PERSONAL PROPERTY SUMMARY

File No. XI 1115

19th July, 1947.

Re: Kasuo TADA - Reg. No. 13803

CHATELS: The above Japanese on a registration form dated 9th May, 1942, stated that he was leaving a bed and stove in his father's house at R.R. No. 1, Port Hammond, and a further registration form dated 15th October, 1942, which he refused to sign, stated that he was leaving a number of household furniture, carpenter's tools and lumber on his father-in-law's property.

This Japanese had been interned on the 25th September 1942, and at the time of his second registration had been at the Immigration shed, Vancouver. He was unconditionally released from Internment Camp 13th-15th March, 1946.

All chattels on Senji SANO's property (Kasuo TADA's father-in-law) were sold at auction or by appraisal to the tenant in December 1945 and January 1946, and proceeds amounting to \$100.59 were credited to SANO's account as there was nothing to identify TADA's chattels. Copies of the auction and appraisal sheets were sent to both SANO and TADA, who both reside at Vineland, Ontario, under today's date, asking them to make settlement between themselves.

SPECIFIED ARTICLES: In his registration on the 15th October 1942, TADA stated he had turned a radio over to the R.C.M.P. There is nothing on this file to show that the radio in his name was returned to this office by the R.C.M.P., nor is there anything about a radio on his wife's or his father-in-law's files.

ACCOUNTS RECEIVABLE: The Provincial Income Tax department refunded the sum of \$4.96 for credit of TADA's account, being a refund of his 1941 income tax.

In July, 1945, the B.C. Electric Railway Co. refunded the sum of \$2.68, being a light security deposit refund.

BONDS & INVESTMENTS: TADA declared leaving a number of War Savings certificates with his wife, and on the 3rd December, 1942, he requested that these be redeemed and the funds forwarded to him.

Mrs. TADA sent 7 \$5.00 Certificates to this office on the 30th March, 1943, and these were redeemed for the sum of \$28.47, and the sum of \$25.00 was forwarded to TADA on the 9th June, 1943.

A further \$5.00 certificate was received 21st May, 1945 from the Internment Camp at Angler, with a request that it be cashed and the funds sent to TADA. The Certificate was cashed 19th June, 1945 for \$4.20, but the funds were not forwarded to TADA at that time, apparently having been overlooked.

LIFE INSURANCE: TADA declared he had a \$2000.00 Sun Life Policy. A premium due notice of \$43.70 was received from the Sun Life 22nd May, 1943, and this was referred to TADA at the Internment Camp, no reply was received however, in this connection and the Company advised us 19th July 1943, that it had lapsed for non-payment.

This file reveals no other personal property assets.

The above summary is certified to be in accordance with the information on file.

With reference to my communication to you of even date under the heading "Internment of Japanese (Other Than Nationals)" B.C.M.F. 2800-2-1-1, this will advise that the above named refused to obey the orders of the B.C. Security Commission and proceed to a work camp and demanded to be interned.

2. I quote hereunder a letter from the B.C. Security Commission in this connection:

"The above named Japanese has refused to obey the orders of this Commission and proceed to a work camp, tore up his evacuation notice and demanded to be interned.

"It is therefore desired that this man be interned and we would ask you to kindly proceed with action necessary to accomplish this end."

3. It is requested that this man be interned.

Dear Sir:

Policy No. 2,208,547- on the life of Kusuo Tada

Your FILE # 1115

Your assurance is now in a serious position and we regret to advise that the policy will not remain in force after June 5th. 1943 unless a remittance of at least \$ 8.00 reaches us on or before that date.

Reinstatement of this policy, if it were allowed to lapse, would require among other things the production of evidence of insurability satisfactory to the Company. Its replacement with new assurance on the same plan at a later date would involve the payment of a higher premium resulting from the increase in your age, apart from which there is a risk that you might not be able to satisfy the Company as to your insurability.

It is amply demonstrated every day that a contract with a life assurance company serves so many purposes that it can be regarded as an indispensable factor in day to day life. It is the foundation of financial independence and an asset of ever increasing value to the owner.

We assume that you still need the benefits afforded by this policy and we hope that, to avoid the loss occasioned by allowing the policy to lapse, you will send your remittance within the time mentioned.

Yours faithfully,

C. E. HAY

Branch Secretary.

Mr. Kasuo TADA,
Registration No. 13803,
Vineland, Ontario.

Dear Sir:

We enclose herewith Custodian cheque in the amount of \$7.64 which represents your full remaining credit balance at this office derived from redemption of a \$5.00 War Savings Certificate and a refund of your light security deposit with the B.C. Electric Railway Co.

When registering with the Custodian in 1942, you declared leaving certain articles of household furniture at your father-in-law's house at Port Hammond. You did not state who your father-in-law was, but we presumed he was Mr. Senji SANO. Chattels on his property were inventoried, and as there was nothing to identify your goods from his, everything was sold under his name. Attached hereto are details of goods sold and we have today written to your father-in-law, Mr. Sano, explaining the situation, with a request that any adjustment of the proceeds from sale of the chattels should be made between yourselves.

Your acknowledgment of the enclosed cheque would be appreciated.

Yours truly,

Office of the Custodian.
