Dear Sir:

Last week, I went to the office at Green City and asked if we may have all our luggage at Lewis Cartage Company and also our chests numbered one to five, eight and nine kept at Zukushima, Hider, 973 Caledonia Ave, Victoria, B.C.

However, we have decided that we would like all our luggage from one to eleven at Zukushima, Hider's and also a five gallon jar. They are all labelled "G. Hirahara" except the jar so I wonder if you will be kind enough to tie it up and send it with the rest. Since the luggage from one to four are fragile, will you please handle them with care?

Quite a long time ago, while at Hastings Park, we asked to have some of our luggage and asked many times but we did not receive them. Will you please cut down the rates for the freight?

Your consideration in this matter will be very much appreciated by me.

Dear Sir & Madam:-

With reference to your letters of October 13th
and October 22nd, we have now heard from the Security
Commission as follows:

"These people have already had a shipment on
which we paid the freight, so freight charges must be col-
lected at Slocan City. Any shipping or Custodian agent's
charges at Victoria are to be collected from the consignees
by advances on the waybill or c.o.d. We will refund freight
charges on the sewing machine and allow for 1000 pounds to
Vancouver to be refunded on receipt of 'paid' freight bill."

The best thing to do will be to ask the Slocan
Supervisor for a release form and send in a formal release
to the Security Commission here in the standard way.

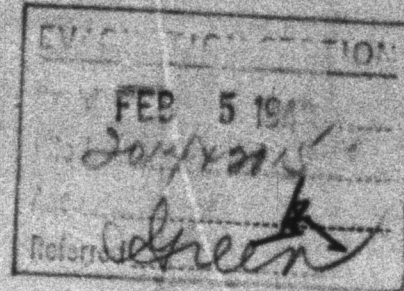

We already have a list of Yonejiro Hirahara's
effects removed from 973 Caledonia Avenue to storage at the
Willows signed by him and this only leaves (assuming that
everything left with the Lewis Cartage Company is sent to 5361
you) the items stored with Kusutaro Kusumoto (our files 6131,

your hand saw and box of carpenter tools.

You will recall that when we were in Victoria, it was decided that we would call for tenders on certain equipment which might not fetch the best prices at an auction. Attached are the particulars as appraised by Messrs. Maynard & Sons at Victoria.

It occurs to the writer that values are so small that it is scarcely worthwhile calling for tenders and paying the cost of the advertising. As, however, this need only be inserted in the Victoria press, the total cost would not be more than \$20.00 and we may be better protected. If you would kindly draft an advertisement stating that the assets may be seen by reference to Mr. Hinton of George Touche & Co., I will advise him of when the advertisement would appear.

Dear Sir:

We are in receipt of a letter from the Royal Canadian Mounted Police enclosing your letter of February 3rd in regard to your radio. As we were not aware that you surrendered any radio to the Royal Canadian Mounted Police we would appreciate if you would send us the receipt given to you at the time your radio was surrendered.

Three radios, among them one described in your letter, were surrendered by Kusutaro KUSUMOTO and we were informed by the Royal Canadian Mounted Police that these were all the property of Mr. KUSUMOTO. If you will send us evidence to show that you are the owner of the Rogers radio this will enable us to transfer from the account of Mr. KUSUMOTO the funds received from the sale of this radio.

Yours truly,
