PERSONAL PROPERTY SUMMARY

File No. 1900

July 18, 1946.

RE: Kahachi MORI, Reg. No. 06506

CHATELS:

The above, who made his declaration to the Custodian on March 30/42 and was evacuated on March 31/42, declared cleaning and tailoring equipment in the store and living equipment of 2 rooms at back of the store at 2009 Alma Road, Vancouver, as per list attached to the J.P. form.

These goods were inventoried on April 7/42 by our agents, C. Barrett-Lennard & Co.

The pressing machinery was sold as per copy of the Bill of Sale on file dated July 2/42 for the sum of \$250.00, and this sum was credited to the account of the above with this office.

* Balance of his goods were sold by MORI himself for which he received payment before his evacuation, with the exception of the following:

- 2 Beds and springs - old
- 1 cook stove - old and badly damaged
- 3 crocks
- 2 rough tables

These goods were sold by Tyldesley & Hughes, auctioneers, on behalf of our agents, C. Barrett-Lennard & Co. and the selling price of \$5.50, less the auctioneer's commission of \$.80, namely \$4.70, was remitted to this office by C. Barrett-Lennard & Co. and credited to the account of the above with this office. However cartage charges on these goods amounted to \$5.00, so this \$4.70 and a cheque for \$.30 taken from number 2 account, were remitted to Diamond Cabs to pay these cartage charges.

The file reveals the above owned no specified articles.

The following is a statement of the account of the above:

Sale of pressing equipment		\$250.00
Commission on sale	\$25.00	
Balance of payment on press	25.00	
Remittance to Mori	75.00	
"	50.00

Net proceeds from sale of few chattels		4.70
Cheque to cartage co.	4.70	
	<u>\$204.70</u>	<u>\$254.70</u>
		<u>204.70</u>
	BALANCE	<u>50.00</u>

No property interests other than those mentioned above are found on this file.

4. Insurance. Nil
5. Contracts. Nil

6. Prospects of Continued Operations. Mr. Mori is a tailor and has been evacuated. The wife and daughter are keeping the store open and doing a small amount of clothes pressing and cleaning. The volume of business now is almost negligible, averaging about \$1.00 per day. It may be possible to sell the business as a going concern.

7. Recommendations. Mrs. Mori and her daughter, Tokiko, are of the opinion that the equipment of the store can only be sold at a great sacrifice. They therefore wish all equipment to be placed in storage. I would recommend that the family be left in occupancy for the present, until evacuated. They do not owe any money, and have paid the rent, which is only \$15.00 per month, to April 30th. They will be able to operate the store and make part of their living expenses while waiting for evacuation.

When they are removed, or shortly before that date, I would recommend the store equipment be advertised for sale. If the bid price is satisfactory, complete a sale, and if not, pack and store equipment.

I would deal with the household furniture and furnishings separately. Instruct Mrs. Mori to pack all her

pots and pans in one or two packing cases, label them and place in storage. Regarding the ~~household~~ furniture, transfer this to an auctioneer to be sold. This household furniture is very third rate, and would realize very little when sold. On the other hand, it is hardly worth storing, unless the storage space was free.

Dear Sir:

We are agents for the property known as 2009 Alma Road in this city and these premises are occupied by Mr. K. Mori and his family, who have been carrying on a cleaning and pressing business there for some 8 years.

We understand that the entire family will be compelled to leave Vancouver very shortly and as they seem to be somewhat uncertain about their business we would like to know whether or not this business could be sold for the owners, or is it necessary to obtain further authority before a sale can be made. In the event of the assets not being sold before the departure of the family, should they be reported to your department and instructions obtained as to the disposal of these assets.

Please let us have your instructions at your earliest convenience.

Yours faithfully,

S. L. TAYLOR & COMPANY.

Dear Sirs:

We are in receipt of your favor of the 27th inst. and we note that you do not seem to have a record of Mr. K. Mori and family. On checking up on this point we are informed by Miss Mori that the family is registered and that a statement of their assets in this city has been filed with the Department. We judge that being registered would alter their position in dealing with the business and we wish you would give us further information on this point at your earliest convenience.

Dear Sirs:-

re MORI. Kahachi

We are in receipt of your letter of the 29th ultimo.

On further reference to the matter referred to we find, as you indicated, that we have a registration made by the above. Your letters refer to K. Mori and it is sometimes difficult to locate the right file without the full name, which, in this case, we discovered to be Kahachi Mori.

We have referred to this file and to the report of our investigating agent, Mr. C. Barrett-Lennard. The business apparently is at a very low ebb. The recommendation given us is that the business be offered for sale at the time of, or just prior to evacuation. Our policy is to do this by placing an advertisement in the papers and calling for tenders for one week. We are not committed to accept any tender.

Apparently you are in close touch with these people and the question of a sale was evidently being considered. The household furniture could be stored, although we understand its value scarcely warrants this and if the owners wish, an effort might be made to dispose of this, together with the cleaning business effects.

Any further information or suggestions would be appreciated.

Yours truly,

Translation of attached letter

June 24, 1942

Mr. Kahachi Mori:

We have now decided to sell the press machine and boiler for \$250.00.

On June 23 we received from Mr. Taylor our agent for the store rent \$25.00 for deposit and sold it to Miss Chu, a Chinese.

They have agreed to take out the machine by July 1st.

Regarding this matter we have come to see the Custodian to ask permission to sell the machine.

We would both like to have your permission to sell or do what we can with the property in your name.

Attached with this letter, there will be a letter from the Custodian which you will sign for us.

Please have someone read and explain it for you before you sign this letter.

Dear Sir: Re: K.MORI - Reg.No.06506 - 2009 Alma Road

Mrs. K.MORI has negotiated a sale of the Steam Presser and Boiler and attachments for \$250.00, payable \$25.00 cash and the remainder July 1st 1942. The purchaser is Victory Cleaners, which appears to be a Chinese firm, and the Agent is S.L.Taylor and Company.

The purchaser desires the approval of K.MORI, whose present address is Camp B 12, Tete Jaune, B.C.

The declarant cannot read or write English, and as he is not in touch with present conditions in Vancouver, may expect more for the machinery than the price to be paid. I understand he is also rather distrustful, so in order to explain the situation to Mr.MORI, his wife has written the enclosed letter to him. Tokiko MORI, a daughter, has translated this into English, and a copy is enclosed for your files.

As K.MORI cannot write English, will you forward to him to sign, a letter giving Tokiko MORI, or Mrs.(Kanama) MORI, authority to sell, and attach to this Mrs.MORI'S letter in Japanese.

We understand that your daughter called at our office and was enquiring on your behalf if there would be any storage charges on your furniture and fittings which are not sold.

Under our present policy the Custodian is giving protective custody to Japanese property that is left with us upon evacuation and this matter is being taken care of in regard to such items as furniture and personal effects without cost to the Japanese owner.

Either ourselves or one of our Agents should be advised when you are about to be evacuated so that such matters can be taken care of.

With regard to any claims which may be filed against you, these would not be paid without first advising you and having assurance of their correctness.

Yours truly,

F. G. Shears,
Assistant Manager.

Dear Sir: Re: K. Mori, 2009 Alma Road
File No. 1900 *06506*

I enclose Tyldesley & Hughes cheque of \$4.70.

In my letter of June 24th, I advised that K. Mori had sold part of his equipment.

Before evacuating early in September, he sold the remainder of his personal property with the exception of the following.

- 2 beds & springs - old
- 1 cook stove - old and badly damaged
- 3 crocks
- 2 rough tables

I have a letter on file signed by Mrs. K. Mori verifying the sale of equipment with exception of the aforementioned, and stating that they have no liabilities. A copy of this letter is attached hereto.

After discussing the matter with Mr. Shears, I forwarded the aforementioned furniture to Tyldesley & Hughes, reputable auctioneers, for disposal.

The selling price, as per duplicate copies of sales slips attached, amounted to \$5.50, less their commission of 80¢, net \$4.70. A cheque for this sum is enclosed. Unfortunately the transfer bill of Eagle-Time Delivery amounts to \$5.00, which is thirty cents more than realized from the sale. I am passing this account over to you for payment.

I believe this completes the settlement of this case.

Yours truly,

C. Barrett-Lennard

Dear Sir: Re: Kahachi Mori - File No. 1900

With reference to your letter of Nov. 16th.
Mr. Briggs of this office made the final arrangements
for transfer of the equipment to the auctioneers, as
I was out of town that week.

He first contacted Ryan Delivery Service, but they
were too busy to do the work. He then contacted Eagle-
Time Delivery, but did not ask for a quotation on the
work, believing they would charge a fair price according
to the time involved. Mr. Phillips of Eagle-Time Delivery
Co. now states that a quotation of \$5.00 was given, but
Mr. Briggs says this was not given. As a stove was
included a swamper was necessary, and this, Mr. Phillips
tells me, costs \$1.00 per hour extra, with a minimum
charge of \$1.00.

We were careful to see there was no unnecessary delay,
and with that in mind, delivered the keys to the transfer
company. The transfer company, after picking up the
chattels returned the keys to this office.

Mr. Phillips of the transfer company, who refuses to
reduce the account, gives the following as his reasons:

1. That \$5.00 was quoted in the first place.
(This we dispute)
2. Not having one of his own trucks available, he
hired an outsider, and paid him \$5.00 for the work.
3. Owing to the lateness of our complaint he cannot
now ask this other man for a reduction of his account.
4. He claims that it would likely take one and one-half
hours to do the job, and that \$5.00 is a reasonable
charge.

Yours truly,

F. Barrett-Lennard

Agent.

Dear Sir:

Your file has been reviewed and the following is noted. When you made your declaration to the Custodian on March 30th, 1942, you declared cleaning and tailoring equipment at 2009 Alma Road, Vancouver. This equipment was sold, with your consent, for the sum of \$250.00. Out of this we paid the balance of \$25.00 owing on the pressing machine and the commission for the sale in the sum of \$25.00, leaving a balance of \$200.00. Out of this sum cheques to the value of \$150.00 were remitted to you, leaving your balance with this office at \$50.00, for which we now enclose Custodian cheque.

The few chattels which you left were sold for the sum of \$5.00, and after paying \$5.00 cartage charges on these, there was no balance left to credit to your account from their sale.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian, and in order that you may confirm this and acknowledge the cheque, we are enclosing a stamped addressed envelope for convenience in replying.

Yours truly,

G. E. Spain

Dear Sir:

I have received your letter of July 22, 1946 stating that there is a balance of \$50.00 for which a cheque is enclosed.

I am sorry to say that I cannot accept this amount as the balance. When I bought the pressing machine, I paid strictly cash for it, and I know that there was no credit owing. To whom was the \$25.00 credit paid and when?

Having investigated thoroughly my file of letters, I find that the balance should be \$75.00. The Bill of Sale for the machine was \$250.00, which was paid to S. L. Taylor and Company. They deducted a commission of \$25.00 but forwarded to your department \$200.00 instead of \$225.00 (refer to letter of July 10, 1942).

I am mailing this letter by Registered Air Mail. Please send us your reply immediately.

Purchase price of Pressing Machine: \$250.00

Deposit paid by Miss Chin - 23/6/42: \$25.00

5/8/42 \$50.00

28/8/42 \$25.00
