Dear Sir:

Re: Kunizo Uyede

This Japanese called at my office to-day and left with me his insurance policy on the premises 929 Caledonia Avenue, known as Lot 7-A, Suburban Lot 7, Victoria City Composite Plan 2551. He said he wished the real estate agent, Elsie B. Richards, 605 Courtney Street, to collect the rents and to pay the money over to you, after I presume she deducts her commission and I presume taxes and insurance.

Re: Umekichi Uyede, 937 Caledonia Ave.

This Japanese came in with the last named and said he wished the City Brokerage to be his agent as he wished the property to be rented to Mrs. E. Fry, 919 Caledonia Avenue, who was going to be tenant. The City Brokerage to pay the rent to you after I presume deducting his commission, paying taxes, and placing a policy of insurance on the building. (The insurance policy apparently having recently expired) He left his Certificate of Title No. 106594-I, being lot 9, of Suburban Lot 7, Victoria City, Composite Plan 2551.

He also left with me his motor launch Licence No. 1407, dated at Victoria, 10th May, 1928, for the motor launch "Smiles" of which he is the sole owner.

Re: Toshio Uyede, 929 Caledonia Ave.

This Japanese said his motor boat was also detained, being the motor boat "Denman" and that he wished to dispose of it through you and have the monies forwarded to him. I would be glad to hear from you as to all of the above, as I am not familiar with the present regulations etc., but I presume these matters can be arranged so that things can be looked over properly.

Yours truly,

"C.L.Harrison"

Dear Sir:

Re: Kuniso Uyede

Thank you for your recent letter advising of the arrangements which have been made by the above named in regard to 929 Caledonia Avenue.

Re: Umekichi Uyede

I note your reference to arrangements which have been made by this man for renting 937 Caledonia Avenue to Mrs. Fry. I also note that you are holding the Certificate of Title and his motor launch "Smiles". I presume this is not a fishing vessel.

Re: Toshio Uyede

I would judge that the motor boat "Denman" mentioned in your letter is a fishing vessel and the disposal of these boats does not come under the Custodian as fishing vessels are expressly excepted in Section 12 of P.C. 1665.

Yours truly,

C. L. Drewry

Dear Sir:-

Re: Letter dated June 19th, 1942.
File number. 1999.

I have received your letter concerning three boxes of carpenter's tools stored at 929 Caledonia Ave., Victoria. I have not disposed of any of them as you assume. One of the boxes is labelled "Machine Tools" which was put with the other chest. You will find the other box in the closet in the same room. That accounts for all of the boxes.

Please advise me as to your reason for removing the above

mentioned articles from the stored
location. Also please let me
know what is to become of them.
I am told by the tenants of the
house that you had a letter
from me asking you to ship me
the tools. I would like an
explanation of it if such were
the case. I do not wish to
dispose of the tools at any price &

Yours truly

Dear Sir:

Your File No. 1999

re Toshio Uyede - File No. 118

In reply to your letter of the 13th instant, will you kindly note that a further search has been made of the premises at 929 Caledonia Avenue, as a result of which a third box of tools, apparently the property of the above named Japanese, were found. This box was not previously seen as it was hidden beneath a quantity of mattresses and springs. This therefore accounts for the three tool boxes declared by this man on his "JP" form.

In this connection I might add that none of these boxes were found in the closet of the store room though Uyede states that one of them was left there by him.

As regards the points raised by Uyede in his letter to you will you kindly inform him that his tools have not and will not be disposed of. You will also have on record that these tools were placed in storage at the Willows under the instructions contained in Mr. C. L. Drewry's letter of the 6th May last.

The tool box referred to above will be sent to the Willows in order that this man's three boxes may be stored in one place.

Yours faithfully,

H. G. Hinton

Attention Mr. C.E. Fisher

Dear Sir:

We have had the following letter from your representative at
Schreiber, Ontario:

"Eddie UMER, #10031, wrote to us stating that he had tools
stored by the Canadian and would like to have them sent to
him. He is now employed by Mr. Geo. B. Leibold, R.R. No. 1,
Wilton Grove, Ontario.

Will you kindly advise this office as to the proper procedure
and if necessary to complete any papers.

Thanking you in advance."

This man has three boxes of tools stored at the Willows in Vic-
toria and you will doubtless arrange shipment in the usual way.

We are sending you two extra copies of this letter, in order
that you may send one, if you wish, to Mr. Fisher. Here again is a case
of a representative who has apparently not been informed of the standard
procedure. We do not think it necessary to send forms to him for this
case, but of course assume no responsibility for loss or damage in transit
and he will on receipt of his copy of this letter, doubtless so advise
the Japanese.

Yours truly,
