Dear Sirs:

Your File No. 1107.
Re: Ishii, Otamatsu.

We thank you for your letter of the 14th. and note that this man has called on you and expressed dissatisfaction with the statement rendered on August 6th. last.

We note his remarks in regard to Surveyor advising him that $97.00 would be sufficient to put the boat in first class condition. We, of course, do not know who this Surveyor was but for your information we enclose herewith Recommendation Report signed by H. H. Hitchon, Surveyor to Board of Marine Underwriters, San Francisco, from which you will see there was a fixed amount of work to be done.

We also enclose under registered cover detailed invoices showing just exactly what equipment was necessary.

We also enclose copy of our Agreement for Sale, and would particularly call your attention to paragraph Three - "Wherein the vessel shall be seaworthy and in good running order, fully equipped, etc.", and "that we shall be sole judge as to the necessity for effecting repairs or making replacements".

We might say in conclusion that when our Company took possession of this boat it was without any tools, no mattresses, no compass, anchor or anchor chain. It was also without dishes of any kind.

Amongst the invoices which are enclosed are several for groceries, which of course have not been included by us in arriving at the balance in Mr. Ishii's favor of $297.72.

As we have no copies of the Surveyor's Report and these invoices, we would appreciate it very much if you will kindly return same after your perusal.

Yours very truly,
J. H. TODD & SONS LTD.

ALL QUOTATIONS ARE FOR IMMEDIATE ACCEPTANCE AND ALL PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE

Dear Sir:

We are in receipt of your letters (2) of the 29th ultimo.

Account: There is only one item in your account, the sum of $297.72 received from J. H. Todd & Sons Ltd., which they stated represented the balance due you on the boat "Charlotte T.M. II", which our records show was sold by you for $7,700.00, of which $5,775.00 was apparently paid promptly leaving a balance of $1925.00, which buyers appear to have spent on the boat with the exception of the above small sum paid to this office for the credit of your account. There is nothing on this file with which to check the correctness or otherwise of your buyers' disbursements but we assume these were agreed, or have been passed by you.

Debts: We note that you confirm the correctness of Dr. Smith's claim, and that you authorize us to effect payment.

Yours truly,

Re: Otomatsu ISHII, Reg. 01319, File 1107

Attached are letter from the B. C. Security Commission, memo from their Slocan supervisor, and copy of Sales Agreement in connection with the M/V "Charlotte T.M.", together with File 1107, attached to which are the bills of the J.H. Todd & Sons Ltd. in regard to this vessel.

This vessel was built in 1938, equipped with a 60 BHP Atlas Imperial Diesel engine, her dimensions were 41.4x11.7x4.5. The value (as at time of seizure) given by the representatives of the Japanese vessel-owners was $7,500.00.

The purchase price in the purchase by Todd's was $7,700.00. From this the purchaser held back $1,925.00 or 25% to cover the cost of repairs and replacements--the sales agreement gave the purchaser quite a free hand in regard to this.

Altogether, Ishii received in return for his vessel the net amount of $6,094.92. This figure is arrived at as follows:

Claims against Ishii paid by purchaser	2,778.20
Payment from JFVDC after deduction of costs	2,919.70

In regard to Ishii's objection to the cost of repairs and replacements, it might be pointed out that the "Charlotte T.M." was a packer. Even under the liberal terms of the sales agreement, it would seem that the cost of turning the boat into a seiner should not have been charged to the vendor.
