PERSONAL PROPERTY SUMMARY

File No. 2220

March 25th, 1946.

RE: Yasuo YAMASHITA, Reg. No. 03939

CHATELS:

The above, who made his declaration to the Custodian on March 31, 1942, and was evacuated on June 27th, 1942, declared no chattels, merely stating that furniture, etc., was registered in the name of his father. His father is Tatsuzo YAMASHITA, File 5042, and this file has been reviewed and closed.

We wrote the above on June 7th, 1943, enclosing a net form for him to complete as he had declared himself to be a fisherman in his spare time. He was a student of 19 and was unmarried. On June 25/43 we received a completed net form from him mentioning five nets, a box of lead line and 3 sacks of corks stored at the Celtic Cannery net house. His father, Tatsuzo, had declared 14 nets when he made his declaration to the Custodian and when we received his completed net form on the same day as that of the sons, he mentioned only 6 nets and a box of lead line out of the 14 he had originally declared. Therefore we assume that those mentioned in the net form received from the above were part of the 14 declared by his father.

Nets found at the Celtic Cannery net house and identified as belonging to Yasuo YAMASHITA, were sold by the Custodian for the sum of \$77.00, and this amount credited to his account. No nets were removed from the Celtic Cannery by the Custodian. Two nets are unaccounted for by the Cannery.

WAR  
SAVINGS  
CERTIFICATES:

The above declared having two \$5.00 War Savings Certificates in his own possession. These did not come under the control of the Custodian.

SAVINGS  
ACCOUNT:

The above declares a savings account in the Bank of Montreal at 2100 West 41st Ave., Vancouver, in the sum of \$573.00. This did not come under the control of the Custodian.

LIFE  
INSURANCE:

The above also declared a 20 year Endowment policy in the sum of \$1500.00 with the Sun Life Assurance Company, the beneficiary being his father, Tatsuzo. The Sun Life Assurance Company wrote to us on December 11th, 1942, and advised that they were submitting to their head office in Montreal an application for cash surrender of Policy No. 2,220,900, signed by the above Japanese and his father Tatsuzo, and asking us for authority to pay the sum of \$160.00, the approximate surrender value, direct to the parties concerned. Our approval was given on January 5/43 as this policy did not come under the control of the Custodian.

The file reveals that the above owned no specified articles.

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

MEMORANDUM

Re: Life Insurance

16th December, 1942.

TO: Mr. R.P. Alexander  
 FROM: Mr. S.M. Gibson

I am attaching hereto files as indicated above. Attached to each, excepting the last two noted above, is correspondence from the Sun Life Assurance Company in connection with payment of money to Japanese persons with respect to surrender values of Life Insurance Policies. As for the last two files mentioned, Nos. 6343 and 2185, I dealt with the matter as per copy of my letter of December 14th in those files.

I have been instructed verbally in connection with this matter but if I am to be responsible to instruct the Sun Life or any insurance company in connection with payment of moneys to persons of the Japanese race, I would appreciate receiving definite written instructions in line with your policy concerning this.

I am afraid that at the present time we might overlook or not know about claims against some of these people, and if in such cases it later is found that they owe money and I have instructed the insurance company to pay funds out to them, I may find myself in an awkward position.

As a matter of fact, as I see it, this is not a matter to be dealt with by this Department at all. We are not responsible for Life Insurance but we are instructed to pay premiums when asked by the Policyholder to do so and providing that he has left the policy with us for safe-keeping or has declared it, and also providing that he has funds on deposit here with which to meet the cost of that Life Insurance.

Mr. Yasuo YAMAMOTO,  
Reg. No. 09999,  
c/o L. B. Shrum,  
COALDALE, Alta.

Dear Sir:

We enclose herewith Custodian cheque in the sum of \$77.00, being the total amount of your credit balance with this office, and we are accordingly closing your file.

Your file has been reviewed and it is noted that when you made your declaration to the Custodian on March 31st, 1942, you declared no property, merely stating that furniture, etc., was registered in the name of your father.

It is noted that you were a student and a fisherman in your spare time. At our request you filled out a net form which we received from you on June 25th, 1943. This form mentioned five nets, one box of lead line and three sacks of corks. These we believe are part of the fourteen nets declared by your father. Nets found at the Celtic Cannery net house tagged with your name, were sold for the sum of \$77.00, and this amount was credited to your account.

You declared two \$5.00 War Savings Certificates in your own possession. These did not come under the control of the Custodian.

You declared a savings account in the Bank of Montreal at 2100 West 41st Avenue, Vancouver, in the sum of \$573.00. This did not come under the control of the Custodian.

You also declared a 20 year endowment policy in the sum of \$1500.00 with the Sun Life Assurance Company, the beneficiary being your father, Tatsuo. According to information supplied to this office you made application to the Sun Life Assurance Company for the cash surrender value of this policy, which amounted to \$160.00. This application was forwarded to the head office of the Company in Montreal, and was signed with your name and that of your father as beneficiary. This policy did not come under the control of the Custodian.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian,

Mr. Yasuo YAMASHITA
