PERSONAL PROPERTY SUMMARY

July 9, 1946.

Re: Shizuo MAEDE, Registration No. 12147

This man signed a declaration to the Custodian on March 31, 1942. He was interned on April 21, 1942 and released on April 19, 1943.

In his declaration he reported a motor boat "S.M." in custody at New Westminster. This vessel was sold through this office and the net proceeds in the amount of \$343.92 were credited to this man's account.

He reported a 4-room frame house on land owned by the Lyche Estate. This house had little value and the Lyche Estate recognise no claim of this man to equity.

Although this man declared no property in the protected area 70 lbs. of lead line were found by H. G. Hinton in his former residence and moved to #5 Frasers Bay. This lead line was sold for \$1.50 and credited to Suspense Account. We are today transferring this \$1.50 to the account of this man.

As this man was a member of the Ucluelet Fishermen's Co-Operative Association the account of this man was credited with the sums of \$467.26 and \$12.01 as proportionate share of the assets of the Association.

This man inquired about a camera which he claimed had been surrendered by his brother but we have no record of a camera surrendered either by himself or his brother. MAEDE was so advised and we have heard nothing further.

The account of this man was credited with the sum of \$12.25 received in full settlement of refund of expenses incurred at the time of the impounding of his vessel.

The account of this man was credited with the sum of \$8.55 as refund of transportation expenses from Ucluelet to Vancouver in 1942.

On March 17, 1943 we remitted \$25.00 to this man and from May 25, 1943 to December 14, 1944 we made 8 remittances of \$100.00 to this man.

This file reveals no other property of any kind.

This summary is certified to be in
accordance with information on file.

Attention Mr. C. L. Drewry.

Dear Sir:

re: Shizu Maede. Registration No. 12147.
My File No. 45.

In accordance with your instructions I have investigated and taken control of the property of the above man as recorded on his registration form, as follows:

Real Property:

"Four room house (frame) at
Ucluelet."

Personal Property:

"None."

In connection therewith I have to report as follows:

Location:

This is a small Japanese settlement on the foreshore of Ucluelet Inlet about half a mile from the public wharf on land leased from the Lyche Estate.

Building:

This is a four-room shanty of wood construction situated on the foreshore at Leeches Bay. It is in poor condition and has little value.

Personal Property:

The declarant stated that he had none. A few articles of small value were found and left in the house.

70 lbs. of lead line were also found and this was moved to House No. 5, Fraser's Bay.

Insurance:

As this house is part of a settlement of houses built in close proximity to each other, no insurance can be effected.

Liabilities:

None are recorded.

Recommendations:

I am informed by Mr. Littleton, the appointed agent for the Japanese, that the ground rentals due to the Lyche Estate from the owners of the buildings in this settlement, have been paid to June 1942, and that the Lyche Estate will be agreeable to permitting the Japanese to re-occupy the buildings should they be permitted to return. I have not been able to ascertain definitely from Mr. Littleton or his solicitor-- Mr. A. G. McCulloch, Port Alberni, B. C.--what rent was paid by the Japanese, but understand that there was no written agreement.

I recommend that Mr. Littleton be asked to state definitely what he considers the exact position to be. It is problematical whether this house can be rented, but Mr. Littleton stated that if the house is rented he will retain half the rent to apply on the lease, and remit the other half to the Japanese owner.

I further recommend that Mr. Littleton be instructed to remit the rents (if any) to the Custodian's office.

Special Action Taken:

Removing lead line as above.

Yours faithfully,

H. G. Hinton

Dear Sir;

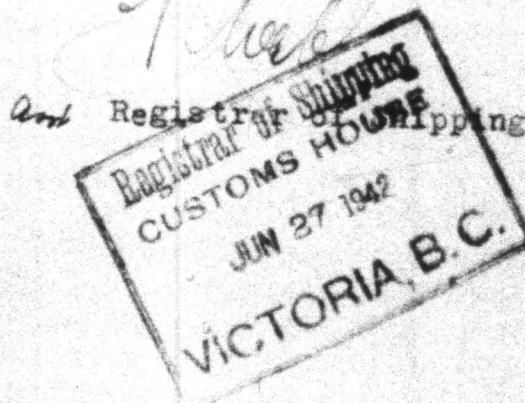

Re: P/V. P-1301, MAEDA, Shizuo

I am in receipt of your letter of the 24th concerning this man, and in reply I beg to advise that a Japanese named Naokichi Maide is the owner of a launch which has no name recorded, but is merely known as "1793".

He may have passed this craft to the ownership of S. Maeda, without recording same, and the letters "S.M." may have been added as having reference to his fishing license.

However there is no such record here.
Maide may be intended to be Maeda.

Extract from report of Const. D. H. Howell,

and Tofino.

REPORT

re: Japanese Property - Disposal of Ucluelet and Tofino.

UCLUELET

Leeches Bay - Lot 282 (Property adjacent to Airbase); the following houses are situated on the property of the Lyche Estate, controlled by S. S. Littleton, Ucluelet. Littleton states that 25 years ago when the Japanese first moved on to the Lyche property, a lease was made whereby the Japanese would be allowed to build houses on the property, but if vacated the houses would revert to the owner of the property, however, Mr. Littleton could not show any lease to this effect nor could any of the Japanese. The Japanese have been paying the sum of \$350.00 (total) rent per year to the Lyche estate. Littleton also stated that he is going to rent these houses and forward half the rent to the Japanese, and allow them to move back after the duration.

One half of these houses are situated over tidal waters. Only seven of the total 19 houses habitable, the other 12 being mere shacks, however, I believe they will all eventually be occupied by RCAF personnel due to the acute housing problem here.

The Japanese School house, comparatively new, and the school teachers house adjoining are the most valuable building.

The following valuations were given to the undersigned by the Japanese but with the exception of seven of the houses the value appears to be practically nil:

<i>Int. 485</i> <u>Maede, Shizu</u>	house only	value	\$350. <i>File 2256</i>

Isowa, Kenichi	" "	"	500.
School, owned by the Ucluelet Fishing Co.			1,000.
Teacher's house owned by Ucluelet Fishing Co.			1,000.

Very little property etc. left in above houses; inventories on file at this office.

3. Reference Ronald Matterson's business association with the Japanese. He understands that it is a temporary measure, a step taken on my advice until the proper authorities organized a process of caring for this property. The present arrangement is that he will look after the welfare of these houses, collect and forward rental monies and receive 15% commission.

4. In addition to the above mentioned property there are six boat floats which average of the value of \$500. at the different bays.

Dear Sir

The boat S.M. was not licensed in my name was because when my father (Nashichi Maede) gave me that boat, I was under the age of 21.

I went to custom (W.B. Brown) at Uluksuk, he said I had to wait till the age of 21 to be licensed under my name.

Now I am 21 years of age.

I handed the document with the license of the boat when I was in Vancouver.

Shizuo MAEDE (or MAYEDE) Reg. 12147,
and M/V "S.M." Victoria 1793

Attached is File 2286.

Shizuo MAEDE declared ownership of the fishing vessel "S.M.2528". This vessel carried gasboat licence Victoria 1793.

Gasboat licence Victoria 1793 was issued to Naokichi MAIDE, father of Shizuo, now a resident of Japan. Letters: June 27, July 6, July 9 and July 17, 1942, cover this matter.

The vessel "S.M." was sold for \$400.00, on September 24, 1942 - memo November 3, 1942. This sum, less expenses of \$50.08, was credited to the account of Shizuo MAEDE, as shown by memo of April 8, 1943, and letter of May 25, 1943. Two remittances of \$100.00 were sent to Shizuo MAEDE from this sum.

The boat money was frozen, in accordance with memos, August 25 and 26, 1943, and Shizuo MAEDE was informed.

On September 4, 1943, Shizuo MAEDE wrote that the reason the vessel was not in his name was that he was under age. Reply of September 15th asked for proof.

We have now received from Hideo FUKUYAMA, who represented the Ucluelet district fishermen at the Japanese Fishing Vessels Disposal Committee office, the attached documents, which would seem to confirm Shizuo MAEDE's claim.

Would you look these over and let me know the result?

Ingersoll, Ontario.

Dear Sir:

Your letter of August 14th was the first indication we had that you owned a camera. Neither yourself nor Kazumi Maede declared ownership of such an article when registering with the Custodian, and your names are not shown on list of owners of cameras surrendered to the Police.

However, if you will send us the receipt received when the camera was surrendered (or a copy of the receipt, if you do not wish to send the receipt) we shall investigate the matter and endeavour to locate your camera.

Cameras are being released to owners residing outside the Interior Housing Settlements. If you will send us the receipt for your camera, together with letter from your brother Kazumi (or the person who is shown as owner on the receipt, if it is someone other than your brother Kazumi), authorizing us to ship the camera to you, we will take up with the British Columbia Security Commission the question of shipment.

Shipments of cameras are made charges C.O.D.

It would be necessary to supply the actual receipt when asking for shipment, although a copy would be sufficient to enable us to check with the police.

Yours truly,

F. Matheson,
Specified Articles Department.

Mr. Shizuo MAEDA,
Reg. No. 12147,
120 McCaul St.,
Toronto, Ont.

Dear Sir:

We enclose Custodian cheque for \$20.27 which represents the balance standing to your credit with this office.

In your declaration to the Custodian on March 31, 1942 you reported a 4-room frame house on land owned by the Lyche Estate. This house had little value and the Lyche Estate does not recognise your claim for equity in this house.

You reported a motor boat "S.H." in custody at New Westminster. This vessel was sold through this office and the net proceeds in the amount of \$343.92 were credited to your account.

Although you declared no personal property of any kind left in the protected area, our agent Mr. H. G. Hinton found 70 lbs. of lead line in your former house. This was sold and the net proceeds of \$1.28 were credited to your account.

Your account was credited with the sum of \$467.26 and \$12.01 as proportionate share of the assets of the Ucluellet Fisherman's Co-Operative Association, of which you were a member.

Your account was credited with the sum of \$12.25 received in full settlement of claim made by you for refund of expenses incurred at the time of the impounding of your vessel.

Your account was credited with the sum of \$8.55 as refund of transportation expenses from Ucluellet to Vancouver in 1942.

On March 17, 1943 we remitted \$25.00 to you and from May 25, 1943 to December 14, 1944 we made 3 remittances of \$100.00 to you.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian and in order that you may confirm this and acknowledge cheque we enclose stamped addressed envelope for your convenience in replying.

Yours truly,

F. Matheson,
Protection Department.

Dear Sir:

The Custodian has now received the final ex gratia payment from Mrs. Littleton, Administratrix of the Lyche Estate, for the house built by you on the estate property. Your proportion is based on the value placed thereon by you to Constable D.H. Howell before evacuation.

Your share amounts to \$17.51, and Custodian cheque for this amount is enclosed herewith.

Yours truly,

C.H. Reed,
