Re: Sukegoro MORI

We are in receipt of your report of May 28 for which we thank you. We agree with your recommendation that owing to the dilapidated condition of the property at 874 West 6th Avenue, that it be boarded up upon the evacuation of the two remaining Japanese families, unless Mori is willing to spend sufficient money to put it in shape so that it could be rented. We are writing Mori today in this regard.

Dear Sir:

Re: Property at 874 W. 6th Ave.

In connection with your property at 874 West 6th Ave., our agent reports that it is in a very dilapidated condition and recommends that the house be boarded up, in this case there will be no revenue coming in to pay taxes, insurance, etc.

Our agent submitted an estimate of \$150.00 to repair the floor joists and studding on the east side of the building, which are rotten. Are you interested and able to repair the building to put in shape so that it can be rented?

We note that the Fire Insurance policy of \$2,000.00 on this building expires on June 12, 1942.

Yours truly,

Gentlemen:

We thank you for your letter of January 30, 1946, a copy of which is enclosed, because we received two copies, stating that there is standing to the credit of Mrs. S. Mori \$663.26, and Mr. S. Mori \$214, but that there are claims of \$369 to C. of Int. Revenue, and \$73.80 to Vancouver Gen. Hospital.

If you think it possible to get both of these creditors to accept about half the amount as payment in full, namely \$221.40 ($21369 + 73.80$), we are satisfied to settle the claim.

(2)

We shall appreciate it very much if you would send us the balance, namely \$ 654.86 (876.26 - 221.40), for Mrs. Mori has been ill since her arrival out East and there are many doctor's bills to be paid.

Mr. and Mrs. Sukegoro MORI,
Reg. Nos. 00056 and 00057,
170 Forest Avenue,
Hamilton, Ontario.

Dear Sir and Madam:

We are in receipt of Mrs. Sato Mori's letter of January 22nd requesting that we forward the funds standing to her credit, namely \$662.26. We regret it is not possible to do this for the reasons set out below, and as the matter involves Mrs. Mori's file we have considered it more satisfactory to deal with both your files in the one letter.

It will be recalled that on April 6, 1943 and again on April 20, 1943 our Claims Department wrote to Mr. Mori respecting the following claims:

Collector of Institutional Revenue (Provincial
Board of Health, Tuberculosis Division) re
Sukegoro Mori, deceased-----\$369.00.

Vancouver General Hospital, balance of
account rendered -----\$ 73.80.

As far as we can trace no reply was received to our letters. At the time there was standing to the credit of Mr. Mori the sum of \$214.00, the amount received from the Sun Life Assurance Company re Policy No. 2,112,612. No reply being received from Mr. Mori respecting these claims, nothing further was done regarding same and the above amount still stands to his credit. Now there is the sum of \$662.26 standing to the credit of Mrs. Mori and we wish to know what you are prepared to do regarding the two outstanding claims. We think it might be possible to get both of these creditors to accept about half the amount as payment in full, and if this can be done please let us have your confirmation by return that we may endeavor to settle on these terms.

The importance of replying to this letter will be appreciated by you as these claims remain on our files and something must be done about them. In order to facilitate your reply a stamped and addressed envelope is enclosed, and we await your news by return.

Yours truly,

Dear Sirs: Re: Sukegoro MORI. Your claim for hos-

With reference to the above claim and our telephone conversation of some days back, will you please note that we have now received an offer from Mr. and Mrs. Mori to make payment of one-half the amount due in full settlement of this matter, that is, a payment of, say, \$37.00.

In view of this debt being so long outstanding, namely from 1936, we shall be glad if you will kindly confirm if you are agreeable to settle on the lines indicated. We may say that a similar arrangement is being made in connection with a debt to the Provincial Board of Health.
