouse were sold by Auction. Some of the items have not been accounted for, but as no list is available of what was taken by NISHIKAWA in June 1942, it is quite likely that some of the items unaccounted for were among these.

Turning to the school supplies and groceries declared, it is presumed they were all disposed of by the Japanese as the Canada Permanent Trust Co. do not mention them.

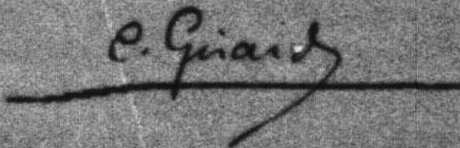

Inventory No. 538, May 24, 1944, lists 1 large shrine and 4 Boxes. These were evidently goods kept aside at the time of the first auction, Auction 21. A basket, books and a Canvas bath were sold in Auctions 58 and 60. Mr. Wills states that nothing now remains in the Warehouse so it can only be presumed that the rest was discarded as valueless.

It is also to be noted that certain things were found to be of no value and were discarded by the Auctioneer, May 31, 1944.

The Japanese did not at any time enquire about his chattels. He has returned to Japan.

This summary is certified to be in accordance with the information on file.
