History of Administration: Vesting Order No. 24251 - July 7, 1942.
Custodian's representative reported on April 23, 1942: a small four room cottage; taxes paid to December 31, 1941. The Custodian's representative recommended that the premises be rented for \$7.00 or \$8.00 per month and that permission be obtained, if possible, from the owner accordingly. Apparently, the above Evacuee expressed a wish, prior to his leaving, that he did not want to rent the house and had locked up the premises.

In a Memorandum dated December 10, 1942 further information was obtained from Mr. C. C. Robinson stating that the house is a one storey, frame shingle roof and sides; the foundation on cement blocks; and two chimneys of brick built on wooden brackets.

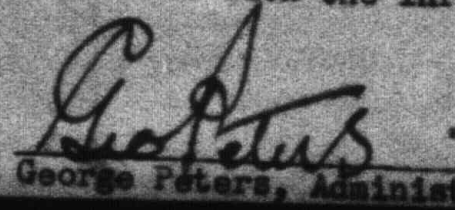

The above premises were rented to E. L. Lumley in July, 1942 for \$10.00 per month, including \$2.00 for water rates. E. L. Lumley was the tenant of the above property until the date of sale, adjustment date being September 8, 1944.

Sold: To Rebecca Marie Lumley, 674 4th Ave., Steveston, B. C. for \$700.00
Approval of the Advisory Committee - July 27, 1944.
Title No. 179281 in the name of Rebecca Marie Lumley date, October 24, 1944.

In view of rents collected by the Custodian up to September 7, 1944 an adjusting credit was allowed to R. M. Lumley.

Funds released to the credit of Fujitaro FUKUSHIMA on January 5, 1945. Net amount after payment of charges and credit from adjustments is \$709.71.

The above summary is certified to be in accordance with the information on file:

Dear Sirs:-

Re: 674 - 4th Avenue, Steveston.

I understand that any Japanese effects and furniture on the premises are not included in the sale. These will be removed by the Custodian as soon as possible but in cases where the furniture is included in the lease to the present tenant it cannot, of course, be removed until he is ready to vacate the premises. I undertake to give the Custodian at least two weeks notice of the date on which the tenant is vacating the premises and to allow the Custodian access to the premises in order to remove the furniture at a reasonable and convenient time following the termination of the lease.

With reference to Mr. Mackenzie's memorandum of June 15th, 1944 on File 677, as the "JP" form on this file showed no proper inventory it is assumed that the articles signed for by the tenant, E. L. Lowley, are those only with which we are concerned. They are as follows and are taken from the forms dated May 21st, 1943:

2 - Beds and Springs
1 - Mattress
1 - Dresser
8 - Chairs
3 - Tables
1 - Heater

Crockery and Kitchen Ware (Misc. Ass.)
1 - Tub and Washboard
1 - Wheel Barrel
1 - Garden Hose
1 - Maddock

1 - Electric Light House Clock

2 This has been added in pencil on the blue receipt form but is not shown on the white form.

On File 6426 the father of Fujitaro FUKUSHIMA declared that the following chattels were left at his son's house:

2 - beds and mattresses
9 - chairs

1 - kitchen stove

and presumably the above are included in the chattels signed for by the tenant.

We would add that a kitchen stove and Winnipeg lounge were removed to No. 2 Warehouse.

As this property has been sold you will no doubt wish to review these chattels.

Dear Sir:

This will acknowledge receipt of your letter of January 26th in which you mention that you left valuable carpenter's tools at your former home 674 - 4th Avenue, Steveston, B. C.

Contrary to your statement that you registered with the Custodian the carpenter's tools, the only registration made by you was to the effect that there are stoves, beds, kitchen utensils and dishes, and there was no mention whatsoever of carpenter's tools. A letter was received from you dated December 20th, 1942, stating that you had left the carpenter's tools in the house. Upon investigation, at that late date, no tools could be located.

We might point out that the Custodian's original investigation into your affairs was made on April 2nd, 1942, and your Father was still occupying the premises and the chattels left by you, at that time, could not be checked, and it was your express desire, prior to your leaving, that you did not want to rent and therefore locked up the premises.

The Custodian, under these circumstances, cannot take any responsibility between the time you declared your chattels and the time you notified us with reference to the carpenter's tools in December of the same year.

CHattel SUMMARY

Re: Fujitaro FUKUSHIMA
Reg. No. 02546

The above Evacuee's Declaration of April 2, 1942 declared stoves, beds, kitchen utensils and dishes as the chattels left in the house at Steveston. The Custodian's agent reported on April 23, 1942 that the above Evacuee's father, Inosuke FUKUSHIMA, Reg. No. 15488, File No. 6426, was living in the house but was unable to get any information regarding him. The furniture had apparently been stored in the house, which was locked up.

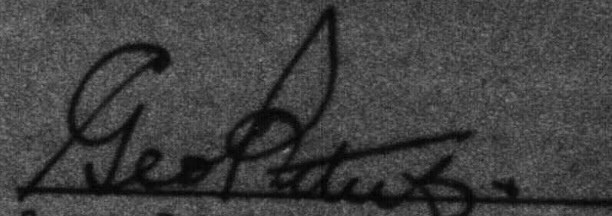

On December 20, 1942 a letter was received from the above Evacuee stating that there were carpenter tools left in the Evacuee's house. Upon investigation no tools were located except for a rasp and a hammer.

On checking the father's file, Inosuke FUKUSHIMA, we found that he had declared two beds and mattresses, nine chairs, kitchen stove, one heater stove that had been left in the above Evacuee's house. As the Evacuee's father is quite old and had been living with the above Evacuee, we presume the chattels declared by the father were the same as declared by the son. All saleable articles were auctioned and the funds credited to the above Evacuee's account.

An inventory was made by the Custodian's agent on May 21, 1943 as per attached Chattel Schedule and which was signed for by the tenant, E. L. Lunley. Pencilled in by Mr. C. C. Robinson, on the same list, an iron range and one one Winnipeg lounge were removed to Central Storage; previously in Steveston No. 2 Warehouse. However, no record of an inventory list was made up for the removal of chattels. After the sale of the property the Custodian removed to storage on February 15, 1945 items as per attached Chattel Schedule.

The items auctioned March 2, 1945 were identified as belonging to the above Evacuee and the funds derived from the sale of these chattels were credited to the above Evacuee's account.

The above summary is certified
to be in accordance with the
information on file:

George Peters,
Administration Department.

GENERAL SUMMARY

Re: Fujitaro FUKUSHIMA
Reg. No. 02546

It is noticed on the inventory dated May 21, 1942 and signed for by the tenant, E. L. Lumley, that there is pencilled in, one electric lighthouse clock. The above Evacuee did not declare the electric lighthouse clock. In a Memorandum from Mr. Mackenzie to Mr. Harris dated February 2, 1945 it appears that Mr. C. C. Robinson loaned the tenant, E. L. Lumley, a washing machine, a stove and parts, an electrical light-house clock. These belongings appear to be the property of other Japanese who we have to still identify. Therefore, one electric lighthouse clock will not appear as property belonging to the above Evacuee.

The above summary is certified
to be in accordance with the
information on file:
