Dear Sirs:

The above mentioned company is carrying an account receivable on its books against a Japanese named Fujio Yoshimoto. Would you be good enough to check your records and advise whether you have an address for such an individual as the company officials have no knowledge of his whereabouts. For your information he is the present shareholder of 5 shares of stock.

Mr. Fujio YOSHIMOTO,
Reg. No. 03613,
P. O. Box 195,
GERALDTON, Ont.

Dear Sir:

As requested in your telegram of June 11th, 1946, we enclose herewith Custodian cheque in the sum of \$392.39, which is your entire credit balance with this office, and we are accordingly closing your file.

Your file has been reviewed and it is noted that when you made your declaration to the Custodian on April 13th, 1942, you declared nets and fishing equipment at the Phoenix Cannery net house and household effects at House #12, Phoenix Cannery.

On October 28th, 1942, the Phoenix Cannery purchased three nets and fifty fathoms of old cork line for the sum of \$293.00. This cannery also bought your net (10/4 x 9 1/2) with lead and cork line for \$100.00. When this net was valued by a competent appraiser, it was found to be in poor shape, and when measured out it was found to be 115 fathoms and three or four years old, although you had declared it to be 150 fathoms and almost new. Other nets identified as belonging to you were sold for the sum of \$55.00. These three amounts totalling \$448.00 were credited to your account with this office.

Household effects taken from House #12, Phoenix Cannery, tagged with your name, were sold for the net sum of \$2.76, and this sum credited to your account.

According to information supplied to this office you were the registered owner of a fishing vessel the "ISUZU", which was sold through the Japanese Fishing Vessel Disposal Committee for the net sum of \$850.88, which was paid to you through your attorney, Mr. U. Sakamoto, on July 13th, 1942.

In July, 1945, your account was credited with the sum of \$1.38, being a refund of security deposit for light from the B.C. Electric Railway Co. Ltd.

You declared one \$5.00 War Savings Certificate in your own possession. This did not come under the control of the Custodian.

On May 10th, 1942, the River Fish Company filed a claim against you in the sum of \$138.00. However on April 5th, 1943, Mr. Genji OTSU, President of the River Fish Company, wrote asking us not to press this claim as you were a share-

holder in good standing and entitled to borrow money under the By-laws of the Company.

On December 14th, 1944, Mr. Saijio WAKITA filed a claim against you in the sum of \$59.75. We wrote you about this on March 19th, 1946, and in your reply received on March 29th, 1946, you asked us to pay this claim for you out of money standing to your credit with this office. We have accordingly credited the account of Saijio WAKITA with the sum of \$59.75 and deducted this amount from your credit balance.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian, and in order that you may confirm this and acknowledge the cheque, we are enclosing a stamped addressed envelope for convenience in replying.

Yours truly,

CHattel SUMMARY

June 15/46

RE: Fugio YOSHIMOTO, Reg. No. 03613

The above, who made his declaration to the Custodian on April 13/42 and was evacuated on April 23/42, declared the following:

1 boat - surrendered to the R.C.M.P. at New Westminster.
Nets, corks, leads and line valued at \$995.25 in the net house of the Phoenix Cannery, and household goods as listed on Chattel Schedule valued at \$315.00, in House #12, Phoenix Cannery.

All nets found at the Phoenix Cannery net house in the name of the above were inventoried by Custodian agent, C.C. Robinson, on Nov. 2/42, and have been sold for the total amount of \$448.00 as shown on Net Schedule on file, and this sum credited to his account. His net, 10 3/4 x 9 1/2 x 41 - 150, for which he asked the sum of \$175.00, was bought by the Phoenix Cannery for the sum of \$100.00, after being appraised by a competent appraiser. It was measured out and found to be 118 fathoms and 3 or 4 years old, although he had declared it to be almost new, and to measure 150 fathoms. See letter of June 19/42 from the Phoenix Cannery. On Oct. 28/42, the Phoenix Cannery bought 50 fa. old cork line and 3 nets for a total of \$293.00. In addition to the nets sold to the Cannery, the balance of his nets inventoried by us were sold to private individuals for the sum of \$55.00. These sums total the \$448.00 mentioned above. On Jan. 30/43 the above sent us the first detailed list of his nets and lines. On Feb. 3/43 we received a more complete list from him. These are all shown on the Net Schedule and it is noted that much of this equipment was not found by us at the Cannery. In his list enclosed in his letter of Feb. 3/43, he declares some equipment stored at the Pacific Coast Cannery. None of this equipment was found or inventoried by us, nor was it entered by the above in the Pacific Coast Cannery books.

On Oct. 19/42 we wrote to the above and advised him that a carton of effects marked with the name "YOSHIMOTO" was found by us in the house of Jisuke FUKUSHIMA at the Acme Cannery, Eburne, B.C. He replied on Dec. 4/42 by sending us a list of household effects left at House #12, Phoenix Cannery, but made no mention of the carton we enquired about. Memo of April 11/44 on File 3319, reveals that Chojiro YOSHIMOTO, File 9929, was the owner of the carton.

All goods found in house #12, Phoenix Cannery, identified as belonging to the above, were inventoried on June 23/42 by Custodian agent, Mr. C.C. Robinson, List #33, and have been disposed of as shown on Chattel Schedule on file, for the net sum of \$2.76, and this sum credited to the account of the above. A roll of linoleum was sold at Steveston Auction #8, which was tagged with the name of F. YOSHIMOTO, House #12, Phoenix Cannery, so his account was credited with the proceeds, which are included in the sum of \$2.76 mentioned above. The goods shown on the Schedule as being abandoned or discarded, were of no saleable value. Three articles are listed as missing and it is possible that these may have been stolen as the warehouse was ransacked by thieves at various times.

The above summary is certified to be in accordance with the information on file.

Thank you for yours of April 28th requesting us to arrange with Fatons for the purchase of a trunk and suitcase and the payment of their account from this office. We regret that we cannot undertake transactions of this nature on behalf of evacuees and we are, therefore, returning your enclosure in order that you may make your own arrangements direct.

We are at the same time applying to the B. C. Security Commission here for the payment to you of \$50.00 from your account which will, we think, be ample to cover the cost of these articles. Dear Sir:-

Thank you for your letter of December 29th in answer to which we are sending you a statement of your nets that have been sold and the proceeds credited to your account.

We notice that these do not fully cover the list sent to us on January 30th, 1943 and the more detailed list subsequently received in February 1943. In this connection, however, we would point out that the Steveston Canneries have refused to accept responsibility for Japanese evacuees' equipment left in their care. It would have been much easier for us to account for your equipment if, when you registered your assets with the Custodian in April 1942, you had at that time given us the particulars you have since mailed to us or at least have mailed them more promptly than you did.

A further explanation of the discrepancy between the value declared by you and the money actually received lies in the description you gave of your equipment, which description appears not to have been entirely accurate. Mr. Lord of the Phoenix Cannery wrote to us on June 19th, 1942, of your 9½" net:

"Yoshimoto requested me to sell his nets. He declared this net as 150 fathoms and almost new. However, upon inspection by (a qualified appraiser) it was found to be in poor shape. The fisherman and the writer were also of the same opinion. It was measured out
