PERSONAL PROPERTY SUMMARY

File No. 1146

Re: Takeo NAKANO, Reg. No. 09076

May 9, 1946

This man signed a declaration to the Custodian on March 20, 1942, the day before his evacuation. He was interned on August 27, 1942.

NAKANO declared a quantity of chattels left a WoodFibre. A shipment of chattels, in the name of this man, was received at 992 Powell Street on May 25, 1942. A list of the items received was confirmed by NAKANO as being all the chattels left by him in the protected area. Among the items received were boxes, cartons and bundles of which the contents are not revealed in the file. There is a crated gramophone listed. No gramophone was sold for this man. However four boxes, two cartons and a washtub were released for shipment to his wife and it is possible that the gramophone may have been in this shipment. A list of the items sold at auction was sent to NAKANO in March, 1945, and he has not since called our attention to any missing items. It is assumed therefore that all articles not shipped are accounted for in the auction sale. The proceeds (net) of the sale were \$36.42, which has been credited to his account.

NAKANO reported a Manufacturers Life Insurance Co. policy #636468 for \$1,000.00. This policy was held for safe-keeping by this office during the period of NAKANO's internment, and was returned to him on December 15, 1942. The 1943 premium was paid by NAKANO from funds to his credit at internment camp; the 1945 premium was paid by this office from funds to the credit of NAKANO in Custodian account. The 1945 premium was \$43.11.

The 15 \$10.00 War Savings Certificates that were sent to this office for safe-keeping during his internment were returned to him on November 30, 1943. His birth certificate was returned at the same time.

The account of Takeo NAKANO was credited with the following amounts: Refund of Transportation received from B. C. Security Commission - \$2.00; Refund of 1% Wage Deductions for 1941 received from B. C. Government - \$6.49; Wages received from Department of Mines and Resources - \$6.21.

The total amount credited to the account of this man was \$51.12, from which we have paid an insurance premium of \$43.11, leaving a credit balance of \$8.01.

This file reveals no other property.

This summary is certified to be in accordance with information on file.

CHATTEL SUMMARY

File No. 1146

May 8, 1946.

Re: Takeo NAKANO, #09076

This man formerly lived at Woodfibre. He was evacuated on March 21, 1942, the day following his declaration to the Custodian. He was interned on August 27, 1942.

In his declaration, he reported a quantity of chattels left at Woodfibre. An unsigned inventory, dated May 7, 1942 is on file. This is believed to be the inventory taken by Dave Smith. The Union Steamships Ltd. freight bill of May 13, 1942, shows that 25 pieces of household goods were shipped to Vancouver in the name of this man. On May 25, 1942, Inventory No. 104, of goods received at 992 Powell Street from Woodfibre in the name of this man shows only 24 pieces.

The lists of goods declared, goods inventoried and goods received in the warehouse differ to a certain extent. However, on September 16, 1942, confirmed the list of goods received at 992 Powell Street as being all his chattels remaining in the protected area. This list is therefore taken to be correct. Articles declared but not on this list are assumed to have been disposed of by the owner in some manner.

There is no record of the disposition of the Victrola received at 992 Powell Street, on May 25, 1942.

While 8 cartons and 4 boxes were received on May 25, 1942, 2 cartons and 5 boxes were released to the B. C. Security Commission on November 26, 1942, for shipment to Mrs. Takeo NAKANO, according to memo on File 7312. At that time a washtub, shown on Inventory of May 25, 1942, was also released.

The list of goods received May 25, 1942 shows a crock, while two crocks were sold for this account. The inventory taken May 7, 1942, had listed "jar (kitchen goods)". The list of goods received May 25, 1942, shows 2 bundles, while the inventory of May 7, 1942, shows "blinds, etc." and "flat boards". The list of goods received May 25, 1942, shows "Cte. furniture". All of these items may be accounted for by the list of assorted small items of chinaware, toys, kitchenware, cushions, etc. that were sold at auction on July 25, 1944.

In regard to the cupboards declared, we sold ~~xxxxxxx~~ cabinets, wooden stand and chest of drawers. These have been taken to be the same.

A copy of the auction list of goods sold July 25, 1944, was sent to NAKANO on March 12, 1945. The net proceeds of this sale amounted to \$36.42, which was credited to his account. NAKANO has not commented in any manner on the items sold.

Dear Sir:

As requested by you, we enclose Custodian cheque for the sum of \$8.01, being all the funds standing to your credit with this office.

In your declaration to the Custodian on March 20, 1942, you reported a quantity of chattels left at Woodfibre. Chattels, identified as your property, were shipped from Woodfibre and stored in Custodian warehouse, Vancouver, in May, 1942. At the request of yourself and your wife, some of these goods were released to the British Columbia Security Commission in November, 1942, for shipment to your wife. Saleable articles remaining were sold at auction for the net sum of \$36.42, which was credited to your account.

You reported a Manufacturers Life Insurance policy. This policy was held in safe-keeping by this office and was returned to you in December 15, 1942. The 1945 premium on this policy in the amount of \$43.11 was paid from your funds in this office.

The 15 \$10.00 War Savings Certificates and your Birth Certificate, which were held in safe-keeping by this office were returned to you on November 30, 1942.

Your Unemployment Insurance book, No. A.40520, for 1941-42, has been returned to the Unemployment Insurance Commission.

The total amount paid in to your account was \$51.12, from which was paid the insurance premium of \$43.11, leaving a credit balance of \$8.01, which is the amount of the cheque enclosed.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian, and in order that you may confirm this and acknowledge the cheque, we enclose a stamped, addressed envelope for your convenience in replying.
