PERSONAL PROPERTY SUMMARY

File No. 1361

Sept. 16/46

RE: Naka (Mrs. Asaiiro) MASE, Reg. No. 07718

This file reveals the above owned no real property in any protected area of B.C., and carried no Fire Insurance.

CHATTEL: The above, who made her declaration to the Custodian on April 2/42 and was evacuated on May 28/42, declared household effects as per list attached to the J.P. form, all in the custody of Shinya YOSHIDA, Int. 1401, at No. 2 Road and Moncton St., Steveston, B.C. All the goods found in this house were inventoried by Custodian agent, Mr. G. M. Harris on Jan. 31/44, List #459 and on June 8/45, List #35, in the name of Shinya YOSHIDA, and moved to central storage. On April 20/45 we received a letter from Miss Kathleen Lang, Church of England missionary to the Japanese, written on behalf of the above, asking us to ship three musical instruments, item No. 2 on her list. These were duly shipped on June 8/45. When the goods removed from the house of Shinya YOSHIDA were sold at auction, the proceeds from sale of all articles which could be identified as belonging to the above, in the sum of \$60.88, were credited to her account. On June 19/45 we wrote to the above and asked her for a list of goods which she had stored at the house of S. YOSHIDA. She sent a list of same per Miss Kathleen Lang to the B.C.S.C., who forwarded the list to us. On Aug. 20/45 we sent Miss Lang a list of goods sold at auction and credited to S. YOSHIDA, and also enclosed a list of goods which had been sold and credited to the above, and asked Miss Lang to let us know if the goods had been correctly credited. The list of goods credited to YOSHIDA was returned to us with the items marked which the above claimed belonged to her. This occasioned some adjustments which have been made. No goods were found at Pacific Coast Cannery House #9.

The file reveals the above owned no specified articles.

LIFE
INSURANCE: The above declared an insurance policy #3321 in the sum of \$1000.00 with the Provident Mutual Benefit Association. This policy was not brought under the control of the Custodian.

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

Dear Sir:-

I am writing on behalf of Mrs. A. Mase of Shuswap B. C. I understand that before leaving Steveston Mrs. Mase stored three musical instruments in the cupboard in the upstairs right hand room of the house which you are now occupying. She would like very much to have these instruments (shamisen) sent to her if it would not be too much trouble for you. There are three boxes. Two apple boxes which are tied up in a large square of green material and a square box of whitish wood. The last named box is of very soft material so that in shipping it would no doubt need the extra support of a carton for protection. The instruments which are long have been taken apart and packed. I am sending you a sketch so that you will have some idea of the nature of the articles asked for, and of their length when taken apart.

I am not quite sure whether the White transport handles shipping in your district or not but if such a transportation firm is working there that would probably be the most convenient form of shipping as the White transfer does travel through this district. Mrs. Mase is quite willing to leave this arrangement with you so that you might have as little trouble in the matter as possible. Mrs. Mase will pay all charges collect unless you prefer her to send the money in advance and will let her know the amount required. Mrs. Mase lives at Shuswap B.C. right next door to the Shuswap general store.

Thanking you for your kindness,

Re: Mrs. Asajiro Mase: # 03734. File 1361-1363. Int. 14011.

Dear Sir:-

With reference to your letter of June 19th. Mrs. Mase has asked me to say that she left the following articles at Mr. S. Yoshida's:

- ✓ 2 Large Boxes approximately 45" by 30" by 30" made of wood and containing Trays, chair cushions, a number of boxes containing lacquer goods such as rice bowls etc.
- ✓ 3 Apple Boxes containing dishes.
- ✓ 1 Large Mantle Clock with pendulum, oval face, about 23" tall.
Singer Sewing Machine. Open pedal with three drawers.
- Large GRAMAPHONE. 21" width, 34" length, about 30" high. ✓ 3 record books on one side, horn of machine on other side enclosed.
- 2 Large & 1 Small. Flower Pot Stands, home made 2 shelves each.

There were a few other small articles which Mrs. Mase does not remember very fully about but all articles are marked with her name as per the enclosed tag. The markings are for the most part right on the boxes.

Besides the things left at Mr. Yoshida's Mrs. Mase left all her kitchen dining and sitting room things at The Pacific Coast Cannery, House #9. Mrs. Mase says that a man came out from the Custodians' Office and went over her things before they left but she doesn't know whether the things were listed or not. I am listing some of the articles below:

Kitchen stove, 6 covers.
Heater.

Kitchen Table and 6 chairs.

2 Kitchen cabinets with glass doors on top.

1 Kitchen Cabinet with wooden doors.

Oilcloth on all floors.

Carpenters Tools about \$100.00 worth.

✓ Box Kitchen Utensils.

Net Tools and cord for making nets, new as received \$10.00

6 Rice saks with boxes inside. (Special boxes for Japanese food)

Several large crocks 8 and 10 gallons.

Large square carton with wash basins etc. in it. Wooden tubs for rice.

✓ Dining Room set, table and chairs, Chairs round with straw seat.

Old fashioned, "horse hair couch, recovered with cretonne.

✓ 1 Dressing Table with Mirror. Mirror shaped like shield.

All the small things were storred in the attic.

The Shamisen sent I presume from your department reached Shuswap with the outer boxes in good condition. The articles themselves were in very bad condition. The box part of these instruments is covered with a material similar to that used to cover drums. The older of the three was split completely across. The other two slightly split. I do not really know anything about such instruments but think it is possible they were dried out and so split with movement.

Trusting that the above is the information you were requiring,

Dear Madam:

RE: Chattels of Mrs. Asajiro MASE
Reg. No. 03718

We are in receipt of your letter of the 28th of June last, addressed to the B.C. Security Commission, which has been handed to us for attention.

We have read over the list of goods given by Mrs. Mase as belonging to her and which were left at the house of Mr. S. Yoshida. We are enclosing herewith list of goods sold at auction and credited to Mr. Yoshida and would ask you to have Mrs. Mase check this list and tell us what items, if any, are hers. We think that some of her goods may have been wrongly credited to Mr. Yoshida. We also enclose list of goods sold at auction and credited to Mrs. Mase and would ask you to have her advise us if these articles have all been correctly credited to her. This would be of great assistance to us in getting this matter cleared up.

Yours truly,
