Mr. Eikichi Hamanishi

Dear Sir:

Re: M.V. "R. N." (E. H.) NW 3378 NW 077D

For a period of over 5 months this Committee has operated facilities, designed to assist Japanese fishing vessel owners, to dispose of their vessels at fair prices.

In this period over 1000 vessels have been released through the offices of the Committee; and it has now become vitally necessary to promptly dispose of the remaining vessels in order that the Navy personnel, occupied in their custodianship, be relieved for other duties.

Having received an offer for your vessel "R. N." license No. NW 3378 which is considered a fair value, the Committee has sold this vessel for the sum of \$375.00 in accordance with the attached Bill of Sale.

Please sign the attached Bill of Sale, together with the Claim Assignment form, also attached, and return to us.

On receipt of these documents properly executed, we shall remit the net value of the sale, with a statement thereof, to any address designated by you.

Yours very truly,

JAPANESE FISHING VESSELS DISPOSAL COMMITTEE

Dear Sir:

RE: P/W A-23. HAMANISHI, Eiichi.

With reference to our letter of the 22nd August, and to your reply (Ref. 101-P-23) of the 27th August, regarding the Fishing Vessel:

M/V "R.W." (E.H.) NW 3378

we now enclose copy of a letter from the Japanese Fishing Vessels Disposal Committee dated the 25th September, which is self-explanatory.

In view of the facts set forth therein, i.e., that the above Internee's vessel was sold for considerably more than she was officially valued at at time of sale (\$875.00 against \$325.00), it is hoped that the Internee will take a somewhat different view of the sale and agree to complete the papers forwarded with our letter of the 22nd August, and again enclosed herewith for that purpose.

Thank you for your co-operation in the matter.

Yours faithfully,

Dear Herman,

(DATE)

(DATUM)

Nov 20. 1945

It's been along time since we said hello to each other
last it Herman, and I do hope you have been enjoying
the very best of health these past years. As for myself I
am doing splendidly. How is old Anastasia? I presume it's
changed a lot. The small reason I wrote to you today
Herman, was that I wanted you to do me a little favor.
As you know I left some things at Maxade's house,
well there's a tea box there, about 18" wide 20" long and
22" high and also a brownish color straw basket
luggage, both are full of clothings. I shall be most
grateful if you would be so kind enough to send
it to me as soon as humanly possible. Please send
it L.O.D. for I shall pay for it over here. I know
you'll have to make the trip to Vancouver just on
my account, so if you wish to charge for the
transfer fee please go to the Custodian of Enemy
Plants for the money. I shall get in touch with
and let them know you will be calling.
Well, Herman, as much as I like to write more
this is all I could do, so would you please do this
for me as soon as possible, although I know how busy
you must be. Take the very best care of your
self in the mean time. Herman.

I remain as always

Dear sir:

The following letter addressed to the Gulf of Georgia Cannery has been received from Eiichi Hamanishi:

You will remember that the complete set was insured for \$1000.00 at the time they were left in your care. I would be extremely grateful if you will comply to my request for an immediate reply."

Yours truly,

Eiichi Hamanishi- Internment Camp No. 101.
