Dear Sir:

Re: Seihachi Irie

As requested in your letter of the 6th inst., I drove out to the boat building establishment at 1280 West 77th Avenue yesterday to see Mr. E. Tompkins, but he was not there. In his office there was a letter from the custodian which had been opened. Allan Campbell a fisherman informs me that Tompkins has been in to see the custodian twice; that Tompkins bought the building from the jap, and that he Allan Campbell bought the machinery from David E. Conroy, lumberman, 1201 West Georgia Street on May 6th inst., for \$ 500.00 and that David Conroy bought the machinery from Irie on or about March 6th inst. Campbell produced a bill of sale from Conroy to himself dated May 6th, 1942 showing the transfer of the machinery from Conroy. Campbell states that Irie has been evacuated and has no further interest in the place.

However I left a written message for Tompkins to call at my office and give me particulars of the arrangement he has made with Irie.

Campbell also informed me that Tompkins is leaving for Rochester on Thursday where he intends entering the Mayo Clinic. Tompkins telephone number is Langara 0903R which is also the number of the boat building establishment.

Kindly advise if any further information is required.

Re: Seihachi IRIE

In reply to your letter of the 8th instant we beg to advise you that we have, today, been in touch with Mr. David E. Conway who states that he purchased for cash the premises and equipment from Irie on March 30th last and at that time obtained clearances from the various creditors. This statement seems to be confirmed by the "JP" declaration form in which Irie makes no claim to these properties.

The only item that requires investigation is the carpenter's tools said to be stored at 1280 - 77th Ave. and valued at \$300.00.

We would be glad to have you investigate the whereabouts of these tools.

Attention Mr. R.P. Alexander

Dear Sir:

Re: Seihachi Irie.

As requested in your letter of the 13th inst., I went out to 1280 West 77th Avenue yesterday to enquire about the carpenter's tools valued at \$ 300.00 said to be stored on the premises. I was informed by Mr. Campbell who purchased the machinery from the jap that Mr. David E. Conroy the purchaser of the building and equipment allowed Irie to take the hand tools with him, presumably, therefore, he has them in his possession.

Apparently, some of the electrical tools were included in the sale to Mr. Campbell, who is complaining about certain missing parts which he would be glad to get. He states however that he has no idea where the jap is located, and presumes he is at the Park.

Re: Seihachi IRIE

We understand from a report received by us from Messrs. Sir,

I must apologize this message fell behind the expected time. The constant transferring on my part, and the continuous constructional works have prevented me from the prompt replying.

Firstly, I wish to answer for the inquiry which is dated June 9th 1942. The arrangement with Mr. Edward Tompkins regarding the continuance of my work through the hand of Mr. Tompkins, was that, Mr. Tompkins possesses the responsibility in paying and maintaining the said business.

However, in general, the property which belongs to me, is already sold, and the amount thus raised, I think, will not

cover the entire debt. In this matter, I had a
intention to take responsibility in management
but the pressed time caused by the forced vacation
compelled me to leave things untouched but the
management by Mr. Tompkins. Therefore, at the
present, I have not a thing to comment except
that whatever Mr. Tompkins will do, I shall retake
my part of responsibility after the war if it
is necessary.

Regarding the following claims against me and
the Marble Boat Shop -

1. 172.83 - J. Hyde Smith Co. Ltd.
2. 98.14 - Workmen's Compensation Board.
3. 50.00 - City of Vancouver Rental Department.
4. 41.08 - Henry Darling & Son, Ltd.

I admit that these claims really exist, and
to these I must say I can not do much things, for
the present wages being only 22¢ per hr. and the
living expenses high, and therefore I can not
manage to take any responsibilities at present.

Hoping consideration upon the stated circum-
stances, I wish your kind and reasonable
action on this matter.

Firstly, I have tools here at this present moment, but it does not concern any arrangements between me and Mr. David Courroy. These tools had been released by the Custodian on my request, and therefore have no relation to Mr. David Courroy.

And therefore, the claim brought up by Mr. Campbell is entirely baseless.

Re: Seihaichi IRIE

We are sorry to trouble you again in connection with the affairs of Seihaichi Irie concerning whom we corresponded with you in August.

At the time you called at our office late in August, you provided us with a declaration under the Bulk Sales Act signed by Mr. Seihaichi Irie and also loaned us waiver under the Bulk Sales Act signed by Messrs. Edward Lipsett Ltd., Western Leckie Limited and J. Pye Smith Co. Ltd.

We do not, however, appear to have on file a copy of the Bill of Sale under which you purchased on or about March 6th, 1942 certain machinery from Mr. Seihaichi Irie and/or a Harpole Boat Shop.

Would you please be good enough to provide us at this time by return mail with a copy of relative Sales Agreement and if said Sales Agreement does not clearly indicate disposition made of the liabilities of Seihaichi Irie and/or the Harpole Boat Shop, please provide us with a statement covering this aspect of the case.

We have just received a letter from Mr. Irie in which he makes mention of a Mr. Edward Tompkins whom Mr. Irie is said to have left in charge of the business. If Mr. Tompkins is known to you we would appreciate your advising us whether or not Mr. Tompkins is still in any way associated with the Harpole Boat Works.

Please accept our apologies for troubling you again in connection with this matter and also please accept our thanks in advance for your co-operation.

lives near (now I have forgotten the name of the little

if it is important that you know where Tompkins live,
I will try to find out for you.. I don't think Irie left

didn't complete. I believe.

Attention Mr F. Matheson,

Dear Sir;

Re Nash Car Engine No B51455, this car was sold under a Conditional Sales Agreement to S. Ted Irie, on June 21st 1941, the Amount was \$298.10 on which he paid only \$35.00, he upset the Car in the ditch on Lulu Island shortly after he got it, tried to make a truck of it without success,

He turned into Mr Sands of Sands Motor Co, it was there in storage until May 27th/42 when it was sold to Frank Hardy, for \$150.00, Sands got \$50.00 for repairs to it and Commission, and Hardy paid me \$50.00, so that I lost the sum of \$223.10 re Jap deal and Hardy still owes me \$61.00 and interest, I tried to re-possess the car but Hardy removed it from the Garage, and I have never been able to locate it, he moved from the City, and now is on the south side of the Fraser River, so I have been told, I have given up all hopes of getting any more out of it, I remain,

Yours truly,

J. L. Clark
