Dear Mr. McPherson:

Re: Kazuo Kobayashi.

This man has been an agent of ours attached to our office in Vancouver, and I believe that now he is interned in Petawawa, his number being P.1312.

I believe that Mr. A.L. Wright, our Branch Manager in Vancouver, has most likely talked to you already about this man.

Our agents are purely salesmen and operate under individual contracts with us. Each contract provides for remuneration by way of commission depending entirely upon the business produced; renewal commissions are payable under certain conditions for a limited number of years.

It is our practice to immediately cancel the contract of any agent who is interned. Under such circumstances, if he has qualified under the terms of his contract, renewal commissions continue to be payable to him and are, of course, paid over to the Custodian.

In the case of Kobayashi, he did not quite qualify for the continuation of renewal commissions after cancellation of his contract. Accordingly, we are under no obligation whatever to him and he has no legal claim upon us for renewal commissions henceforward.

The senior officials in our Agency Department, however, feel that, because in the past Kobayashi has been such a good servant of the Company, they would like to make an allowance to his wife who has, presumably, been left behind in Vancouver. This allowance would be equal in amount to the renewal commissions which would have been payable to Kobayashi had he qualified under his contract.

I feel sure that from a strictly legal point of view we are perfectly at liberty to make ex gratia payments to Kobayashi's wife but we do not want to take any action which might appear to be an evasion of the Trading with the Enemy Regulations, and I have been asked to clear with you before we proceed to make these ex gratia payments to Mrs. Kobayashi.

The story that has reached us is that Kobayashi was given the

choice between being interned or doing road work or something of that sort for which there would have been some remuneration. We are informed that he voluntarily chose to be interned. This is difficult for us to understand and, if the facts of the case are that Kobayashi is a bad character and was involved in actions of a subversive nature, then we would very definitely not feel so sympathetic towards his wife and family. I should appreciate it very much indeed if you could possibly tell me whether or not Kobayashi should be regarded as a dangerous man or if he is simply under custody as a normal measure of precaution.

Kindest personal regards

Yours faithfully,

F.J. CUNNINGHAM,
Secretary.

FJC:VL.

P.S.

The payments that we would be making to Mrs. Kobayashi cannot be determined in advance but would probably be in the neighbourhood of $1,000. in the first year running off to zero after the sixth year.

Mrs. K. Kobayashi

Dear Sirs:- Mrs. Akasanaka.

My daughter Jean Kobayashi had a operation for Appendicitis by Dr. M. C. Harrison at Van. General Hospital. I am very grateful for the saving of my daughter's life and I would like to pay for the operation she had. But since I haven't got any money and my husband Kazuo Kobayashi (N.P 1312.) is in the enterment camp at Pitawawa Ont.

I have no other means of repaying it.
My husband's property was taken over
by the Custodians so will you be kind
enough to pay the amount owing to Dr.
M. E. Harrison from it.

Yours truly,

Sir:

Re: P-1312 - KOBAYASHI, Kazuo.

As a Japanese national and an internee I think I have nothing to say what to be done with my assets at present. Except the Custodian will do what he thinks proper under the circumstances. But in turn I will do what I think fit and am entitled to through the Japanese Government after the end of present war.

My $25.00 War Savings Certificate, Dunsmuir Mining Co., and Gold Belt Mining Co shares are at 557 East Cordova St. Vancouver, and I am expecting my 1940 Tax refund of $10.92 from the Provincial Assessor, Vancouver, B.C.

The amount of $94.85 is a cheque from the Dominion Government which already credited to my canteen fund account of this camp.

The bank which I do business with is the Bank of Montreal, MAIN & HASTINGS Sts., Vancouver, B.C.

My office has been leased by Sun Life Assurance Co. of Canada, Royal Bank Bldg., Vancouver as a Japanese office up to MARCH 1943. As any information can be available from them. And about rent of 557 East Cordova St. there is not any arrears, however information can be get from my wife.

For your reference I submit above information.

Yours faithfully

K. Kobayashi

Dear Mr. McPherson:

Re: Kazuo Kobayashi

We are enclosing herewith triplicate copies of a statement for the signature of No. 1312, Kazuo Kobayashi, now interned at the Petawawa Internment Camp, Petawawa, Ontario, which we would appreciate your having Mr. Kobayashi sign before an authenticated witness and return to us.

The procedure that we are following in this case is very similar to what we follow with enlisted representatives, namely that we desire to have on record official authority permitting the payments to be made to the wife of the agent. As already explained to your verbally and by correspondence, Mr. Kobayashi is not entitled to any renewals under his contract, but it is our Company's desire, because of his long service, to make allowances which will be helpful to his family during his period of interument.

A card received from him only yesterday indicates that there is apparently a need for some extra money because his daughter has recently undergone an operation for appendicitis.

We would appreciate your arranging for the signature of these documents and return them to us at your earliest convenience.

Yours faithfully,

A. L. WRIGHT
Branch Manager.

However, should the Sun Life Assurance Company of Canada be prepared to continue as an ex gratia allowance, the payment in whole or in part of renewal commissions under the said contract, I hereby request and authorize the said Company to make all such payments to my wife,

Re: P/W A-445, KOBAYASHI, Kazuo

In reply to your memorandum of the 5th, Mr. Ellis apparently arranged for the removal of the chattels from 366 Powell Street to 604 East Cordova Street.

Mr. Ellis also states that the owner of the house formerly used by the above, is claiming a bill for storage of $80.00 i.e. $16.00 per month for five months, to cover the storage of the chattels which Mr. Kobayashi left behind at 366 Powell Street. However, the owner a Mr. Thompson has not presented the bill.

We have recently sold the internee's car which brings his credit balance to $540.08. In addition to the above, we hold the following assets:

War Savings Certificate---#C64240----------$25.00
Certificate #4380 Gold Belt Mining Co. - 500 shares

As we have funds to liquidate the above debts, will you please let me know if I may write to the internee for his permission to pay them.

approves Ellis

The internee is claiming assets to the extent of $19,305.80 which would appear to be grossly exaggerated, for the only property which has not been appraised consists of chattels which have been removed to storage.

Re: Letter to P.O.W. #445 - KOBAYASHI, Kazuo.

As requested I have paraded the contents of the letter to the above internee, and he made the following statement;

In answering to the letter from the Custodian, dated on December 17, 1942, I would like to state that under the circumstances I have practically no income, except my accrued commissions from the Sun Life Assurance Co. of Canada, Vancouver, B. C., which I have already assigned to my wife with the consent of the Custodian for the living expenses of my family, as they could not get any financial assistance during their stay in Vancouver, B. C. This commissions account, however, will decrease sharply in about from the begining of next year, because there were no new business to derive second year commissions on account of the war, also more cases of nonpayment of premiums from policyholders are expected.

Up to the present time my evacuated wife and three children at 50 Elm Ave., Lemon Creek, Slocan, B. C. are not receiving a single cent of financial support for their living expenses from outside source, but keep living with my assigned commissions, which of course, cannot be deemed more than enough for them to live.

I do not know when the present war will end, but on the lack of financial aid to my family as the most of the other families are for living expenses, I think it is quite natural that I have to keep every available dollar towards the maintenance of my family.

The way I met for my previous just debts could be traced even in the records of the General Hospital, in which I had accounts in June 1929, September 1933, and March 1935 for the births of my children, also June 1936 for an appendix operation of my son, which were all settled on the days of discharges, also at Hudson's Bay or Spencer's accounts, or my records with the Sun Life of Canada, all of Vancouver, B. C.

It is my earnest desire to pay the debts mentioned in the letter, especially doctor's and hospital's, however I would like to leave the settlement of these two first mentioned debts until I got back to my gainful occupation again, therefore, under the circumstances I cannot approve to liquidate them. Of course I feel very sorry for not settle these as I did before with some funds on my credit.

Custodian's view in this connection will be much appreciated, that is on the case of an interned Japanese national with emergency claims against him, beside responsibility to look after his family, and a Japanese wife and her Canadian born children, evacuated according to the Government's Regulations struggling at one of the ghost towns, depending only on a small income and funds of an interned husband without knowing the definite period of her heavy burdon ahead.

At present I have no intention to pay my insurance premium as I am expecting that the policy will automatically keep in force for about two more years.

I cannot accept the offer for my kitchen stove at the price mentioned. I[redacted]. I referred this to my wife.

I I wish that the Custodian will let me have the itemized statement of my present account at his earliest convenience, it seems that my automobile has been sold recently, which was not so about two months ago, otherwise I do not have funds with the Custodian as much as mentioned in the letter.

December 22, 1942.

Dear Mr. Gibson: Re: Policy No. 2,072,321 - Kobayashi, K.

In reply to your letter of the 21st instant we are pleased to furnish you with the desired information as follows:

The policy has been carried in force under the automatice premium loan provision since June, 1934 and in 1941 it became necessary to use the Bonus Additions to increase the reserve of the policy to keep the insurance in force. The total premium loan debt as at June 1st, 1943 amounted to $893.79, plus an additional premium due June 1st, 1943 of $76.70. The Bonus Additions at that date amounted to $230.00 and the equivalent cash value of $159.39 as mentioned have been used for the purpose of increasing the reserve, thus keeping the insurance in full force and effect until the next anniversary date.

We have noted on our records that the above policyholder is not prepared at this time to make any payment on account of the accumulated indebtedness, in which case the cash value of the Bonuses as mentioned will not be available to the policyholder in cash.

Will you kindly pass this information on to the assured.

Yours faithfully,

Re: P/W. 445 KOBAYASHI. Kazou

Receipt is acknowledged of your letter file 479 dated 8th March 1943 regarding m/n

The m/n was ~~###~~ paraded and he states that the money has been actually loaned by Mr Shosuke NAKADO formerly of 300 East Cordova St, Vancouver. B.C.an agent for the Sun Life Assurance Co of Canada, who died on or about March 30th 1942 at the Grandview Hospital. Vancouver with mortgage on the Internees property at 353 East Cordova St, Vancouver which later sold to Mr Tasaburo CHAKI the tenant at the time and fish market owner at two hundred Block Powell St Vancouver. with the consent of Mrs Sawayama up to the time of his apprehension as far as he knows. Therefore, he further states that Mrs Sawayama should claim the debt against to Mr Chaki instead of the internee, or apply foreclosure on the property and not to the internee. The deal being made through an agent Mr Seikichi He consequently wishes that the Custodian will comply with his request made in his letter of the 4th inst.

INTERNMENT OPERATIONS

PRISONER OF WAR BUSINESS LETTER

SHEET ..... OF .....

FROM No. 445
NAME KOBAYASHI, Kazuo
CAMP 101
Angler, Ontario.
DATE August 21, 1944.

TO: Hon. Pedro E. Schwartz,
Consul General of Spain
1155 Metcalfe Street,
Montreal, P.Q.

Sir:

I shall be much appreciated if you will kindly give your prompt assistance in obtaining my funds to my account in this camp from the Custodian under the following circumstances.

On August 10th, 1944, I had asked to the Custodian, Vancouver, B. C. to send twenty-five dollars to be credited to my account here from my credit, which is now under their custody. However, received a reply dated on Aug. 19th, that since my radio, which was in custody at the RCMP, Vancouver, B.C. been sold and credited the proceeds amounting to $55.62 to my funds there, the Custodian will hold my request until the delivery of the R.C.M.P. receipt for the radio to them (the Custodian).

The sale of my said radio of course, was made by the Custodian without my knowledge and consent, therefore, I am very strongly against the method they had taken and the amount at which it was sold.

Now the Custodian went further on the matter by giving me a written notice of intimidation as stated above, and trying to hold my requested amount, which will provide for the purchase of my daily necessities, and is an only priviledge I could enjoy under the circumstances, as you are well know. Judging from the action the Custodian is taking in my above subject, I am in a opinion that they will apply the same method of persecution by refusing my request, which I must ask them in a short time for the cost of text books for my eldest son, who successfully passed his June exams for high school. And by doing that they of course, will enjoy by making hindrance to the way of education to my Canadian-born child as one of the routins of persecution to our race, but he has to suffer without any sound reason.

For your reference, I wish to state that the Custodian had never asked me the receipt of my automobile, which was taken to the Hastings Park, Vancouver, B.C., according to the regulations, and after was sold without my knowledge and in my strong protest, then credited the proceeds to my account with them had established precedent re receipt. Moreover, I know cases radios have been sold without asking their owners' consent and receipts, but proceeds beencredited to respective accounts.

I therefore, wish you will kindly take the matter up with the Custodian, and demand them to meet my request of August 10th, also wish you will notify the method the Custodian taking on us to the Japanese government, for their reference and attention relative to the treatment of prisoners of war under their jurisdiction.

And I wish you will obtain the <u>full detailed statement of my account</u> from the Custodian, also let me have your opinion for the delivery of my radio receipt to the Custodian in the presence of my strong protest on the sale and the above mentioned precedent.

Thanking you in anticipation for your kind attention.

MEMORANDUM TO: MR. K. W. WRIGHT

FROM: MR. G. H. PEERS

RE: P/W A-455, KOBAYASHI, Kazuo, and
Letter to Spanish Counsel

This man was formerly a Life Insurance Agent for the Sun Life Assurance Company and at the inception of his file is an authorization by Mr. G. W. McPherson to the Sun Life to pay to the Internee's wife any ~~materials~~ they desired. These payments were to cover renewal commissions which were not legally payable by the Company to Kobayashi. We have no complete record of the payments made by the Sun Life to Mrs. Kobayashi.

In this man's Statement of ~~Adjustments~~ Assets, he claims $16,288.51 for assets described as 8,000 family history records, 9,000 policy records, address books, wall map, adding machine, typewriter, scale, safe and stationery. The office furniture is in Custodian storage.

This man's letter of June 19th, 1942, reads in part as follows:

"As a Japanese national and an internee, I think I have nothing to say what to be done with my assets at present, except the Custodian will do what he thinks proper under the circumstances, but in turn I will do what I think fit and am entitled to through the Japanese Government after the end of the present war".

In regard to the appendix operation performed by Dr. E. Harrison on the Internee's daughter, the Doctor's fee of $150.00 was settled in full for $100.00.

The attached Statement of Account shows that we have executed several commissions to purchase for the Internee or his family, text books and a fountain pen. Several other items were requested by the Internee but we were unable to buy them as they were not obtainable.

All requests for remittances made by the Internee to be sent to his family or himself have been complied with up to the last request. It has been the policy of our Protection Department not to release funds derived from the sale of radios until the R.C.M.P. receipt was delivered to the Custodian. The purpose of this policy was to make certain that the proceeds of the sales of radios were credited to the proper parties.

The Internee's balance is at present $55.62, of which $39.67 was derived from the sale of his radio. We could send him a cheque for $15.95.

Re: P/W A-445, KOBAYASHI, Kazuo

Dear Miss Carroll:

We have your communication of the 6th instant, enclosing copy of letter from Colonel H. N. Streight, Director, Prisoners of War, as well as a copy of a letter from Kazuo Kobayashi to Hon. Pedro E. Schwartz, Counsul General of Spain.

Herewith you will find a Statement of Account, in duplicate, which shows that we have executed several commissions to purchase for the Internee and his family, text-books and a fountain pen. Several other items were requested by the Internee, but we were unable to buy them as they were not obtainable. All requests for remittances made by the Internee to be sent to his family or himself have been complied with up to the last request.

We wrote the Camp Commandant, under date of August 15th, 1944, with reference to the receipt handed to Kobayashi by the R.C.M.P., and asked that it be forwarded to this office. It has been the policy of our Protection Department not to release funds derived from the sale of radios until the R.C.M.P. receipt was delivered to the Custodian. The purpose of this policy is to make certain that the proceeds of the sales of radios were credited to the proper parties.

The Internee's balance is at present, $55.62, of which $39.67 was derived from the sale of the radio. We could send him a cheque for $15.95.

Kobayashi has little to complain about. Please note in regard to the appendix operation performed by Dr. E. Harrison on the Internee's daughter, the Doctor's fee of $150.00 was settled in full for $100.00.

This man was formerly a Life Insurance Agent for the Sun Life Assurance Company and at the inception of his file is an authorization by Mr. G. W. McPherson to the Sun Life to pay to the Internee's wife any gratuities they desired. These payments were to cover renewal commissions which were not legally payable by the Company to Kobayashi. We have no complete record of the payments made by the Sun Life to Mrs. Kobayashi.

In this man's Statement of Assets, he claims $16,288.51 for assets described as 8,000 family history records, 9,000 policy records, address books, wall map, adding machine, typewriter, scale, safe and stationery. The office furniture is in Custodian storage.

We would also like you to note the contents of a letter we received from Kobayashi, under date of June 19th, 1942, reading in part as follows:

"As a Japanese national and an internee, I think I have nothing to say what to be done with my assets at present, except the Custodian will do what he thinks proper under the circumstances, but in turn I will do what I think fit and am entitled to through the Japanese Government after the end of the present war".

We suggest that this man be advised to send us the receipt which he holds and the funds at credit will then be available.

Re: P/W 445 KOBAYASHI Kazuo

Receipt is acknowledged of your letter File 479-A dated September 18th. 1944 re the m/n.

The Internee states:

"I wish to state again that I know definite cases where internees' radios have been sold without their knowledge and consent as in the case of myself, but they are getting their part of their funds without requesting their R.C.M.P. receipts by the Custodian.

Since the Custodian is the govermental office, I believe that their system in the same subject should be uniform. Therefore, I cannot understand why the Custodian requested the receipt to myself alone and not to others. Moreover if the said receipt is so essential material to the deal of my radio, I believe that the Custodian should get the consent of the owner (myself) and the receipt at the first place.

I never asked to sell my radio or consented for the sale, therefore I wish to reverse the sale, and by doing that I believe also that the Custodian will be relieved at least one case of undemocratic action of selling ~~thru~~ a property without it's owner's consent.

I have referred this case to the representative of the protecting Power for his consideration and attention as mentioned in my statement of Aug. 21 1944, but have not had enough time to get his answer, however, under the circumstances I believe that the Custodian is applying me entirelyawrong procedure at the first place, then discriminatory action.

Therefore if my certificate in the Canadian Mutual Benefit Association 905A lapsed on account of nonpayment of the annual dues due to the present attitude of the Custodian, I definitely will hold the Custodian responsible.

I wish that the Custodian will send $25.00 to my account here as I have asked in my two previous requests, also send $5.00 to my wife as my todays request contained in the Prisoner of War Business Letter.

Re: J.445 - KOBAYASHI, Kazuo.

The above named internee is complaining respecting the handling of his funds in your hands. He states that he has received a letter from your representative in Vancouver informing him that annual dues to a Mortuary Trust Fund were payable on 30th September but that the Custodian was objecting to paying the $2.00 dues unless the internee forwarded a receipt for the proceeds of the sale of a radio. The Internee's letter is not entirely clear but we have had some correspondence respecting him and just recently forwarded to the Consul General a statement of Kobayashi's account showing present balance and how that balance was arrived at.

I should appreciate it if you would let me have such information as is available respecting this account and also inform me whether or not there is any reason why the Custodian should not pay this small item when the internee has a credit balance. I realize th t the man has been, and is being very difficult; certainly his letters are far from reasonable; it does seem, however, that this request is not unfair and that he might have a just cause to complain if his membership lapses as a result of the failure of your representative to forward the money.

Dear Miss Carroll:

Re: P/W A445 - KOBAYASHI, Kazuo

In reply to your letter of the 6th instant enclosing copy of the Department of External Affairs letter of the 2nd instant, we beg to advise you that since our letter to you of September 11th last, we paid on September 27th this man's Canadian Mutual Aid Association Mortuary Trust dues of $2.00 and on September 25th remitted the sum of $5.00 to the Internee's wife at his request. This leaves a balance to his credit of $48.62, of which $39.67 is derived from the sale of his radio.

On the 4th instant we wrote the Commandant at Angler as follows:

"In reply to your letter of September 22nd last, we beg to advise you that we have remitted the sum of $5.00 to Mrs. KOBAYASHI as requested, and have also paid the Internee's annual dues of $2.00 to the Canadian Mutual Aid Association.

In regard to the R.C.M.P. receipt for this man's radio, our purpose in requesting that he forward it to us is so that it can be used as a means of identification to insure that the proceeds of the sale of the radio are credited to the correct account.

However, if the Internee refuses to deliver the radio receipt to the Custodian, we would suggest that he produce it for your inspection. You can then forward to us the full particulars of the radio, given on the receipt, including the receipt number. Provided the information given on the receipt

identifies the radio owned by the Internee with the one which has been sold, we will then release the proceeds of the sale."

We hope that the method of handling this matter will meet with approval.

Yours truly,

The Under Secretary of State

Dear Sir:

Re: J. 445 - KOBAYASHI, Kazuo

With reference to your letter of October 2nd, I wish to advise that enquiries have been made of the Custodian's Vancouver Office.

The Vancouver Office did remit $2.00 on September 27th to pay the Canadian Mutual Aid Association Mortuary Trust dues and on September 25th they remitted the sum of $5.00 to the internee's wife as requested by him. This leaves a balance to his credit of $48.62, of which $39.67 is derived from the sale of the radio.

So far as the Custodian is concerned, he has endeavoured to identify the radio sold with the radio surrendered by this internee to the R.C.M. Police and the proper way to do this is by obtaining the receipt given by the R.C.M. Police to the internee. The Custodian, therefore, requests that this internee either forward the original receipt or a certified copy of same to the Custodian's Vancouver Office. Otherwise, the sum of $39.67 derived from the sale of the radio and standing to his credit, will be placed in a suspense account until it can be definitely determined that this credit results from the sale of his radio.

As regards the Custodian's position vis-a-vis this internee; it being assumed that the internee was interned because of subversive activities; he is now classified as an enemy under the Custodian's Regulations and the Custodian, as a matter of grace, has made payments on his behalf. The Custodian, therefore, feels that the internee should co-operate with him in matters of this kind.
