GENERAL SUMMARY

File No. 2060

July 4, 1946.

Re: Hisao TSUMURA Reg. No. 10379

This man signed a declaration to the Custodian on March 25, 1942. He signed a second declaration on July 13, 1942.

In his first declaration he reported 4 boxes of tools and in his second 3 boxes of tools. To clear up the situation in regard to these tools, as our records did not show that all had been shipped to him, we wrote him on December 1, 1942, stating that unless we heard from him to the contrary we would assume that he had received his tools. No reply was received to this letter.

He reported 10 \$5.00 War Savings Certificates in his own possession. These did not come under the control of this office.

In his first declaration he reported \$175.00 owing to him from the sale of a new hull. In this connection the sum of \$175.00 was paid to the Japanese Fishing Vessels Disposal Committee on March 16, 1942, and of this sum \$169.75 was paid to TSUMURA on April 2, 1942. TSUMURA did not mention this money in his second declaration. The Custodian however succeeded in collecting \$175.00 in November, 1942, from the purchaser of this hull. This matter is dealt with fully in brown-edged memorandum filed behind this summary. The \$175.00 is today being transferred from the account of Hisao TSUMURA to Custodian Suspense Account where it will be held until the Japanese and the purchaser, Canadian Fishing Company Ltd., clear the matter up for us.

This file reveals no liabilities.

Hisao TSUMURA was registered owner of a residence at 704 West 7th Avenue, Prince Rupert. This property was sold by him prior to his evacuation, and was transferred to the new owner on March 22, 1942.

This file reveals no other property.

This summary is certified to be in accordance with information on file.

MEMORANDUM Re: Payments on M.V. "Oceanic 291"

Re: Hisao TSUMURA, Reg. No. 10379, File 2060

In his declaration of March 25, 1942, TSUMURA reported: "One 30' gillnet fishing boat in unfinished condition, value \$275.00. This boat is in the custody of Mr. Henry Heline, Indian chief at Port Simpson, who is purchasing the boat, having already paid \$100.00, leaving a balance of \$175.00 which is being collected by the Japanese committee."

On July 13, 1942, TSUMURA signed a second declaration. No mention of the money due on his vessel was made in this second declaration.

The records of the Japanese Fishing Vessels Disposal Committee show that an unregistered new hull was purchased by the Canadian Fishing Company Ltd. from Hisao TSUMURA on March 16, 1942, and that on that date the Canadian Fishing Company Ltd. paid to the Committee the sum of \$175.00. Statement accompanying cheque read:

To purchase of new hull from H. Tsumura	
Prince Rupert	275.00
Less our interest	<u>100.00</u>
Balance due H. Tsumura	\$175.00

(New hull to be called Oceanic 291)

On the basis of TSUMURA's original declaration, the Custodian wrote several times to Henry Heline in an endeavour to collect the \$175.00 due TSUMURA. On November 16, 1942, the Canadian Fishing Company Ltd. paid to the Custodian the sum of \$175.00. "being the balance due you on the above-named man's boat. This boat was purchased for us through our Mr. Henry Heline and the balance enclosed was held by this Company and was not turned in to your Department." according to letter accompanying the cheque.

On March 11, 1944 (thinking that a duplicate payment had been made) we wrote the Canadian Fishing Co. Ltd. asking if their records showed the purchase of two boats from TSUMURA. They replied on June 2, 1944, "This was a partly built hull which we purchased thru the Commission from this man. We bought this hull from him but that is the only business we did with him. This was paid for and settled at the time." It would appear from this that the company records do not show a duplicate payment.

In view of the fact that neither Custodian nor Japanese Fishing Vessels Disposal Committee records contain the full story in regard to arrangements made between Japanese boat-owners and the boat purchasers, we are placing the \$175.00 in Suspense Account, until such time as TSUMURA or the Canadian Fishing Company claim the money and explain the matter.

Dear Sir:

Re: Tool Chests

In reference to your letter of August 31 I wish to state that I still have 3 more tool boxes in Prince Rupert in care of Mr. Jack Bulger, Tatlow St. The 3 boxes are:
1 large heavy, green painted tool box containing fancy planes, drills, motor, saw vise, grinding stones, hand-saws, chisels, etc.
1 wooden box about the size of a milk box containing heavy boat clamps. This wooden box is made of pine.
1 oblong wooden box. This box is about 4 feet long and narrow containing long door clamps and heavy square clamps.
(not 2 tool boxes as stated in your letter)

While I was in Hastings Park I asked Mr. Jack Bulger to send me one large box of tools which I received and have with me now at Slocan. Altogether I left 4 boxes of tools in Rupert. Now there are 3 boxes left.

Would you please clear up this matter and as soon as it is cleared please give the O.K. permission to send the 3 boxes of tools to Slocan City, Via Hastings Park, Vancouver as I am much in need of tools here as working construction is going on full blast here.

With many thanks.

Very truly yours,

H. Tsumura.
