Re: Hideo Yamada

We have to acknowledge receipt of yours of yesterday's date, for which we are obliged. We wrote to you on October 31st last, stating that the shacks on this property are uninhabitable.

There appears to have been some confusion with regard to your reference number. In your letter of the 29th September last, you quoted the reference number as 1766, whereas it appears to be 1776.

Yours truly

Dear Madam:-

Re: Hideo YAMADA

The writer is sorry that he has not written to you sooner but it has taken him a little time to find out about the "two-decker house on logs" at Burne in which you were interested.

It was, as you say, vacant when you went there, but is now occupied by Mr. Howard Bauman. He is employed by Mr. Jones of the nearby dairy.

As we told you when you came to see us, the three houses here are rented to Mr. Jones. We do not wish to sell any of them at present though our policy may change later on. If it does, the sale would be advertised in the newspapers. As this house is at present situated on land belonging to another party, it would be necessary for any buyer to remove it elsewhere and we do not know whether this is now possible.

Yours truly,

H. F. Green

Re: YAMADA, Hideo
UYEDA, Soziro
KOMORI, Matsunosuke

Reference your memorandum of February 12th reporting enquiry from Mr. Kirkbride for various Japanese property, we comment as follows.

(1) Vivian Engine left with Mr. Russell Young being the property of Matsunosuke Komori or Hideo Komori. We are holding up for the time being, enquiries for purchase of Japanese equipment pending decision on a final policy.

: float

(2) Offer to rent house on piles belonging to Hideo Yamada. As you are aware, this has now been rented *ssld* to Mr. Jones and the offer cannot, therefore, be entertained.

(3) Offer to rent house and float of Soziro Uyeda. We forgot to enquire about this from Mr. Tapp but if Mr. Tapp is not himself using it, some arrangement could probably be come to.
