A couple named Harrison came to see me and asked if I was for sale. I gave them your address and told them to write you.

I asked Mr. Harrison if he would be willing to pay the price and with your permission to dispose of anything that was left. I was surprised in writing to hear that after the property was sold, by the owner, before they left.

 Office of the Custodian,

 VANCOUVER, B. C.

Dear Mr. Drewry:

re Mariiwa Yoshio - Registration
 No. 12153 - File No. 74

The enclosed letter from Mrs. Anderson was received at Victoria during my absence at Ucluelet following my assistants' investigations of the Bamfield properties the reports for which are now in course of preparation.

The information in Mrs. Anderson's letter regarding the sale of House No. 1 is practically the same as she gave when my assistant called upon her at Grappler Creek which is the locality of the house in question. Mrs. Anderson is a near neighbour and exhibited a letter bearing the signature of four Japanese names appointing her as their agent to look after their properties and I believe Yoshio Mariiwa signature was one of the four. I note that in the Registration form that the key to the house was left in her possession.

A description of the lot is not given in the declarant's registration form but a search at the Land Registry Office at Alberni indicates that declarant is the owner of : -

Part Lot 3, Block B, Section 20 T. P. 1,
 Map 2486.

The declarant apparently has the title in his possession. The assessed value of the land is \$100.00 with no assessment on the improvements. (The house was erected about two years ago I was informed). Taxes are now owing for 1942 of \$2.00.

G. L. Drewry, Esq. - 2.

28th May 1942.

Apparently prospective purchasers are anxious to buy the house to move and there is a good deal to be said in favour of the points raised by Mrs. Anderson regarding the condition of the structure and particularly so if the house is vacant any length of time. There are two alternatives ~~and to each one I have added an expression of my opinion.~~

1. Rent the house to a reliable tenant
\$6.00 to \$8.00 a month
2. Sell the building at a price to realize
net \$275.00/\$300.00 (cash)
3. Sell the lot and the building for
\$350.00/\$400.00 (net) suitable terms

I think Mrs. Anderson would be a suitable person to pack and store the contents if a sale is made or a tenant secured.

My report to you when completed will embody the above ~~expression and opinions~~ as my recommendations.

Yours faithfully,

R. G. Hinton

Mr. Duxton

Dear Sir,

The owner of No 1, Japanese house. tried to sell his house before he had orders to leave, several people looked at it, but thought the expense to move it would be too great. he was asking \$250-00 for it, then he had a telegram from Vancouver, not to sell it, as he would need it when he came back,

A Couple named Duxton came to see me, and asked if it was for sale, I gave them your address and told them to write you,

It is an unfinished house standing on posts not more than 8 inches through, when the tide is high the water comes up to floor, the posts are being eaten away at the bottom, pretty soon with the weight of the house, the posts will snap, and the house will come down smashing on the rocks, and it would cost more than the house is worth to have it raised. these people know it was offered for \$250-00 and are well to pay that also move it as soon as they can, I think it would be wise to sell.

I stated to Mr Edwards, I would be willing on your behalf and with your permission to dispose of anything that was for sale, I was appointed in writing, agent to look after the Japanese property, by the owners, before they left.

This House No 1, if you are willing to sell, I would, with your permission have to list all personal effects, and put them

in boxes, I would also have to label any other articles of furniture etc, and move them in to one of the other Japanese houses. I will try and get \$45.00 for house, as I told Mr Edwards, I would sell on commission, at 10 per cent.

There is also a canoe, there are two but one is pretty well cracked and is not seaworthy, the other has been patched, but they are outside and could easily be pilfered, the school teacher came up and asked if it was for sale, I told him I would write you and find out, it is worth 7 or 8 dollars, I will try and get as much as I can for it, if you advise to sell. so would you be so kind as to let me know as soon as possible. I looked after and kept clean these houses, but they are in a terrible condition now, as Mr Edwards, had to take things down, which have been laying in dust and dirt for sometime, I said I would clean them all up again, Mr Edwards said I could go ahead as soon as I had your permission, I trust all this meets with your approval, and that you will pardon the liberty I have taken in making any suggestions. Thank you.

Dear Sir:

Re: P/W P-1284, NARIWA, Yoshio.

According to the statement of assets and liabilities submitted by the above noted Internee, he states that he owns a house and lot at Bamfield, B.C. Would you be kind enough to ask him if he could let me have the legal description, or sufficient description if he has not the legal description that will help me to place the matter in the official records.

Would you please also ask him for his views as to the disposition of his fishing equipment and household fixtures. Does he desire that these remain where they are or should I take steps to realize them by advertising them for sale and accepting the highest offer.

Office of the Custodian,
506 Royal Bank Building,
VANCOUVER, B. C.

Attention Mr. C. L. Drewry.

Dear Sir:

re: Yoshio Mariiwa. Registration No. 12153.
My File No. 74.

In accordance with your instructions I have investigated and taken control of the property of the above man as recorded on his registration form as follows:

Real Property:

"1 lot, near Cable Station, at
Bamfield, B. C."

"1 four room house."

Personal Property:

"Chairs, bed, carpet and carpenter's
tools, fisherman's equipment, all left in the
house."

In connection therewith I have to report as follows:

Location:

The property is situated about a mile from the Cable Station at Bamfield, B. C., on the west side of a small inlet. The locality is known as Grappler Creek. It is an isolated spot and accessible only by boat from Bamfield. There are a few other white fishermen living nearby who are property holders or squatters. A rough plan, showing all the Japanese houses and the reference number to this house, is attached.

Land and Buildings:

Land:

The house is erected on the foreshore of Pt. 3, Block B, Sec. 20, Tp. 1, Map 2486.

According to the records of the Provincial Assessor's office, Alberni, B. C., Y. Mariwa is the assessed owner of the land. The assessed values are:

Land	\$ 100.00
Improvements	--

Size - 2.9 acres.

Taxes amounting to \$2.00 are paid for 1942.

The rocks on the land at the rear of the buildings are precipitous and rise to a height of thirty to forty feet from the shore line. On the top there is a heavy growth of brush and small trees, and cultivation would be difficult.

Building:

This is a four-roomed bungalow built on piling on the foreshore. No toilet or outside buildings. No water, no chimney. There is a landing wharf. The house was constructed about two years ago and is in good condition both inside and outside. It has a possible rental value of \$6.00 to \$8.00 a month unfurnished--if tenants could be found who would live in the district.

One or two prospective buyers have made enquiries to buy the building and move it.

The building as it stands might realize \$275.00 to \$300.00, and the building and lot \$350.00 to \$400.00.

Mr. John Ostrum of Bamfield was at one time interested in buying the house to move for about \$200.00.

Caretakers:

The Japanese occupant of this house appointed Mr. and Mrs. Andersen as caretakers of their property and personal effects. I attach a copy of a document handed to me by Mrs. Andersen when I inspected the premises. Mrs. Andersen lives close by and has offered to be of assistance in any way possible. She claims to know practically all of the Japanese families who lived in this vicinity.

Personal Property:

I attach a detailed inventory of the articles found on the premises. The document did not mention in detail in the registration form what he took on the premises.

Insurance:

The building is not insurable.

Liabilities:

None are recorded.

Special Action Taken:

A special search was made around these premises to look for fishing boat equipment which might have been removed from fishing boats and not placed in safe storage. No gurdies were found.

Perishable Properties Realized:

There were approximately 4 1/2 cords of Wood cut and stacked in a shed close to the water's edge.

Sold for - \$12.75

The proceeds have been remitted to you.

1 only 4" Wood Boring Line (1000 ft.)

3 only Reels of Halibut Line

1 only 50 lb. Anchor, new

1 only 50 lb. Kedge Anchor, new

1 box 100 lb. Lead Line

1 box 95 lb. Lead Line

2 only 5" Gurdie Blocks

2 only 3" Gurdie Blocks

50 lbs. 1" Manila Rope

for which I hold their receipt.

Recommendations:

I recommend:

1. That Mrs. Andersen be confirmed in her appointment as agent and caretaker.
2. That any offer to purchase this house, with or without the land, should be submitted to the owner.
3. That Mrs. Andersen be requested to endeavour to find a tenant if the house is not sold.
4. That the contents of the house be removed to drier storage if the house is not rented or sold.

Yours faithfully,

Dear Sir

Have received your letter dated July 15, advising me to forward the money which I received from the sale of my brother's boat amounting \$2,000.00

As you know, my brother has a house and lot at Danfield B.C. Through my ignorance, I did not know that I had to pay the tax ~~on~~ in April. Enclosed herewith please find money order of \$2.00 for 1942 tax.

I can not forward you the money because I have spent most of brother's money. You do not have to worry about the tax because I will not forget to pay the tax every year.

Hoping this information will be satisfactory to you.

Yours truly

Dear Sir:

Re: Five houses at Grappler Creek

On the recommendation of Mr. Hinton of Victoria, we are writing you to ask you if you would act as our agent in taking care of the five houses owned by Japanese at Grappler Creek. These were owned by Yoshio Nariwa, Iwakazu Kakiuchi, Yoshikazu Kawaguchi, Heijiro Hiraoka, and Funitaka Takeuchi. We understand the keys of these premises are in possession of Mrs. A. Andersen, and if you are willing to act on our behalf, this will be your authority to obtain these keys from her.

Will you kindly rent these places if possible and if you decide to act as our agent, we will send you the necessary instructions.

Please note that Yoshio Nariwa and Iwakazu Kakiuchi are Internees and any correspondence in connection with these two parties should be addressed to The Office of the Custodian, 501 Royal Bank Building, Vancouver.

Dear Sir:

Re: P/W A-1284, NARIVA, Yashio.

The above named is the owner of a four-roomed house at Grappler Creek and an offer came in about three months ago and the internee decided that he would not sell for \$250.00.

We have now received a letter from our agent to the effect that he has an offer of \$450.00 cash for the house.

Will you be kind enough to parade the above named and let us know if he wishes to accept this. Apparently the house is unfinished and is standing on posts. Unless this place is attended to, the posts are likely to snap and it is therefore suggested that he has it moved soon. The above offer does not include the land, as the prospective purchaser wishes to remove the house to Benfield Creek.

Your early attention to this matter will be appreciated.

Yours truly,

Dear Sir,

Are any of the Japanese houses for sale. I have an offer of \$450 cash for Mariwa Yoshio's house. This house is not completely finished inside. This does not include the land as the intended buyer wants to remove it to Bamfield Creek. I think I could also sell the 500 feet of lumber that is under Kawaguchi's house. *should be sold*

I would suggest that you take into consideration the time that must elapse before the Japs are allowed to return here, if ever, so it might be advantageous to dispose of what we can outside of personal effects rather than leave them to rot. I await your instructions.

The renting of the houses, I am afraid, will be difficult as Grappler area is out of the way and no one is desirous of living there, however I have posted rental notices in the three stores here. I am of the opinion that if the houses are unoccupied they will materially deteriorate during our wet winter season. The chimney in Kawaguchi house has already rusted so badly that it has fallen to pieces and left a big hole in the roof. I will try and patch the roof.

The Japanese Ichi informed one of the men here he had a letter from the Japanese ^{*Consul*} saying that they would lose all but the Japanese Government would start them afresh after the war. I pass that on in case it may be of assistance in forming your decision re sale etc.

Faithfully yours *R.C. Whippard*

With further reference to your communication of the 5th instant, we have a letter from the Camp Commandant today as follows:

"The contents of your letter has been conveyed to the above internee, and he agrees to sell his House only for \$450.00 Cash.

He wishes the fishing equipments, which are stored inside his house, placed in the hands of the Custodian."

Will you be kind enough to let us have a cheque for \$450.00 and we will then give you authority for the purchaser to move the house. It is understood that this does not include the land. Will you also let us have a report on the fishing equipment and take steps to store it temporarily.

Dear Sir.

Enclosed please find a cheque for \$427.50, which with the usual commission of 5% equalling \$22.50. which I have deducted making the \$450.00. Kindly send me a receipt for the full amount of \$450.00 made out to J.H. Sim, also the necessary authority to remove the house.

The delay in replying to your letter is due to the purchaser being a fisherman and was away for three weeks fishing.

The purchaser makes an offer of ~~\$4~~ \$5 for six kitchen chairs which are in the house and I recommend acceptance as there is no place to store anything and what I do take out before the house is removed will have to be stored in one of the other Japanese houses.

It is a good thing the house is sold because built as it is on piles which are submerged at high tide they are considerably eaten away and sooner or later the house would topple over into the water as now some of the piles are not supporting the house.

Faithfully yours.

May 16th, 1944.

The following is the Grappler Creek, Banfield, property mentioned to you where both the registered owners are dead.

Catalogue No. 501; Parcel No. 1 (D.D. 63267-1) of Block "B" of Section 20, Township 1, Baruley District, Plan 2486. Certificate of Title No. 70104-1 in names of Isakichi KAKIUCHI (died at Banfield, 1/1/1942), File 14090, and Ichitaro NARIWA (died "13 years ago"), File 14127. Our records show the families of the two men to consist of:

KAKIUCHI family

Isakichi KAKIUCHI	(Husb.)	F.14090
Kikuno	(Wife)	(Japan)
Iwakasa	(Son)	1.792
Isakura	(Son)	F.6250
Mrs. Hisayo NARI	(Dtr.)	(Japan)
Yoshihara KAKIUCHI	(Son)	(Japan)
Tutaka	(Son)	(Japan)
Tarugo	(Dtr.)	(Japan)

NARIWA family

Ichitaro NARIWA	(Husb.)	F.14127
Nai	(Wife)	(Japan)
Yoshio	(Son)	1.497
Yosako	(Dtr.)	6796

The land is assessed at \$100.00 and Improvements at \$900.00, the latter apparently being the house Isakichi KAKIUCHI lived in with his family and of which the son (Iwakasa) claims ownership.

Another house, owned by a nephew of Ichitaro NARIWA (Yoshikazu KAWAGUCHI, F.1732) was for some time treated as being on this parcel of land but now appears to be on adjacent Parcel No. 2.

Re: Catalogue No. 504

This property was visited by Messrs. Hall, Burnip (auctioneer and appraiser, Port Alberni) and Green on their trip to the West Coast of Vancouver Island in July 1944.

File 13760 -- Deceased -- No chattels.

Files 1424 and 1556 -- The writer took with him an inventory of chattels as shown by the files and checked these off with Mr. Burnip as per list attached (original on file 1424). This calls for the following comments:

(1) File 1424, Fujitaka TAKEUCHI. This inventory is as taken by Mr. Hinton, investigating agent, 17/6/42 EXCEPT for some items handed to the Navy against receipts; it was subsequently confirmed by Mr. Phippard, rental agent, 18/9/42; a small shipment was made in May 1943. The effects were fairly well accounted for, but of small value, this being set by Mr. Burnip at \$52.00.

(2) File 1556, Heijiro HIRAOKI. On May 6th Mr. Hinton found most of the articles declared and turned some of the fishing gear over to the Navy. Six cords of wood and some sugar were sold and a small camera removed to storage at Fraser's Bay, Coluslet.

Mr. Hinton's list was sent to Mr. Phippard for rechecking 27/8/42 and returned with some additions. This is the inventory that was examined by the writer and Mr. Burnip, an additional claim from the Japanese 17/12/42 having been, we think reasonably, rejected by the writer on 6/1/43. Most items as per Mr. Phippard's rechecked list were found and valued at \$96.00.
