LIABILITY SUMMARY

File No. 2052

May 2, 1946.

Re: Tosuke TSUJI, Reg. No. 07264

This file reveals a claim filed by the Home Oil Distributors Ltd. for \$40.23 against "Tom TSUJA, Boat Winnamac, Prince Rupert". Tosuke TSUJI has stated that he knows nothing of this claim, as have the other "T.TSUJI's" who were written in connection with the claim. The creditor could supply no further information and stated that the claim was an old one and that they had been unable to locate the debtor. The vessel "Winnamac", one time owned by one "T.Erie" (Iris ?) whom we have been unable to locate, was in 1941 (and in latest List of Shipping) owned by Bayard deBolebec, who was not able to give us any information apart from the fact that he had not leased the vessel to a Japanese during the time he owned her.

This claim is closed as far as this office is concerned and papers are on this file merely because all information in regard to it are on this file.

There are no liabilities of Tosuke TSUJI revealed by this file.

This summary is certified to be
in accordance with information
on file.

PERSONAL PROPERTY SUMMARY

File No. 2052

May 2, 1946.

Re: TSUJI, Tosuke Reg.No. 07264

This man signed a declaration to the Custodian on March 24, 1942. He was evacuated from protected area on April 22, 1942.

In his declaration he reported a Cohoe net at Carlisle Cannery. This net was purchased by the Canadian Fishing Co. Ltd. for \$30.00, which was credited to the account of Tosuke TSUJI and remitted to him on November 27, 1942.

He reported a box of kitchen utensils at Carlisle. On November 2, 1942, the manager of Carlisle Cannery reported that one carton of sad irons and oil cans, one box "Tsuji boat box", and two cedar boxes identified as the property of this man were at Carlisle. Four boxes were shipped to Vancouver from Carlisle on October 7, 1943, and stored at 992 Powell Street. The contents of the boxes are not revealed by the file, but articles which could have been contained in this shipment, and which were identified on auction sheets as the property of Tosuke TSUJI were sold for the net sum of \$8.21, which has been credited to the account of Tosuke TSUJI.

On December 31, 1942, TSUJI inquired about a 100-lb. sack of rice left at Carlisle Cannery. This was purchased by the Canadian Fishing Co. Ltd. for \$7.50, which was credited to the account of Tosuke TSUJI and remitted to him on April 1, 1943.

On May 29, 1943, TSUJI inquired about a box of groceries left at Carlisle. It would appear from letter of June 22, 1943, that this request was passed on to the manager of Carlisle Cannery. There is nothing on file to indicate that shipment was not made as requested.

The sum of \$50.25 received in full settlement of claim lodged with the Japanese Fishing Vessels Committee in name of "Tosuke TSUJI" for refund of expenses in connection with impounding of vessel "Carlisle 136" is being transferred from Enemy Account 1541 to the account of Tosuke TSUJI because information on file of Canadian Fishing Co. Ltd., in Japanese Fishing Vessels Committee records, shows that the "Carlisle 136" was operated by one "T.TSUJI" at Carlisle Cannery. Tosuke TSUJI was a fisherman employed by Carlisle Cannery and no other "T.TSUJI" is shown among the former residents of Carlisle Cannery. There is no evidence to show that Tosuke TSUJI had an equity in the vessel "Carlisle 136", which was released from custody to the licensed owners, The Canadian Fishing Company Ltd. Enemy File 1541 was opened only in connection with this refund of \$50.25, and there is no evidence of the existence of any "Tosuke TSUJI". It is unlikely that any person who delivered a vessel to Naval Service in December, 1941, would have returned to Japan subsequently without the knowledge of the R.C.M.P.

This file reveals no other property.

This summary is certified to be in accordance with information on file.
