Dear Sir:

re: \$3.20 - O. Kondo Co.

We are in receipt of your letter of the 24th inst. in reply to ours of the 19th inst. relative to the above claim, and note that you do not know anything about this account.

Apparently it was incurred by you while you were a printer with Taiyo Printers Ltd.

P.S. Ross and Sons, Chartered Accountants, are looking after the affairs of O. Kondo Co., but the records they have show your account only as a "balance from 1941 - \$3.20". We have asked them for details of this account, and when we receive same will pass them on to you.

Yours truly,

B. R. Dusenbury,

Registration FORMS,

LONDON, Ontario.

Dear Sir:

We have been requested by the Office of the Custodian, Vancouver, to arrange release of a radio now held in custody by R.C.M.P. It would appear that your brother Mitsunaka, now at Yukon R.C. has advised the Custodian that this radio is actually your property and that you requested the radio be shipped to you.

Before this shipment can be made it will be necessary for you as the owner to sign the attached forms in duplicate, unless a money order for same in the amount of \$25.00 and also the Police receipt which you have in your possession for this radio. The \$25.00 is to defray cost of picking up the radio by Storage Company, packing and crating same, and to prepay express charges to Ontario. Should there be any balance left in your favour Treasury Department will forward same shortly after radio arrives at your residence.

/s/

Mr. Yoshie Kusanoo.

March 3rd 1944.

If you are satisfied to have this radio come forward to you, together with the General Electric Record Player, then we advise that you return these papers forthwith, as we cannot guarantee how long your radio will be left with the Police. It is just possible that this radio might be in the next group to be auctioned off by the Custodian.

Yours very truly,

BRITISH COLUMBIA SECURITY COMMISSION,

F. E. DESERISAY.
