Dear Sir:

Referring File No. 902

In reply to your letter of October 31, I wish to state that I left my chattels at the Japanese School on First Avenue. I did not sell any of the chattels before or after evacuation.

At the time of the registration I told the Custodian that I have my chattels at the above mentioned place. The Custodian said that they will pick the chattels up the next day. Therefore I was sure that the Custodian was looking after them for me and that there was no danger of the chattels disappearing. I was surprised when I learned that the chattels were not found.

I shall greatly appreciate it if you will investigate again and let me know the result.

Yours truly,

"M Kuromi"
