I haven't a record of a telescope but I can lightly realize the size was 7x8 or 8x7. My friend bought it for me when we were living at Skelna (this friend is not living here now, he had gone back Japan). It was brand new when I bought, & had paid \$68.00, & being used only two summer for fishing period. This man gave us a receipt of a telescope, but this was lost too.

We have had a letter from the above sending his thanks for the tools which he has now safely received.

He apologizes for troubling us further but requests the shipment of Numbers 1 and 2 boxes of kitchenware of which he is urgently in need. He requests that these be shipped with care for the contents are fragile, freight charges payable collect to him at Lillooet.

Attention Mr. C. L. Drewry.

Dear Sir:

re: Judo Tasaka. Registration No. 10925.
My File No. 43.

In accordance with the request contained in your letter of 31st March 1942, I have investigated the following property and liabilities as recorded on the above man's registration form dated 24th March 1942:

Real Property:

"Boat building house on B. C. Packers' land at Claxton Cannery, B. C."

Personal Property:

" 1 Diesel Engine boat (Kingcome) and 1 gas boat (Orion) in boat house at Claxton, B.C."

" 2 newly completed fishing boats built for the B. C. Packers, Claxton, B. C., in the boathouse at Claxton, but title has not yet been passed to the B. C. Packers."

Liabilities:

Edward Lipsett Ltd.,	Prince Rupert, \$ 650.00
Telegraph Cove Lumber Co.,	Telegraph Cove, \$ 450.00
H. Nishimura, Grocer,	
4th Avenue, Kitsilano, Vancouver, B.C.	\$ 225.00

In connection therewith I have to report as follows:

Real Property:

Personal Property:

I have received the following letter from the B. C. Packers Limited with regard to the above:

"It would be impossible for the above-named man to own a building on this Company's property, but we will explain that this boathouse was built by a Japanese, who is now residing in Japan, with lumber supplied by this Company. If it was sold to Tasaka by this Japanese, he had no right to do so.

"Regarding the boats 'Kingcome' and 'Orion', they have been taken over by the Navy and are administered through the Japanese Fishing Vessels Disposal Committee of Vancouver, B. C. The two boats built for us were built with our material and Tasaka has already been paid for his labour.

"We hope this answers all your enquiries.

Yours very truly,

BRITISH COLUMBIA PACKERS LIMITED.

per: (Signed) A. E. Lawson."

Liabilities:

Edward Lipsett Ltd. state that their account has been paid in full.

Telegraph Cove Mills Ltd. state that there is nothing owing to them and that the material supplied to Tasaka was transferred to the cannery for which he was working.

H. Nishimura account, being a Japanese account, has not been confirmed.

Recommendations:

I recommend that Tasaka be interrogated for the purpose of confirming the statements made by the B. C. Packers Limited and that the debt due to H. Nishimura be confirmed by reference to the latter's registration form wherein it should appear as money owing to him.

Yours faithfully,

H. G. Hinton

Dear Sir:

In your declaration to the Custodian, you stated that you owned the house built on land owned by the B. C. Packer's Limited.

We are in receipt of a letter from the above firm stating that it is impossible for you to own a building on this Company's property, as this boat-house was originally built by a Japanese who is now residing in Japan, with lumber supplied by this Company. If it was sold to you by this Japanese, he had no right to do so.

Will you kindly advise in regard to this?

I am dropping a few lines

The company supplied the

In regard to the money

Re: Jude TASAKA

In regard to the house occupied by the Tasakas on your land at Claxton, B. C., of which you advised our agent, Mr. H. G. Hinton of Victoria, that it would be impossible for Tasaka to own the building on your property, we have received a letter from Tasaka stating that the Company supplied the old house at Balmoral Cannery to the first owner and that he tore it down and brought it to Claxton and re-built it, and Tasaka claims he bought it for \$150.00, representing half of the labour or \$150.00 plus half of the labour, we cannot tell which from Tasaka's letter.

Will you please advise us if there is any merit in Tasaka's claim?

Dear Sirs:

Re your letter of June 10th we add nothing further to our letter sent to your agent, Mr. H.G. Hinton of Victoria, that this man Tasaka had nothing whatsoever to do with the building of the house. The actual money that he claims was paid through must have been paid to another Japanese and was never paid over to the Company. The letter states that the house was taken from Balmoral Cannery and rebuilt at Claxton, this is correct but Tasaka had nothing to do with these arrangements.

Dear Sir:

Re: Judo TASAKA, #10925, Custodian File 1484

According to information supplied to this office, the above-indicated Evacuee surrendered to Naval Service the following articles:

One Telescope - Valued at \$68.00
One R.C.A. Victor Battery Radio No. 301

The report of the Royal Canadian Mounted Police shows that on April 1st, 1942, Constable J. F. Piper received from the Naval Officer-in-Charge, Prince Rupert, the following:

One R.C.A. Victor Mantel Radio Serial No. 301
Three "B" Batteries (Radio)
One "A" Battery (Radio) Air Cell,

but does not show the telescope, and Superintendent Gray, of the Royal Canadian Mounted Police, has advised us that, "the telescope referred to was not handed over to our Department by Naval Authorities, and I have no knowledge of it."

Judo Tasaka, formerly lived at Claxton Cannery, Skeena River, and was the owner of three fishing vessels. Two of these vessels were immobilized at Claxton Cannery, the clutch of one and the propeller of the other having been removed by Naval Service, according to information given to this office. It is possible that the telescope was seized at the time the boats were immobilized and that this article was stored with the boat parts at Prince Rupert. We would, therefore, be pleased if you would check into your records, and let us have any information you may have in regard to this telescope.

But I am truly that it was being surrendered at the same time as my radio, & the receipt of both had being lost. But I had found out the radio's number from Mc. Rae at Pt. Rupert.

I can remember the time we surrender, the only telescope being give up were two from Claxton Cannery, & that one beside my was I mekichi Hamade. My shape is pretty near the same as T. Hamade's, which they are both new styles. I don't know how much Mr. Hamade had paid for his, but mine was \$68.00

Re: Judo TAsAKA, #10925, Custodian File 1484

According to information supplied to this office, the above-mentioned man handed to Naval Service the following:

One Telescope (Black with light brown leather case)
One R.C.A. Victor Battery Radio No. 301.

The radio was turned over to the Royal Canadian Mounted Police by the Naval Officer-in-Charge, Prince Rupert, on April 1st, 1942, but the telescope apparently was not handed to the police.

Judo TAsAKA was a fisherman and owner of three fishing vessels. He formerly resided at Claxton Cannery, Skeena River.

The Naval Officer-in-Charge, Prince Rupert, wrote us on October 6th, 1944, advising that a search had been made at Prince Rupert base, but no trace of the telescope could be found. He suggested that we take the matter up with your office so that a search could be made at Esquimalt.

The telescope was purchased in June, 1940, and was valued at \$68.00. The size was 7 x 8.

I have received your letter, concerning the release of my radio fund of \$31.52. The debt to S. Izukawa, this hasn't been settled yet, but I have had bad luck last July. My baby boy was confined to Kamloops Hospital & had died there. Travelling & everything are so inconvenient that the total sum spent for this funeral was \$50.00. My friend loaned me some money but I haven't had return that either.

We are glad up now, that \$31.52 comes into my hand it is so handy for us.

Dear Sir:

Re: Your File P C.10-5-14
Judo TASAKA, #10925

We wrote you on October 10th, 1944, in regard to a telescope surrendered by Judo TASAKA, of Claxton Cannery, Skeena River, to Naval Service. You replied on November 6th, that no trace of this telescope could be found.

Since writing, we have received a sketch of the missing article. This sketch shows that the article was a set of prismatic binoculars, black with light brown leather case, size 7x8.

Two sets of binoculars are reported to have been surrendered at Claxton Cannery; the other being the property of Tomekichi HAMADE. Radios belonging to these two men were turned over to the Royal Canadian Mounted Police by the Naval Officer in Charge, Prince Rupert. This is mentioned as it may be of some assistance to you in tracing the binoculars; it being likely that the binoculars and radios were seized at the same time.

Any information you can give us will be appreciated.

Mr. Jude TASAKA,

Dear Sir:

Your file has been up for review and we take advantage of this opportunity to give you a brief resume thereof.

Personal Property: We held no chattels at the present time, the household and personal effects declared by you having been either shipped to you, or sold, and net proceeds credited to your account. This, however, does not apply to an English dictionary to which you refer in a pencilled note attached to our (returned) letter of May 4/46. We cannot trace this dictionary and assume it must have been lost or stolen.

Specified Articles: Your Fishing Vessel, the "Kimitsu" was sold by you through the Japanese Fishing Vessels Disposal Committee for \$1200.00, the net proceeds, after retiring a Mortgage of \$603.84 and charges (\$12.00), being paid to you in the sum of \$584.16.

Your Fishing Vessel, the "Kingsome" was sold by you through the Japanese Fishing Vessels Disposal Committee for \$500.00, the net proceeds, after payment of \$127.50 to B. C. Packers and charges (\$7.50), being paid to you on Oct. 1/42 in the sum of \$365.00.

Your Fishing Vessel, the "Orion No. 2", was sold by you through the Japanese Fishing Vessels Disposal Committee for \$650.00, the net proceeds (\$641.00) being used to pay (at your request) \$556.29 to Edward Lipsett Ltd., leaving a balance of \$84.71, which was paid to you.

An R.C.A. radio set which you turned over to the police was later sold by auction, the net proceeds (\$31.52) being credited to your account. The original receipt issued to you by the Royal Canadian Mounted Police having been lost a signed statement to that effect was received from you (Jan. 23/45) and accepted in lieu thereof.

You also appear to have lost the receipt for a pair of binoculars (at first described by you as a telescope) said to have been taken by the Navy. Efforts to trace this instrument through the Navy have failed, and the lack of a receipt or other acceptable evidence is a handicap to further efforts on your behalf.

Bonds, Shares, etc.: War Savings Certificates (\$15.00) declared by you remained in your possession and did not come under our administration.

(Over)

Mr. Judo TABAKA.

Page 2.

March 7th, 1947.

Life Insurance: A Sun Life policy for \$1,000.00, declared by you, remained in your possession and under your control.

Liabilities: In your declaration of assets and liabilities dated Mar. 24/42, you listed: (1) \$650.00 as owing to Edward Lipsett Ltd., (2) \$450.00 to Telegraph Cove Lumber Company, and (3) \$225.00 to H. Nishimura, Grocer. Creditors subsequently (May, 1942) advised payment of (1) and (2) and on May 31/42, you advised settlement of (3). Under date of Sept. 19/42, a claim of \$45.69 was filed against you by Sakuhei IZUKANA, who was later (Feb. 22/45) referred to you for direct settlement of this claim.

Funds: There is a balance of \$3.28 standing at the credit of your account at the present time and as no further entries are expected we enclose our cheque in your favour for this amount, and are closing your account.

This would appear to account for all property of every kind left by you in the protected area which vested in the Custodian, and in order that you may confirm this, we enclose a stamped addressed envelope for your convenience.

Yours truly,

R. G. Bell,
Office of the Custodian.

Dear Sir:

I have today received a copy of a letter dated 21st April from Mr. Colley in this case, and note from the subscript that a carbon copy was sent to you.

Please note that the quoted part of this letter as signed by Judo Tasaka is completely false. The Custodian gave no such advice to this claimant. The fact is that the claim was rejected, but I believe that for some reason or other Mr. McMaster wished to speak to it again.

I am not sending you the Master File in this case as it does not appear to be necessary.

ANALYSIS OF CLAIM

Judo TASAKA

File 1484.

(1) \$2,500.00 on F.V. "Kingsome".

Owner states Estimated Value to be \$3,000.00
He sold it himself (24/7/'42) for " 500.00

(2) " 600.00 on F.V. "Kimitsu".

Owner states Estimated Value to be \$1,800.00
Vessel was sold (3/3/'42) to Mortgagees for \$1,200.00
(Owner was not evacuated until May 4th, 1942, and would, therefore, appear to have been a party to this sale).

(3) \$ 850.00 on F.V. "Orion II".

Owner states Estimated Value to be \$1,500.00
Vessel was sold, March 20th, 1942, for " 650.00
(Owner was evacuated May 4th, 1942, and therefore would appear to have been a party to this sale).

(4) " 73.48 on Radio set.

Owner states Estimated Value to be \$ 105.00
Sold (18/4/'44) by Auction, in Vancouver, for (nett) " 31.52

(5) " 68.00 Binoculars.

Owner states purchase price (June, 1940) to have been ... \$ 68.00
He did not declare this item to the Custodian, presumably because it had been taken by the Navy some time prior to the date of his JP declaration. In reply to our request for information the Navy report that they cannot trace this article, and claimant's loss of his naval receipt stands in the way of the question being followed up.

(6) " 239.72 on Furniture and Kitchen Goods, Gas Lamps, Oil Cloth.

Owner states Estimated Value to be \$ 243.00
Net proceeds of all chattels removed from Claxton Cannery to Prince Rupert and there auctioned, amounted to " 3.28
Claimant's JP declaration (24/3/'42) reads: "3 boxes, 1 mattress and personal effects marked with owner's name in custody of police at Claxton." and "2 boxes carpenter's tools in custody of brother, Vancouver.". On the 27/7/42 he acknowledged having received a shipment of Tools from the Claxton Cannery, and at the same time he declared: 2 boxes Kitchenware (which he desired to have shipped, charges collect); a mattress; and a pkge of Household Goods. His request for shipment was duly passed on to the Cannery, and was presumably acted on as there is no further reference to the subject.
