PERSONAL PROPERTY SUMMARY

August 28, 1946.

Re: Yasuichiro NODA (also NAKAI) Reg. No. 06269

This man signed a declaration to the Custodian on April 3, 1942. He was evacuated on May 28, 1942.

In his declaration he reported a boat turned over to Cassiar Canning Co., Skeena River. The records of the Japanese Fishing Vessels Disposal Committee show that this vessel was sold to that company and the net proceeds of \$195.50 were paid to NODA through U. SAKAMOTO, his attorney. This man also was part owner of a vessel, with I. HASHIMOTO and the records of the Japanese Fishing Vessels Disposal Committee show this was sold and the net proceeds of \$8,415.00 were paid to HASHIMOTO on March 4, 1942.

He reported a \$100.00 Victory Bond at his home and a bank account in the Royal Bank of Canada, Vancouver with a balance of \$500.00. These items did not come under the control of this office.

He reported a \$1,500.00 policy with the Sun Life Assurance Co. On November 20, 1944 we paid a premium of \$100.66 on this policy from the account of this man's daughter at her request, File No. 8272.

On June 5, 1944 he inquired about "40 cases and loose furnishings" left at 396 Powell Street, Vancouver. These were declared by his wife and are handled on her file, No. 10101.

The account of this man was credited with the sum of \$10.00 received as refund of security deposit for light from the B. C. Electric Railway Co.

The R.C.M.P. handed to this office a folding camera surrendered by this man. This camera is still on hand. *mailed Sept 24/46 FM*

On March 29, 1946 NODA wrote this office about a claim for \$100.00 against the Green Cover Salteries Ltd. for a cheque issued by that company returned by the bank "N.S.F." P. S. Ross & Sons, who are handling that company informed us it would be necessary to have this cheque and we so informed NODA but have received no reply and can therefore take no further action.

This file reveals no other property of any kind.

This summary is certified to be in accordance with information on file.

Sgt. Tamihiro NODA (also NAKAI) Reg. No. 06269

City of Vancouver Scavenging Dept. filed a claim for \$4.50 against this man. This was referred to NODA but we received no reply and are referring this claim to him again today.

This file reveals no other liabilities of any kind.

This summary is certified to be in
accordance with information on file.

August 28, 1946.

In letter of September 30th, 1945, NODA authorized payment of \$1.50 on the above claim, but stated that he did not think the remainder of the claim was justified. We have paid the \$1.50 to the City of Vancouver Scavenging Dept. and supplied that department with Noda's present address.

Mr. Yasuichiro NODA,
Reg. No. 06269,

Dear Sir:-

Thank you for yours of June 5th asking about your belongings. It is not quite accurate to say that you declared "forty cases and loose furnitures stored in the basement of Tamura Building at 396 Powell Street," as your registration of April 3rd, 1942, merely declared your fishing boat and then said that you had "No other possessions". Your wife did, however, declare a considerable number of what would appear to be restaurant equipment.

Two boxes were moved from 392 Powell Street being the front portion of the World Hotel and your wife was so advised on November 24th, 1942. We were under the impression that this comprised all her belongings but later moved a considerable number of unidentified articles from the rear of the World Hotel being 396 Powell Street. These are stored in the Hampa Buddhist Temple but are at present inaccessible due to the crowded condition of these premises. If at any time you make arrangements to have these sent to you (in which connection we enclose copy of the B. C. Security Commission's form letter G/534, from which you will see that you would have to make your own arrangements with friends) please be sure to mention all the markings these cases bear.

Dear Sir:-

Thank you kindly for your letter of September 24 inst.
and a camera you sent me. I have duly received them.

Regarding claim of City of Vancouver, Scavenging Dept.
I hereby state that by order of B.C. Security Commission I had to
clear off my premises at 362 Alexander Street, Vancouver, B.C.
by the middle of May, 1942 and I with my family was compelled to
evacuate Vancouver on the 13th day of the same month. I have
had no privilege of returning to Vancouver since.

With the above reason, however small the amount may
be and what authority they may represent, I would not like to
pay for unreasonable portion of the above claim except \$1.50
for alleged one and half month from April 1 to May 15th 1942.

Although I have enquired several times regarding
40 some boxes of my household chattels, which I have reported
to you at my evacuation, to have been stored in the basement
of Japan and Canada Trust Savings Company building at 390
Powell Street, I have not been fortunate enough to receive
satisfactory answer regarding the same. *see file 10101*

The above mentioned chattels involve considerable
amount of values, therefore, will you please check up regarding
the above and inform me in your early convenience.

VANCOUVER, B.C.

Dear Sir:-

I wish to file in to your office my claim of \$100.00 jointly against Green Cove Salteries Ltd., formerly of 217 Dunlevy Ave., Vancouver, B.C. and T. Ogino presently residing at Revelstoke, B.C.

The reason of above mentioned claim is as follows;

The Green Cove Salteries Ltd. issued on March 12 1942 the Royal Bank of Canada cheque in the amount of \$100.00 to T. Ogino. I have cashed the said cheque for T. Ogino believing it to be in good value as shown in the face. However, when I tried to deposit the same in to the bank I was told that the Green Cove Salteries account is short funded and the cheque can not be accepted.

In the meantime both Ogino and myself had to evacuate Vancouver and I still hold that cheque unsettled.

If you can collect the above amount from either of the above two kindly send me your cheque for the same.

Yours very truly
