Dear Sirs:

Re: P/R A-593. TATEBE, Yukio

The above noted Internee holds a \$1,000.00 Policy with your Company. We advised you of this on June 1st and received from your Office, Form "D" covering Policy #2,240,765 written in the name of Yukio Tatebe, Mission, beneficiary, Kyusaburo Tatebe, father. On September 14th we forwarded you \$19.87 to cover the premium on this Policy.

To-day I received from the Internee, a premium notice in the amount of \$22.15 covering Policy #2,313,694 and on checking our file have found that the Internee states the beneficiary under his Policy is his mother, Mrs. Cheyeno Tatebe.

Any advice you can give me on the above situation will be very much appreciated.

Dear Sirs:

Attention Miss F. Carroll

Re Yukio Tatebe (Interned)

Your letter of the 23rd instant has been received in reference to the above-named internee and on checking carefully with our records we now find that there are two individual Japanese policyholders of the same name and Form "D" should have covered policy No. 2,310,694 instead of No. 2,240,765, the error being due to our Company not being furnished with sufficient particulars, such as the policy number, age, or name of beneficiary, etc., which would help us materially in locating and identifying the policyholder.

We have advised our Montreal office of the situation with a request that they furnish you with Form "D" covering policy No. 2,310,694, which policy unfortunately lapsed through non-payment of the semi-annual premium due September 10th, 1942. On the other hand, the premium reported paid on September 16th, 1942 in the net amount of \$19.87 on policy No. 2,240,765 must have been remitted direct to this office by the assured or his representative, whose last address we have on our records as Box 160, Mission City, B. C.

Dear Sirs:

Re: P/W A-593, TATEBE, Yukio
and Policy 2310694

I have your letter of October 28th and wish to thank you for the information given in paragraph one. We shall be pleased to receive Form "D" at your earliest convenience.

With reference to the second paragraph of your letter, I would advise that by an arrangement with the Canadian Life Officers Association policies which have vested in the Custodian are held in suspense and premiums accumulate, but under the Regulations they are not cancelled.

With reference to the \$19.87 premium which was paid on September 18th on policy 2249765, I would advise that this premium was forwarded from this office and since we were under the impression that we were paying the premium on the policy held by the internee, namely, Policy 2310694, it would be appreciated if you would kindly apply this \$19.87 on that policy. The Custodian is not interested in policy 2249765 which belongs to Yukio Tatebe whose address was Mission City.

If you will advise me that the above arrangement has been made, I shall be pleased to send you the balance of the premium on policy 2310694.

Your letter of the 31st ultimo has been received notifying us that the payment of \$19.87 made September 18th was forwarded from your office and since you were under the impression that you were paying the premium on the policy held by the internee, who is actually insured under policy No. 2,310,694, we have made the necessary reversal and credited the amount from policy No. 2,240,765 to No. 2,310,694. The balance required to complete this premium will be \$2.28 and we will appreciate receiving your remittance in due course.

Dear Sir:

Re: Yukio Tatebe, Your File No. 680 - Our Pol. No. 2,310,694.

A report on form D has been filed with you for the above named policyholder on the assumption that he was assured under policy No. 2,240,765. Advice from our Vancouver Office now shows that the policyholder under that policy while of the same name is an entirely different person from the policyholder who was interned. The information you now hold is therefore incorrect and in lieu of that report we now enclose a further report on form D covering the correct policy for the interned policyholder. That policy number is as shown in the caption-No. 2,310,694. Will you kindly return the form D report which you now hold, as well as our letter of July 7th with notice of premium attached and our letter of September 30th advising that the September 1942 premium had been paid. The information and attachments to these letters are not applicable to the interned policyholder.

Sir:

I wish you will kindly send Twenty-five Dollars (\$25.00) to the credit of my canteen fund account in this camp out of my credit with your office at your convenience, as there is only five dollars left in my credit here at present, and am going to withdraw the amount at the beginning of next month.

I also wish you will kindly arrange to send my Kodak camera, which I had surrendered at the Provincial Police, Duncan, B. C., to my father, Kango TATEBE, of 49 Gilead Avenue, Lemon Creek, Slokan, B. C., as soon as possible, and charge the necessary expenses to my account, and kindly let me know when this has been done.

Thanking you in advance for your kind attention.

Yours truly,

Tatebe

In reply to your memorandum of the 16th instant, a search has been made for the camera but same cannot be located.

Apparently this camera was stolen when the warehouse was broken and entered at the time the radios were stolen.

Under these circumstances, we are unable to effect shipment of the camera as requested.

In reply to the second paragraph of P/W Business Letter of September 14th, we wish to advise that on account of the congested condition of our warehouse, we have been unable to locate the Internee's censors. Our warehouse has been broken into and we are of the opinion that this article may have been stolen.

We will advise the Internee if his censor is located.

Dear Sir:

We are in receipt of your letter of April 8, 1946, and as requested by you, we are enclosing herewith Statement of your Account, together with our cheque, in your favour, amounting to \$300.00. Kindly acknowledge receipt.

You will note that the net proceeds of the sale of your radio, namely \$39.42, have been credited to your account, but before these funds can be released to you, it will be necessary for you to forward to us the original R.C.M.P. receipt, and we would therefore request that you kindly forward this receipt to us at your early convenience.

In connection with your request for the shipment of your camera, we regret to inform you that we are not able to comply with your request as the article required cannot at present be located.

We have taken all reasonable measures for protection of personal goods, involving considerable expense in the employment of caretakers, watchmen and night patrol, but in spite of this a certain amount of breaking in and vandalism has occurred in our storages from time to time resulting in some items being stolen. It would appear that your camera might have been taken under such circumstances.

Burglary and theft are, of course, circumstances which sometimes happen to the most careful property owners, even when the

owner is in residence, and after taking every precaution against such possibilities.

The police have been made aware of this situation and if the missing article should be recovered, you will, of course, be advised.

Your request and a copy of this letter will remain on our files indicating the facts regarding this matter and be available for review at any future time.

Dear Sir:

Re: Policy No. 2,510,694 - Yukio Tatebe

The records of the above assured were recently transferred to our office at Winnipeg and in a letter recently received from our Head Office is the following extract:

"It seems to us that if the assured is now in Winnipeg or its vicinity he probably has the status of an evacuee, in which case it is probable also that the Custodian's Office is no longer interested in this man's assets.

It is suggested that you enquire of the Custodian's Office as to what control he wishes to extend to this particular policy and whether or not it can be taken as one where the Company may deal direct with the policyholder. The question of disbursements under the policy will likely arise. The present practice for policies on Japanese lives in Canada is to advise the Custodian's Office in Vancouver of all such contemplated disbursements for his approval. You may remember that representations were made to the Custodian's Office by your Office some time ago as to the necessity of this action where the policyholder was otherwise clear from the Custodian's control. At that time the Custodian reiterated his desire to know of all disbursements. Perhaps the situation has changed and this case may be a means of either getting confirmation of that desire or otherwise changing it."

We shall be much obliged if you will let us have word with regard to the above.

Yours faithfully,

C. E. Hay

The above was stated to be interned in Canada and on that basis the policy was reported. We have reason to believe the assured is still in Canada.

In accordance with the views recently expressed in a letter from the Custodian's Office in Ottawa regarding the property of persons who were interned in Canada and are still residing in Canada we are considering this case free of restrictions and are resuming full dealings direct with the assured.

No doubt you will adjust your records if the information is not contrary to the facts.

The assured is currently reported as residing at 606 McLaughlin St., Fort William, Ont.
