A search of the title disclosed that this property reverted to the Municipality for unpaid arrears of taxes, as advised by the Collector on October 21st, 1942. Yukichi YAMAMOTO was so advised on October 22nd, 1942 and failed to redeem the property within the limit given.

CHattel SUMMARY

File 1706

January 21st, 1946.

Re: Yukichi YAMAMOTO, Reg. 08359

This Japanese person declared on March 28th, 1942 that he owned and had left at 1011 Royal Avenue, New Westminster the following goods: 1 table, 1 trunk and one chest. He was evacuated on March 29th, 1942

He apparently occupied the dwelling on rental from Toshio NISHIJIMA, File 11662. With reference to the latter file, it reveals that NISHIJIMA only left a few books of no value there. On August 6th, 1942 A. W. McLeod Ltd. our agents in New Westminster stated that they were unable to locate YAMAMOTO'S effects. However, in answer to our inquiry the latter advised us that these were located in the basement of 1011 Royal Avenue, New Westminster. After an additional investigation by gaining entrance with a key supplied by the tenants, to the basement door to the left of the premises, it was found that a quantity of goods were stored and piled up against the door and were apparently untouched.

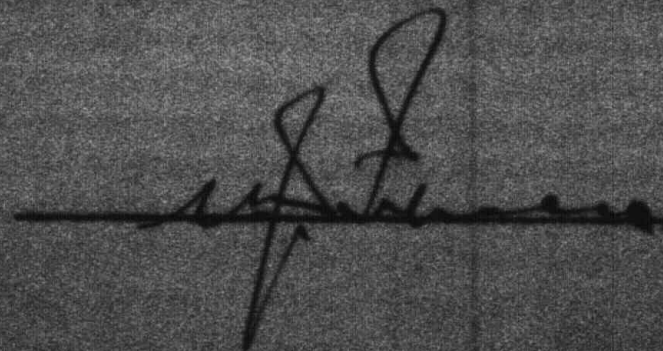

On January 28th, 1944 YAMAMOTO requested us to ship his effects but the B. C. Security Commission was advised on July 25th, 1944 that his goods appeared to be buried beneath other chattels and that they would be shipped when this storage place was cleared.

Prior to our auction at New Westminster on August 30th, 1944, the stored goods were removed to our auction rooms. At this time it was found that another entrance had been gained into the basement and tool boxes and other effects ransacked. The tenants were questioned but gave no explanation other than that plumbers had been working in the basement.

These effects belonged to YAMAMOTO and Hanae NISHI, File 10378 and were identified as theirs. Each of these persons had tool boxes and both boxes contained only a few tools and fittings of nominal value. A trunk identified as YAMAMOTO'S was found empty and so decayed that it was abandoned. Under these circumstances it was thought inadvisable to ship them to YAMAMOTO. His table and tool chest were sold at our auction #13 and realized the net sum of \$2.11, this amount being placed to his credit.

This summary is certified to be in accordance with the information on file.

Dear Sir:

With reference to the vacant lot which you owned at North Vancouver, Lot 11, Block 2, D.L. 813, you are aware that this lot was sold at last year's tax sale held on September 8th, 1941 because of heavy arrears in taxes. You were advised by the Corporation of the District of North Vancouver that unless the property was redeemed by September 8th, 1942, the Municipality would be the owner. You have not complied with this condition and therefore, normally, now you have no interest in this land. However, if you are in a position to provide us with funds to pay up all arrears of taxes, we may be able to come to some arrangement with the Municipality.

Unless we hear from you by the 5th of November, we shall assume that you realize that this land has passed out of your hands.

Yours truly,

P. Douet,

Dear Sir:

Your file has been reviewed and the following is noted:

You declared on March 28th, 1942 that you owned certain property in North Vancouver. After investigating however, it was found that the property had reverted to the District of North Vancouver on September 8th, 1942 for unpaid taxes and it was purchased by the Municipality as of that date with the provision of redemption within one year from September 8th, 1941 by payment of all tax arrears.

We advised you of this on October 21st, 1942 suggesting at the time that you remit us funds for this purpose. You failed to do this and the property therefore, passed out of your hands.

Certain articles removed from 1011 Royal Avenue and identified as yours were sold at auction in accordance with Government provisions and the net sales proceeds \$2.11 was placed to your credit.

Your War Savings Certificates of \$50.00 and \$40.00 respectively did not come under the control of the Custodian.

We enclose herewith our cheque in the amount of \$2.11 which closes your account on our books.

It would appear that we have accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian, and in order that you may confirm this and acknowledge the cheque we are enclosing a stamped addressed envelope for convenience in replying.

Dear Sir:

Re: Yukichi YAMAMOTO - Reg. No. 08359

We received your letter of the 18th February, which showed a balance of \$14.00 still owing from Yukichi YAMAMOTO's 1944 income tax year.

We would refer you to our letter of the 11th May, 1946, to which was attached a copy of income tax return which indicated an overpayment of \$19.50. As this Japanese was being repatriated to Japan, consideration was asked for a repayment of this amount, to which we received no reply. We would ask that you advise us regarding this situation as it would appear that this over payment will more than cover his outstanding 1944 taxes, and that a refund is still due his account at this office.
