PERSONAL PROPERTY SUMMARY

File No. 2173

Oct. 1/46

RE: Tomio HAYASHIDA, Reg. No. 03707

This file reveals that the above owned no real property in any protected area of B.C., and did not carry any Fire Insurance.

CHATELS: The above, who made his declaration to the Custodian on April 10/42 and was evacuated on April 13/42, declared chattels as set forth on the Chattel Schedule on file, left at Pacific Coast Cannery House #23. These were inventoried by Custodian agent C.C. Robinson on July 3/42 and removed to our storage warehouse and sold at auction for the net sum of \$29.97 and this sum credited to the account of the above with this office.

Although the above declared fishing nets to the value of \$500.00 at the net house of the Pacific Coast Cannery, we were advised by the Cannery that the above had sold fishing nets and gear to them prior to his evacuation. We were also advised by the Nelson Bros. Fisheries that the above had sold one net direct to them for the sum of \$190.00.

SPECIFIED ARTICLES: The above declared one motor boat in custody at New Westminster, B.C. This vessel was sold through the Japanese Fishing Vessels Disposal Committee for the net sum of \$641.00. The owner of this vessel owed the purchaser, the B.C. Packers Ltd., the sum of \$742.57, so the above received no funds from this sale. Full details are given on Specified Articles Summary on file and also in letter of May 11/44 from the B.C. Packers Ltd.

MONEYS RECEIVABLE: The account of the above was credited on July 13/44 with the sum of \$2.00 being a refund of subscription to War Savings Certificate remitted to this office by the B.C. Packers Ltd.

LIFE INSURANCE: The above declared an insurance policy with the Sun Life Co. in the sum of \$1000.00. The cash surrender value of this policy in the sum of \$369.95 was remitted to the above on April 16/43 through the Dept. of Labour.

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

I am advised by The Sun Life Assurance Company of Canada - Vancouver Branch that some time ago they turned over to you a cheque for the cash surrender value of a policy in favour of the above named for whom I am acting as Solicitor.

Would you please advise me if the regulations pertaining to alien enemy money require that same should be held by you for the duration or paid as in this case to Tomio Hayashida.

If it is your intention to pay same to Tomio Hayashida would you please send cheque in my care or in any event advise me as to the disposition of same.

Yours truly

Dear Sir:

Re: Tomio HAYASHIDA

Answering your letter of April 2nd, please know that a policy has been adopted of remitting to Japanese not in excess of \$100.00 per month from their funds at credit, unless some unusual circumstance, properly verified, requires greater payment. All such remittances are made through the B. C. Security Commission.

While we presume that it is desired that remittances be made, no request from Hayashida appears on file and this is necessary. Will you please be good enough, therefore, to ask him to make his formal request to this office for remittance, giving your office as his address. Upon this, remittances will be made in the usual way through the B. C. Security Commission.

We should be interested in knowing what Hayashida may be doing which requires the intervention of a solicitor, as he declared no property to the Custodian when he was evacuated, except a motorboat, some fishing nets and a mirror.

Yours truly,

P. H. Russell,

Dear Sir:

Re: Chattels.

We have your letter of April 19th, 1943,
asking us to send you a bicycle and rubber coat
and pants.

On your 'JP' registration form dated April
10th, 1942, the only thing you declare besides a
motor boat and fishing nets, is a mirror.

Last July we moved from House #23 to our
warehouse in Steveston for safe-keeping, a lot of
goods which were in this house but there was no
bicycle among them, nor did we see any rubber coat
or pants. These latter may be packed in some carton
or other.

If you can give us any information as to
where the wanted articles may be found, we will be
glad to hear from you.

Dear Sirs:

Attention: Mr. A. E. Lawson

We would be pleased if you could supply some information in connection with the vessel "T.H." NW.1754, NW.055-E, which was released to your company on April 23rd, 1942, from the impounded fleet at New Westminster.

According to the boat file, the purchase price of this boat was \$650.00. The sum of \$9.00 was paid by your company to the Japanese Fishing Vessels Disposal Committee to cover the Committee's charges. The stub of your cheque reads "In full for Boat "T.H.". A note on the file reads: "Owner due B. C. Packers more than purchase price".

The boat file does not contain any statement of the debt for which the boat was seized. We would be pleased if you would supply this.

Please supply the name of the person who incurred this debt, as we have three owners(?) of this boat; i.e., the licensed owner, the person to whom the naval control number was issued as owner and master, and the person who declared ownership of the boat. To the best of our knowledge, none of these persons are aware that the boat has been seized for debt. The three persons involved in the ownership of the boat are,

Tomio HAYASHIDA, Steveston, B. C.
Suku MATSUBARA, Steveston, B. C.
Kasuke MATSUBARA, Steveston, B. C.

We would also be pleased to know if you have any proof that your debtor owned the vessel.

Yours very truly,

F. Matheson,

BRITISH COLUMBIA PACKERS LIMITED

Vancouver, Canada
May 11, 1944.

Messrs. Department of the Secretary of State
509 Royal Bank Building,
Vancouver, B. C.

Dear Sirs:

File No. 2173

After the fishing season of 1940, the Japanese fisherman by the name of Matsubara who was the licensed owner of this boat (T.H. NW.1754), decided to sell out his complete gear including his fishing license. The total cost of this was \$1,650.00 and the new purchaser was Tomio HAYASHIDA who received a Bill of Sale for the boat and gear. As this Company helped finance this deal and before all transfers were completed a Chattel Mortgage was drawn up and signed by Hayashida and the money was turned over to Matsubara.

However when the boats were seized and the Japanese were to be evacuated, Hayashida called at our Steveston office and as he owed us the sum of \$847.00 he turned over nets to the value of \$310.43, boat value \$650.00 less \$9.00 survey fees and received the credit balance of \$104.43.

The above transaction was carried out before his evacuation and the transfer of the boat was done with the sanction of the Japanese Fishing Vessels Disposal Committee.

We hope this clears up your misunderstanding re this vessel.

Yours truly
