Mr. Yasukage HAKANISHI,
Registration No. 08202,
Sandon, B. C.

Dear Sir:

Your file has been reviewed and we find that you did not declare the ownership of any property with the exception of certain personal effects which you claimed were left at 1011 Royal Avenue, New Westminster.

In November 1942 our agents made an investigation of this place and found that four persons had claimed they had stored goods in the basement. A quantity of goods were disclosed but no attempt had been made to segregate them and on November 25th, 1942 we asked you if your effects were actually left there or if any of them had been shipped to you. You did not answer our letter and subsequently, when in accordance with the Government regulations these goods were sold at auction the sales proceeds were credited to Hanke NISHI, who appeared to have owned the bulk of the goods removed. We have so advised Mr. NISHI.

In view of your failure to answer the letter referred to above we assume that you disposed of your own affairs before leaving the Coast.

Yours truly,

E. J. Iverson,
Protection Dept.

NAKANISHI, Yasuhiko
NISHI, Masaru
TSUCHIDA, Taichi

All effects declared by the above Japanese and stored at 110 Royal Avenue, are apparently intact. The goods are stored in the basement and a door on the side, of which the tenant gave our fieldmen the key, was opened. Further examination was not made as the chattels were jammed up against this door.

They will be left there until the final sale in New Westminster.

CHattel SUMMARY

File 1140

January 21st, 1946.

Re: Yasukage NAKANISHI, Reg. 08202

The above Japanese made his declaration to the Custodian on March 28th, 1942 and was evacuated on March 29th, 1942.

This Japanese declared the ownership of the following:

1 bed
1 mattress
2 chairs

"These were all at 1011 Royal Avenue, New Westminster."

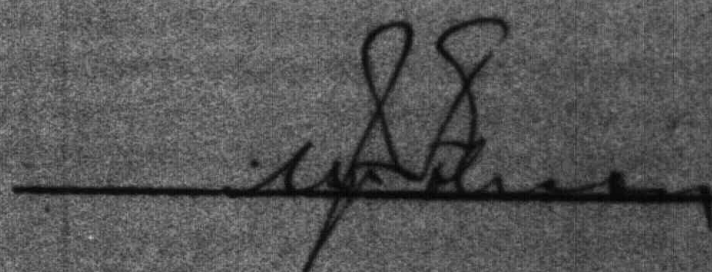

The file reveals that four Japanese persons left their effects in the basement of this place and our agents were unable to identify the various ownerships.

On November 25th, 1942 NAKANISHI was asked if he actually did leave any effects there or if any of them had been shipped to him but no reply was received to this enquiry.

When removing the Japanese effects from 1011 Royal Avenue however, it was found that entry had been made into the basement and it is assumed that some goods were stolen (File 10378). As there was no way of identifying the effects they were credited to Hanae NISHI File 10378, a former occupant of the house who declared the bulk of effects there. Hanae NISHI was advised of this under date of January 10th, 1946.

This summary is certified to be in accordance with the information on file.

Dear Sirs:

Re: Yasukaze NAKANISHI #08202. Deceased.

We have to acknowledge your letter of December 8, in which you make claim for recovery of the sum of \$80.00 from the estate of the above deceased Japanese to cover funeral expenses borne by your Department.

As the deceased, according to information on our file, was sixty-five years of age at the date of his death, we know of no one who would be responsible for this debt, neither are we aware of any assets belonging to the deceased.

Yours very truly,

A. G. McArthur,
Office of the Custodian.
