Gentlemen:

Re: 20 acre portion NE 1/4 Sec. 6,
Tp. 40. Sketch 7073. K. Suyehiro.

It has come to my notice that a vesting order has been filed by your Department against this property to which I took title April 9th, #1499994 just prior to this man's hurried removal on the 10th of April.

I feel certain there must be some mistake about this as I discussed this situation with your office by 'phone at the time and was informed that there was nothing in the way of my going forward with the transaction as I did.

Suyehiro owed a mortgage client of mine \$800. with delinquent interest for 6 years and 3 years taxes owing. I paid him to Quit Claim for the protection of my mortgagee principally as allowing this man to leave the country without clearing title would leave my client in the position of losing her investment.

Mr. Fisher was in charge of this removal and was on the ground at the time the family was moved out and the situation was further explained to him.

Immediately the family left breaking and entering started, also stealing of plants, as part of the place was fully cropped. It was then found necessary to put a watchman on guard for six weeks until sale was effected under agreement and the new party moved in.

How much
+ 400 cash
+ 156. Taxes

Advised Mr. Dorgan on
phone that no vesting order
was requested by Custodian
J.D.

Investigation will show, I believe, that my rights are quite clear on this matter and that therefore, as a result the order referred to will be withdrawn.

Asking your early attention, I am,

Yours very truly,

Will you please refer to my letter of
July 3rd on this.

At that time your Board attempted to
file a vesting order against this property. The
same was returned by the Registrar for the reasons
outlined in said letter. Following this I was
telephoned by your Conveyancing Department who
admitted the matter was a mistake. Now another
attempt has been made to file under No. 24747 dated
October 5th.

Will you please clear this matter up

Dear Sir:

Re: Kantaro SUYEMIRO,
Registration No. 11334.

In reply to your letter of December 29, 1943, and copy of report from your Lethbridge Supervisor, subject Japanese has no funds to his credit here.

Prior to evacuation equity in his property was quit claimed, the deal including the sale of furniture and equipment.

He has outstanding liabilities of some \$600.00 which, at the present time, we see little hope of him settling.

Yours very truly,

Re: Kantaro SUYEHIO. #11334.

The above person has requested through this office that we secure for him a statement of his assets with the Custodian. He claims that he is the owner of twenty acres of land with these acres cleared, at Port Coquitlam, B.C. He states that on said land he has a two-storey house 34x24, also a green-house 40x100 ft., and he is asking if we can secure information as to what disposal has been made of this property.

I would also like this information as this man owes a hospital and Doctor bill dating back to October 1942, and he states that he will not pay this account himself as he was promised when he evacuated that all sickness would be taken care of by the Commission.

Trusting this will receive your immediate attention.

Will you please kindly explain of this claim that Pitt Meadows Japanese Growers has and whom is claiming it. Of the Pacific Co-Operative Union I guess it would be of the fertilizer that was shipped to me. When a letter came from the Union for order of fertilizer I ordered. When situation became grave and had to leave the Coast the order was cancelled. But the manager of the Union kept coaxing to take the fertilizer send out letters to the growers. There is at this Union the Growers 3% Sinking Fund and have the shares of the Union, please go to the Union check up on it.

There is money coming to me, I have written of it before but did not get any answer. Didn't have time to see to the fertilizer so it was left on the property. If you want to know all particular of the property see Mr. Joseph Morgan, 101-110 Westminster Trust Bldg. New Westminster B.C.
