PERSONAL PROPERTY SUMMARY

File No. 1190

Re: Matsujiro MORI

Reg. No. 11185.

This man who was evacuated on April 21st, 1942 signed a declaration to the Custodian on March 24th, 1942. In his declaration he reported the following assets.

One Cohoe Net, valued at \$260.00 left in the care of the North Pacific Cannery. On this net there was an outstanding balance of \$160.00 due the cannery. In letter of May 13th, 1943 the North Pacific Cannery informed this office that the sum of \$100.00 had been paid to MORI to cover his equity in the net.

He also declared a \$50.00 Victory Bond in his own possession. This did not come under the control of the Custodian. Under date of February 8th, 1943, there appears on this file an unsigned request for a basket trunk to be shipped to this man. This trunk and a mattress ~~was~~^{were} stated to be in storage at the residence of S. HANKAWA, Port Essington, B. C. On February 31st, 1944 there was shipped to the Custodian from the North Pacific Cannery one wash tub and one box. The mattress and other chattels identified as the property of M. MORI were sold at auction in February 1944 and July 1944. The net proceeds of these sales in the amount of \$17.63 ~~was~~^{were} credited to the account of this man.

As shown by the Vessel Summary, the fishing vessel "Sea King" was sold by MORI through the Japanese Fishing Vessels Disposal Committee for the total sum of \$610.00. \$100.00 was held back by the purchaser to satisfy a mortgage. \$8.60 were deducted by the Committee to cover their charges. The balance of \$501.40 was paid to M. MORI on April 11th, 1942.

The sum of \$5.00 has been credited to this man's account. This money was received from the Dominion Government in full settlement of the claim filed by him with the Japanese Fishing Vessels Disposal Committee for refund of expenses incurred at the time of the impounding of his fishing vessel.

This file reveals no other personal property of any kind whatsoever.

The above summary is certified to be in accordance with the information on file.

The above Japanese has written to us from Work Camp Unit No. 4, Three Valley, asking for his basket (willow trunk), stored at the residence of S. Honkawa, Port Essington, to be sent to him. Dear Sir:-

Re; Matsujiro Mori #11185

For your information we recapitulate the history of the Coho net as to which you have enquired.

At the end of the 1941 season Mori paid a \$100.00 deposit on a new coho net the full price of the net being \$260.00.

During the winter of 1941-1942 the Japanese were evacuated from Port Essington and Mori turned the net over to the watchman in charge at British America Cannery. Port Essington.

In April of 1942- April 7th to be exact this sum of \$100.00 was refunded to M. Mori by our head office in Vancouver.

Mori has therefore no further interest in this net.

With regard to other nets stored by Japanese we took an inventory of all these nets last April., 1942 and forwarded the list with the amounts due to individual Japanese to our Vancouver Office by whom payment was made to the Custodian. This cleaned up the Japanese net situation at British America and North Pacific Canneries and we have no nets on hand now in which Japanese have any interest.

We have a good deal of stuff still on hand at North Pacific such as bedsteads-boxes of household effects-gramophones and other odds and ends which we take this opportunity of reminding you are lying here entirely at the owner's risk. It would take an armed guard to prevent some pilfering and the rats maintain a steady attack on such things as mattresses for example. If it is possible to arrange for the shipment of this stuff to Vancouver we should appreciate it.

Dear Sir:-

Many thanks for yours of May 13th from which we see that the Japanese net situation at the Cannery under your control is now cleaned up.

Turning to the final paragraph of your letter it now appears that something should be done about this. We are anxious to keep shipping costs to a minimum and it may, therefore, be more economical to ship all this stuff to Prince Rupert for storage in the Japanese Hall if there is room there. On the other hand, if these things are likely later to be required by the owners, it would be more economical to bring them direct to Vancouver.

We are going through the lists that you sent with your letter of September 19th last year to Mr. Rorie and trying to come to a decision in the near future on this point.

We have before us your letter of the 16th September last received through the Department of Labour, Japanese Division, in which you state that you had an interest in the above property. In checking your registration form of March 24th, 1942 you state that you have no real property in any Protected Area of British Columbia. Your registration gives your home address as Port Essington, B.C. at that time. The signature on the registration form is not very similar to that on your letter of the 16th September 1945. We shall be obliged if you will let us know whom your partners were in the ownership of the above described property; when you purchased your interest in same and what interest you had. As we have others on our file of very similar name, we wish to be very sure that you are the one that has the interest in question.

Please let us know promptly so that our records will be complete in this respect.

Dear Sir:

Your file with this office reveals that, in your declaration to the Custodian, March 24, 1942, you reported ownership of one Cohoe net, valued at \$260.00, on which there was due North Pacific Cannery, in whose care the net was left, the sum of \$160.00. North Pacific Cannery informed this office on May 13, 1943, that the sum of \$100.00 had been paid to you on April 7, 1942, in full for your equity in this net.

The Victory Bond which you declared, and which was in your own possession at the time of your declaration, did not come under the control of the Custodian.

A mattress, some boat equipment and other chattels, identified as your property, were sold at auction by the Custodian for the net sum of \$17.63, which was credited to your account.

The sum of \$5.00 was received from the Dominion Government in full settlement of the claim, filed by you with the Japanese Fishing Vessels Disposal Committee, for refund of expenses incurred by you at the time of the impounding of the M.V. "Sea King". This sum has been placed to your credit.

The records of the Japanese Fishing Vessels Disposal Committee show that the vessel "Sea King" was sold by you through the office of the Committee for the total sum of \$610.00. At the time of sale, the mortgage in favour of H. B. Irving & Company Ltd. was satisfied in the amount of \$100.00, and the Committee's supervision charges of \$8.60 were paid. The balance of \$501.40 was paid to you on April 11, 1942.

In your letter of September 16, 1945, you stated that you owned an interest in the property described as 2225 Dundas Street, Vancouver, Lot 14, Block 21, D.L. 184. Funds derived from the sale of this property are being held until the owners have been identified, and it would assist us in this connection if you would let us have a reply to our letter of November 8, 1945, a copy of which we enclose.

The sum of \$22.63 is standing to your credit with this office at this time.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian and, in order that you may confirm this we enclose a stamped, addressed envelope for your convenience in replying.

Yours truly,

F. Matheson,

Dear Sir:-

Re:- 2225 Dundas Street,
Lot 14/21/184

We have your letter of the 11th instant referring in part to property mentioned in our letters to you of September 16th and November 8th last, also in our letter of the 14th ultimo.

Your reply of the 11th instant does not agree with our records of this property. You say that you and Arakichi Nishio(Nishii) were the owners of a half and half interest, whereas our records and those of the Land Registry Office indicate that the property in question was owned by nine different Japanese. Nishio(Nishii) is not mentioned as one of the registered owners.

It may be that you have mistaken the property for some other in that district, in which you and Nishio(Nishii) were interested. We have no record of this party.

In the meantime we cannot agree that you had any interest in the described property. If you can produce some evidence that you did have, we shall be glad to consider it.
