Re: F/W A-217, HAYASHI, Tsunekichi

The address given in your memo of April 27th proved to be the Hamilton Bridge Company Plant.

The property next door however, (130 West 1st Ave.) is evacuee Japanese owned, and a search here revealed many items which more or less coincided with the list declared by the internee, and if this is the address intended, then, the place has been thoroughly ransacked. The door was open and chattels thrown around the rooms.

Nothing of value remained except a heater stove, the value of which would not exceed \$2.00 and insufficient to justify removal expenses.

Dear Sir,

Letter forwarded to me a few weeks ago in respect of the claim laid against me by Dr E. D. Carder, I have not forgotten nor ~~am~~ I trying to ignore it, and I will endeavor to do my utmost as I have in the past, in settling the balance due him.

I am afraid this payment must be procrastinated for I am hardly in the position to do so as I have to send money in support of my wife and four children, since they are unable to get any allowance in B.C.. And with me, living in rented rooms and cafe existence, one can well see that it takes most every cent to keep on.

In the past, I have tried many times to call out the families but with housing difficulties in London, where I was, this was impossible. Rejoining of the family will positively cut down the present expense thus helping out in our payments but this is again

- impossible for, tho' I have found a place
where we can reside, they, my family, are
at the moment not permitted to enter this
city, as you well know.
Hoping that this letter will
somehow clarify the difficulties I am going
thru at present.

Yours truly
I. Hayashi.
