LIABILITY SUMMARY

File No. 1555

June 25, 1947.

Re: Mr. Tokio UYEDA, Reg. No. 14427

This file reveals the following liability:

On March 30th, 1946, Sadajiro NISHIZAWA, File No. 3991, informed this office that Tokio UYEDA was indebted to him in the amount of \$250.00. We referred this claim to UYEDA who stated that he was not sure of the amount. He said that this debt had been transferred to him from his father. His father, he said, had owned a logging camp and had bought goods from NISHIZAWA and had been paying the debt up to 1939 when the son undertook to make payment of his father's indebtedness. Copy of letter, June 17th, 1947 from the Montreal Placement Officer of the Department of Labor, Japanese Division, states that UYEDA has been ill for the past year and has been unable to work. He asks if we could pay Mr. NISHIZAWA \$125.00 on account and send him the balance of his funds. We are, therefore, transferring to Mr. NISHIZAWA \$125.00 to apply on this claim and will send UYEDA the balance of his funds.

This summary is certified to be in
accordance with information on file.

PERSONAL PROPERTY SUMMARY

File No. 1555

June 24, 1947.

Re: Mr. Tokio UYEDA, Reg. No. 14427

This man signed a declaration to the Custodian on April 3rd, 1942. He was evacuated on June 29th, 1942.

In his declaration he reported ownership of a gas fishing boat named "Swallow", in custody of the Navy, New Westminster. The vessel "T.U."/"Swallow" New Westminster license number 3184, was sold for the total sum of \$270.00. Supervision costs were \$36.67, leaving a net sum of \$233.33 which was credited to the account of this man.

He reported fishing gear marked with owner's name at Celtic Cannery. Fishing gear found tagged with the name "T. Uyeda" was sold for the net sum of \$227.50. As Tokinosuke UYEDA, File No. 1831, father of Tokio UYEDA, also declared nets at B.C. Packer's net house, the matter of ownership of the fishing gear was referred to these two men. On October 29th, 1945, Tokinosuke UYEDA informed this office that the fishing equipment belonged to his son. The proceeds from the sale of this fishing gear was, therefore, credited to the account of Tokio UYEDA. Tokio UYEDA reported personal effects at Hastings Park in his own possession. It would appear that these effects were taken away by him at the time of his evacuation. Mr. W. Sparks, 5662 Carnarvon Street, Vancouver, reported to this office that he was holding five boxes of personal effects and three bedsteads left in his care, to be forwarded to Tokio UYEDA as soon as they were settled in the interior. These goods appear to have been the property of Tokinosuke UYEDA. Some goods were shipped to him by Mr. Sparks. The remainder appear to be the goods sold at auction September 14th, 1944, and credited to the account of Tokinosuke UYEDA.

Tokio UYEDA reported that the sum of \$75.00 was due him from Yonesaburo KURODA, who has been identified as the person whose registration number is 03218. This man had no funds and did not reply to letters. UYEDA was supplied with the address of this debtor on March 16th, 1943, and informed that no further action would be taken by this office.

Tokio UYEDA declared a Sun Life Assurance Company Policy Number 2210526. This was not brought under the control of this office.

A scow-house reported to be the property of Tokio UYEDA and Yutaka SHINTANI, File Number 3340, was sold by tender to Mr. O. J. Maarsund for the total sum of \$210.00, after appraisal and advertising. The appraisal and advertising costs amounted to \$22.72, leaving net proceeds of \$127.28, which were placed in a joint account. On December 10th, 1945, we received a letter signed by the joint owners of the scow-house asking that these funds be divided equally between them. The net amount received for his interest in the scow-house by UYEDA was \$93.64.

This file reveals no other property of any kind. A statement of this account is filed under date of April 2nd, 1946. This shows a credit balance of \$321.14. No entries have been made since that time.

This summary is certified to be in accordance with information on file.

On Aug. 25/47, we received from the R.C.M.P. two rifles identified as the property of UYEDA. (Receipt received in letter from Police, July 11/47. UYEDA had requested sale of rifles as per letter from Dept. of Labour, Quebec, dated July 5/47. Rifles were handed to Ross Auctioneers and sold for net sum of \$28.00. This amount remitted Nov. 5/47

Additional Information: The JFVDC survey states, "Boat older than listed, probably six years old- Engine newer than hull." and gives 1938 as date of engine. Mr. Gould's report says, "Cylinder fractured" This boat apparently had been used in 1942, as Nelson Bros. claimed for equipment in August, 1942. Therefore the cylinder must have been all right at that time. Extreme cold in winters of 1941-42 and 1942-43 would be likely to have caused this damage. It is possible that Uyeda may make claim in regard to this vessel.

Office of the Custodian

506 Royal Bank building. City.

Dear Sirs :- Attention Mr. H. P. Green,

Replying to yours of the 4th. inst. received this morning.

Re ; 1226 West 77th. Ave. Files No. 2313 - 3340 - & 1555.

This property consists of a scow house on the water front about the foot of Selkirk street, size 18 by 48 feet, supported on posts inserted in the river bed. The land on which the building stands is outside the dyke, and is owned by the Provincial Govt. The upland adjoining, I believe, belongs to the City of Vancouver through tax sale proceedings. This land also has riparian rights to an interest in the land outside the dyke, but the owner must get a lease from the Prov. Govt. before he can legally use it.

If title to the land on which the building stands could be obtained, the building might be worth \$ 200. but as this is not available the value of the building is very little, though it might be rented to a fisherman for say \$10. per month.

Yours faithfully

Re: Seow House for Sale

Mr. Green attended my office this morning and we opened the tenders for the Seow House situate at the foot of Belkirk Street. The advertisement appeared in the local papers on the 21st of September, 1943, tenders to close on the 6th day of October, 1943.

From report of Messrs. J. W. Fairhall dated September 8th, 1943, it appears that the valuation is put at \$200.00, provided title to the land could be obtained. We expressly stated in the ad that the purchaser would be required to make arrangements with the Provincial Government relative to the lease.

I have advised Mr. Green to accept Mr. Maarsund's offer of \$210.00 but to make it perfectly clear to the purchaser that he must arrange the title and Mr. Green understands that if Maarsund is not satisfied, his money will be refunded and we will review the other prospects. We will hold all cheques received until such time as we have Mr. Maarsund's decision. These have been handed to the Accountant for safe keeping.

We acknowledge your letter of October 4th and enclosed cheque for 10% of your offer of \$210.00. Herewith our receipt.

We will recommend acceptance of this offer but before doing so, we wish to make it perfectly clear to you (as was indeed set out in the advertisement) that the Custodian is unable to give any title whatsoever to the land on which this building is at present situated. It is erected on the Provincial Government foreshore and it would be necessary for you to protect yourself as to the possibility of the building being allowed to remain where it is.

We also wish to make it clear that it will be up to you to make arrangements about possession with the present occupier of these premises. The name of this gentleman is Mr. Allen Campbell and he may be found at 306 Hythe Avenue if not actually on the premises at 1226 W. 77th Avenue. In this connection, we should make it clear that Mr. Campbell has been looking after these premises at the request of another person now in the Army to whose care the building was entrusted by the Japanese tenant. This office has not raised any objection to his tenancy but it has never been directly authorized by us.

If the above is satisfactory, please send to us your cheque for the balance of \$189.00 and we will arrange to pass title to the building. We should like your decision as promptly as possible as we have other parties who are

We are in receipt of your letter of September 20th, in which you request that the balance of the funds standing in your account in this office be sent to you. However, before this money can be sent to you, it is necessary that we have reasonable proof that the articles sold were your property.

Both yourself and your father declared fishing gear left at British Columbia Packers' net house, but neither of you, although requested by this office to do so, have supplied any detailed information in regard to your fishing gear. Attached is a list of the fishing gear found tagged with the name "T. Uyeda". This gear was sold for a total sum of \$227.50. We would be pleased if you would inform us which of the items listed are your property and which are your father's property.

A scow-house, reported to be the property of yourself and Mr. Yutaka SHINTANI, was sold for the sum of \$210.00. Expenses in connection with the sale (advertising and appraisal costs) amounted to \$22.72, leaving a balance of \$187.28. If you owned an interest in a scow-house, would you kindly inform us of the extent of your interest?

When we have received whatever information you can supply in regard to these matters, we will be in a better position to deal with your request for remittance of the remainder of your funds.

Yours truly,

George B. Spain,
Protection Department.

Dear Sir:

Received your letter of April 15th 1946 regarding my statement and of the sum I owe to S. Nishigawa.

I am not so sure now but some date in 1939, this account I owe to Nishigawa was transferred over to me from my father by Nishigawa himself. My father owned a logging camp for which he bought goods from Nishigawa. But unfortunately he went bankrupt and owed a big account to Nishigawa and had been paying the debt till 1939. But since he was getting old Nishigawa made it that it would be transferred over to me, and since then I had been taking care of it.

I am badly in need of money myself for I have a few debts of my own besides my father's. And

so if it is possible again, referring
back to your letter of March 16th
and April 5th 1943, regarding Yonashiro
Kamada #03128 Greenwood, S. C. who
is indebted to me the sum of \$75.00.
I would like to have you collect
this sum or any amount from him
and turn it over to Nishigawa.

I also want to have the debt
amount of \$250 checked over since
I have no bills or statement regarding
how much I had paid back to Nishigawa.
And that my few payments were paid
whether from the amount of \$250 or
not. As I recall I think I made
the few payments from the amount
of \$250 which then would leave a
smaller balance. I would like to
know if the balance of the payment
is really \$250 or less, to the way I
recall. I thank you.

Yours very truly,

Dear Sir:

This will acknowledge receipt of your letter of February 15th with reference to your claim against Tokio UYEDA, in the amount of \$250.00. We have received a letter from Mr. Uyeda in which he states, as follows:

"I also want to have the debt amount of \$250.00 checked over since I have no bills or statement regarding how much I have paid back to Nishizawa. And that my few payments were paid whether from the amount of \$250.00 or not. As I recall I think I made the few payments from the amount of \$250.00 which then would leave a smaller balance. I would like to know if the balance of the payment is really \$250.00 or less."

We again wrote to Mr. Uyeda informing him that your claim was still \$250.00 and requesting him to get in touch with you to arrange a settlement, and to let us know the results of your arrangement. We have not heard anything further from Mr. Uyeda. For your information, his present address is - 1427 Drummond Street, Montreal, P. Q.

Re: Mr. Tokio UYEDA #14427
Custodian's Funds

We are attaching copies of letters dated April 2 and April 15/46 addressed to the above-named from the Office of the Custodian.

Mr. Uyeda has been ill during the past year and has been unable to work. His savings are now exhausted and he is requesting that the balance of money being held by the Custodian, be forwarded to him to help pay for his lodgings.

We understand he has a total amount of \$321.14 but owes \$250.00 to Mr. S. Nishizawa. He is asking if the Custodian could pay Mr. Nishizawa \$125.00 on account and send him the balance of \$196.14. If this cannot be done, then Mr. Nishizawa will have to be paid off and the balance of \$71.14 be forwarded, care of this office.

Mr. Uyeda has been ill with pleurisy and following complications during the past year and is badly in need of financial assistance. We understand this debt to Mr. Nishizawa was incurred by Tokio's father who is now in Japan.

The boy signed a note promising to defray this debt for his father, but is certainly in no position now to do so.

Please advise.

Will be very pleased if it can done as soon as possible. Thank you.
