Misaho NODA

P/W A-690

In a statement to the Custodian, dated May 30, 1942, Misaho NODA declared to the Custodian that he had left certain personal chattels, valued at approximately \$500.00, in Vancouver, B. C.

On June 18, 1942, this Internee advised that he wished these chattels to remain where he had stored same.

We are now in receipt of a statement from the Internee, dated May 18, 1946, as follows:

"I made the statement mentioned in this letter, at the time of my internment at Petawawa Internment Camp. However, in July or August 1942 my father Kichimatsu NODA took my personal chattels with him, therefore I wish that the Custodian will disregard my statement re my personal chattels mentioned".

\$5,000.00

The bill of sale authorized the purchaser to hold back \$1,250.00 until the completion of the repairs and replacements the purchaser thought necessary, and to deduct the cost of such repairs and replacements from that sum. J.H.Todd & Sons claim the cost has been \$1,674.99, leaving a balance due purchaser of \$424.99.

Canadian Atlas Diesel had a mortgage of \$540.00 on this boat. This no doubt accounts for the difference of \$540.00.

This boat is shown on RCMP Report of Kichimatsu NODA, File 4007, as being the property of this man, but Misaho NODA is the registered owner, as shown in List of Shipping for years 1940 and 1941.

Your letter of June 11th,

Under Agreement for Sale dated
February 7th, 1942, we purchased the "Carloda N." from this

to Messrs. Reid, Wallbridge, Gibson & Sutton, on February 27th,
and the balance, less deductions for replacements of equipment,
cost of repairs, etc., remains to be paid.

We might state that the account in
our ledger is now \$4830.02, and we have to forward all the
accounts which we have in this regard to our Inverness Cannery,
to ascertain just what amount should be for our account or for
Noda's. We are forwarding the accounts to the Cannery this week,

In reply to your letter of the 8th inst., we beg to inform you that in respect to Noda's boat the "Carlede N." this firm paid, as agents for J.H. Todd & Sons Ltd., the sum of \$3210.00 to the Japanese Fishing Vessels Disposal Committee. Presumably this has been paid over to Noda direct. Our records show that there is a balance of \$1250.00 still owing the above person by J.H. Todd & Sons Ltd. this amount being subject to any deductions necessary to put the vessel in question in seaworthy condition. This is all the information this office can give you at this time. Doubtless you will be writing Todd's office informing them to pay any balance owing to Noda to your office upon adjustments being made.

Dear Sirs:-

re:- Misaho Noda - and Boat, "CARLODA N."

We enclose herewith statement covering purchase of the above boat, and it is regretted that there is a balance in our favour of \$424.99.

This boat was bought under Agreement of Sale, upon the condition that the said vessel would be sea-worthy, and in good running order, and fully equipped. This did not prove to be the case, and, when this Agreement was signed, we paid 75% of the purchase price, which, of course, now appears to have been too much.

We do not know what action, if any, we may take towards recovering this amount, and any information which you can give us on this subject would be greatly appreciated.

Dear Mr. Wright:

Re P/W A-1503, NODA, Misaho
 and Boat, "CARLODA N."

Referring to your letter of the 13th inst. File
 No. 502, relative to above vessel.

I am not clear as to why Todd & Sons referred
 this matter to you, but as they have done so, we beg to
 advise that the contract made by Todd and Sons with Misaho
 Noda, original owner of this vessel, provided that any re-
 pairs to the vessel and any missing equipment required to
 place the vessel in seaworthy condition and in good running
 order, were to be deducted from the deferred amount of the
 purchase price. In this case the deferment was \$1250.00.
 Apparently Todd and Sons' expenditures were \$1574.99. *416 74.99*

The owner has a claim against the Government for
 an inventory shortage and for vessel damage, to the extent
 of \$313.54. Against this our surveyors allowed \$140.82.
 We now hold a cheque in Mr. Noda's favor for this amount,
 but I do not see that we have any authority to withhold
 payment, on J.H. Todd and Sons' account.

If there is any further information we can give
 you, please advise.

Nischo NODA, Reg. 06671, Internes File 502 - M/V "Carlede H"

The Agreement gives the Purchaser the right to deduct from the purchase price the cost of repairs and replacement of running-gear and equipment. An inventory was to be supplied setting out in detail all equipment with which the vessel is outfitted and such inventory to be signed by both parties. We have no copy of this inventory.

Price held back	1,250.00
Sum unaccounted for but probably paid on mortgage held by Canadian Atlas Diesel	<u>540.00</u>
	5,000.00

Noda declared among his assets the sum of \$1,250.00 due him from J. H. Todd & Sons.

On July 3, 1942, J. H. Todd & Sons Ltd. advised the Custodian that they had paid Reid, Wallbridge, \$3,750.00 cash in connection with the purchase of this vessel. As shown above we have a record of only the \$3,210.00 paid to the Committee, but Noda reported a mortgage of \$540.00 on this vessel, and this undoubtedly accounts for that sum.

Statement of August 6, 1942, from J. H. Todd & Sons Ltd., shows that repairs and replacements to the value of \$1,674.99 were charged to Noda, and since the amount held back was \$1,250.00, the statement shows a balance due J. H. Todd & Sons of \$424.99.

There is nothing apart from the statement to show how the \$1,674.99 was spent.

No further action was taken by J. H. Todd & Sons Ltd., by the Committee or by the Custodian in connection with this matter.

Sir:

In connection with the fish packer "Carlede B", which was sold by myself to the Vancouver Branch of the J. H. Todd & Sons, Ltd., through their agents, Reid, Wallbridge, Gibson & Sutton, Yorkshire Bldg., Vancouver, B. C., on February 7, 1942, with balance remaining under the following condition, and I wish you will kindly arrange to collect the balance to be credited to my account with your office.

There is still a balance of one thousand two hundred and fifty dollars (\$1250.00), less such deductions if any for replacement of equipment or cost of repairs, and this was left in trust with the above Company.

However, I have received through your office one hundred and forty dollars and eighty-two cents (\$140.82) from the Canadian Navy to cover the cost of repairs etc., with promise that some necessary repairing equipment will be sent to the Company according to the list made by the Navy Department to restore the packer in good order. With this understanding given by the Navy Dept., I accepted their offer of \$140.82.

I believe therefore, the damage on the boat is \$140.82 plus the equipment for replacement, which the Company did received with the boat from the Navy Dept., and I am entitle to receive \$1250.00 less \$140.82, which is already received by me.

Trusting to have your kind attention to the above matter.

Yours respectfully,

Misaho Noda

COMMANDANT OF INTERNMENT CAMP NO. 101

DIRECTOR, PRISONERS OF WAR

November 28, 1945.

The Commandant,
Internment Camp #101,
Angler, Ontario.

Dear Sir:

Re: P/W a-690 NODA, Misaho

With reference to Prisoner of War Business Letter, dated the 13th instant, received from the above named man, would you kindly have this man paraded and pass on to him the following information.

The fish packer "Carloada N" was sold by Misaho NODA to J. H. Todd & Sons Ltd. under Agreement for Sale dated February 7, 1942. Sections 3, 4 and 5 of the Agreement for Sale read as follows:

3. The Vendor covenants and agrees that upon delivery of the said Vessel to the Purchaser the said Vessel shall be sea-worthy and in good running order, fully equipped with anchors, barometers, clocks and all other ordinary running-gear, and in the event of said Vessel not being in good running order and fully equipped with the necessary running-gear as aforesaid, the Purchaser shall be at liberty to make such necessary repairs to the said Vessel so as to put it in good running order and to replace such equipment as is missing. The Purchaser shall be the sole judge as to the necessity for effecting repairs, or making replacements of running-gear. The Vendor hereby authorises and directs the Purchaser to deduct from the purchase price of the said Vessel the cost of such repairs and replacements of running-gear and equipment.

4. The purchase price to be paid by the Purchaser to the Vendor, subject to the deductions authorised in the preceding paragraph, shall be the sum of Five Thousand Dollars (\$5,000.00), payable as follows:- The sum of Three Thousand Seven Hundred and Fifty Dollars (\$3,750.00) upon the completion of the registration of the Bill of Sale on the books of the Registrar of Shipping, Vancouver, B. C. and the balance the sum of One Thousand Two Hundred and Fifty Dollars (\$1,250.00) less such deductions if any for replacement of equipment or cost of repairs to the said Vessel forthwith upon completion of the replacement of such equipment and effecting of such repairs.

5. At the time of delivery of the said Vessel by the Vendor to the Pur-

chaser an inventory shall be made by the Vendor and a representative of the Purchaser setting out in detail all equipment with which the said Vessel is outfitted and such inventory shall be signed by both Parties.

Under this Agreement for Sale, J. H. Todd & Sons, Ltd. paid to the Japanese Fishing Vessels Disposal Committee, on March 2nd, 1942, the sum of \$3,210.00. The Committee's supervision costs, 1% of the sale price, amounted to \$30.00, and the sum of \$3,160.00 was paid to Misaho NODA on March 5, 1942. We understand that the difference between the \$3,210.00 paid to the Committee and the \$3,750.00 mentioned in the Agreement is accounted for by the payment to the Canadian Atlas Diesel Company of \$540.00 to satisfy a Mortgage held by the company on this vessel.

The sum of \$1,250.00 was held back by the purchasers to cover the cost of repairs and replacement of equipment. J. H. Todd & Sons Ltd. informed this office that the cost of repairs and replacement of equipment amounted to \$1,674.99, and they filed a claim against NODA for the balance of \$424.99. No action has been taken by this office in regard to this claim of J. H. Todd & Sons Ltd.

The sum of \$140.82, paid by the Dominion Government to this office on behalf of Misaho NODA was in settlement of his claim for loss and damage suffered by his vessel "Carloda N" during the time this vessel was in the custody of Naval Service. Misaho NODA agreed to accept this sum in full compensation for this loss and damage following a survey of the vessel made on February 25, 1942, by Mr. NODA, the Naval Surveyor and the Surveyor for the Japanese Fishing Vessels Disposal Committee.

We trust that the foregoing will make clear to Misaho NODA why no funds have been paid to this office by J. H. Todd & Sons Ltd. in connection with his vessel.

We might point out that this vessel did not vest in the Custodian, and this office had no connection whatever with the sale of this vessel. The Agreement for Sale was signed by Misaho NODA.

Yours truly,

W. J. Johnston,
Administration Department.

Re: M/V "Gardola"

In reference to letter of June 15th from Nishiki NODA, the records of the Japanese Fishing Vessels Disposal Committee show that on February 7, 1942, Nishiki NODA signed an Agreement of Sale transferring the "Gardola" to J. H. Todd & Sons Ltd., under the terms of this agreement the purchaser could withhold 25% of the purchase price to cover repairs and replacement of running equipment.

The vessel was sold for \$5,000.00. From this sum the following deductions were made:

Held back by purchaser	\$1,250.00	(25% of purchase price)
Payment of Mortgage	540.00	
STVSC Charge	50.00	
	<u>1,840.00</u>	

The balance of \$3,160.00 was paid to "N. Noda" on March 5, 1942. The signature on the receipt resembles that on the Sales Agreement.

The purchaser has claimed that the actual cost of repairs and replacements amounted to \$1,074.99, and they filed a claim against Nishiki NODA for the sum of \$124.99 to cover the remainder of this cost.

A detailed report of what had happened to the 25% of the purchase price held back by the purchaser was sent to the Commandant at Angkor on November 28, 1943, in reply to an inquiry from Nishiki NODA.

We have had a number of these Sales Agreements between Japanese and J. H. Todd & Sons Ltd., reading (in part) as follows:

"The vendor covenants and agrees that upon delivery of the said vessel to the purchaser the said vessel shall be sea-worthy and in good running order, fully equipped with anchors, hawsers, blocks and all other ordinary running-gear, and in the event of said vessel not being in good running order and fully equipped with the necessary running-gear as aforesaid, the purchaser shall be at liberty to make such necessary repairs to said vessel so as to put it in good running order and to replace such equipment as is missing. The purchaser shall be sole judge as to the necessity for effecting repairs or making replacements of running-gear. The Vendor hereby authorizes and directs the Purchaser to deduct from the purchase price of said vessel the cost of such repairs and replacements."

The \$1,250.00 held back at time of sale was to be paid (less such deductions for repairs and replacements as the purchaser thought necessary) upon completion of repairs and replacements. The actual cost was \$1,074.99. Therefore the balance of \$175.01 was paid to the purchaser.

Dear Sir:

Re: Misaho NODA and M.V. "Carloda N"

Your letter of June 12, 1946, in regard to the vessel "Carloda N" official number 158912, formerly owned by your brother, Misaho, has been received. In this letter you stated that your brother had not collected the money for the sale of this vessel. In this connection, records in our possession show that on March 5, 1942, the sum of \$3,160.00 was paid to "M.Noda" by the Japanese Fishing Vessels Disposal Committee on account of the sale of the vessel "Carloda N." The signature on the receipt resembles that of Misaho Noda.

The \$3,160.00 paid out by the Japanese Fishing Vessels Disposal Committee on March 5, 1942, to M. Noda represented 75 per cent of the purchase price of the vessel "Carloda N", less the Committee's charge of \$50.00 and the sum of \$540.00 which the purchaser had paid to Canadian Atlas Diesel Engines Ltd. to satisfy a Mortgage.

The reason only 75 per cent of the total purchase price of \$5,000.00 was paid by the purchaser at the time the Bill of Sale was registered was that an Agreement signed by Misaho Noda and J. H. Todd & Sons Ltd. on February 7, 1942, authorized the purchaser to hold back 25 per cent of the purchase price until necessary replacements and repairs had been completed, and to deduct the cost of such repairs and replacements from this 25 per cent. In case you do not have a copy of this Agreement we are sending you a copy.

Under the terms of this Agreement, as interpreted by the purchaser, repairs and replacements amounting to \$1,674.99 were effected. On August 7, 1942, the purchaser informed the Custodian that a balance of \$424.99 was due the company in connection with these repairs and replacements. No action was taken by the Custodian in regard to this additional charge of \$424.99. On February 4, 1946, we forwarded to the Angler Camp, copies of the invoices showing how the total bill of \$1,674.99 had been made up. Possibly your brother has turned these copies over to you.

The sum of \$140.82 was paid in to your brother's account with this office in full settlement of his claim for damage and loss suffered by the "Carloda N" while in custody. The funds in your brother's account were sent to him at various times while he was at Angler Camp in response to his requests for funds.

From the foregoing you will see that the only funds in connection with the sale of the vessel "Carloda N" that were not received by your brother were the 25 per cent of the purchase price (\$1,250.00) held back by the purchaser under the terms of the Agreement signed by your brother. This Agreement, as you will see by the enclosed copy, gave the purchaser fairly wide scope.

471 & Int. 502

In regard to the inventory mentioned in Paragraph 5 of the Agreement, this office has no knowledge whatever of this. We do not know if such an inventory was taken or not.

The Agreement between Misaho Noda and J. H. Todd & Sons Ltd. is dated February 7, 1942. At that time the property of Misaho Noda was not under the control of the Custodian. The vessel "Carloda H" did not at any time vest in the Custodian. This office had nothing whatever to do with the sale of this vessel.

If there is any information in connection with the sale of the "Carloda H", apart from that supplied in this letter, which you may desire, we shall be pleased to supply anything further that our records may contain. We have gone through our records quite thoroughly, however, and we do not think anything has been omitted.

Yours truly,

F. Matheson,
Protection Department.
