Dear sir

In regards to the following please refer to
the file of my late father, Tach Tachoda who
passed away in the internment camp early this year
to my knowledge, I believe he had a small amount
of money held by you at that time. I wonder if
this money could be transferred to either mine or
my mother's name. Till now she had been
receiving a little maintenance but now that she
has relocated to Hamilton she will receive no
more and so, will have to carry on with her small
earnings. The purpose of this is to establish new
housekeeping quarters.

Your assistance will be fully acknowledged.

Sincerely yours,
Tachoda

Re: Yoichi TAKAKA, Deceased

Dear Sir:

We duly received your letter of July 27, 1945, and regret that the matter mentioned therein has not been brought to the writer's attention before this time.

Your late father's Estate, as far as we are aware, consists only of a cash credit balance with the Custodian for the sum of \$103.89, and a Dominion of Canada \$50.00 Victory Bond, which is being held by us for safe-keeping. Against these assets a claim, amounting to \$150.00, has been filed by Mr. Heijiro Hiraoka, and it will therefore be necessary to take this into consideration before the funds can be disbursed. Your late father stated, in a letter to the Custodian, dated 31st August, 1942, that he was indebted to Mr. Heijiro Hiraoka in the sum of \$150.00, and you will therefore understand why we cannot forward the above-mentioned assets to you as requested in your letter.

When acknowledging receipt of this letter, we would ask you to please return two of the enclosed forms, duly completed, by your mother, Mrs. Nobuko Takasaka, in order to facilitate the settlement of this Estate.

Yours truly,
