Dear Madam:

We wrote to your husband as follows :

"On referring to our file in connection with your affairs, we note that your property is under the care of Mr. Clay.

Our Agents, Messrs. Coulthard, Sutherland & Company, Limited inform us that it is Mr. Clay's understanding that you did not wish your house to be rented. We would like to have on our file a statement from you to this effect. If this is your wish how do you propose to take care of the upkeep of this property and payment of taxes etc?

We also notice from your registration form that there appears to be a liability on this property due under an agreement of sale.

We would like to hear from you in connection with this matter."

Your husband replied that he wishes you to be considered in this matter. For his part he states it will be alright for us to try and rent. You might advise us your wishes in this regard.

As mentioned in the above letter, if you do not wish to rent what do you propose doing in regard to payment of taxes, taking care of fire insurance and so forth.

Please let us hear from you by return.

Dear Sir:

Re: Takaichi FUJIOKA, #14303,
P. O. Box 8, Port Moody, B.C.

The above Japanese person declared his property to the Custodian of Enemy Property on the 8th of April, 1942. In his declaration he claimed that he owned certain timber rights on Cat Road, Port Coquitlam, B.C., which he values at \$300.00.

Would you please be good enough to examine your records of the granting of such timber rights and advise us, at your earliest convenience, as to whether this assertion is correct.

This man was evidently in actual operation on his property as he states that he left shingle bolt camp equipment on government land on Cat Road, which was marked with his name.

When replying to this letter please give all particulars in order that the Custodian may vest and administer any interest which this man owns.

Yours truly,

Ian McPherson,

Dear Sir:

Prior to evacuation, Mr. Takaichi FUJIOKA made declaration to the Custodian to the effect that he had an interest in timber rights on Cat Road, Port Coquitlam. I have since been informed by the District Forester that these rights, if any, pertain to Timber Berth, Pipe Line Road, Coquitlam, under lease from you, and that his equipment was located on the adjoining Timber Berth #562.

I should be glad if you would send me your copy of the lease to Mr. Fujioka respecting Berth #58. After I have inspected the lease, it will be returned to you. Also will you kindly advise me if Mr. Fujioka is possessed of any right in respect to Berth #562 and if so, the nature of such rights.

Dear Sir:

re Takaichi Fujioka - Your File 3443

Mr. G. L. Chevalier, of Port Moody, B.C., has referred to me for answer your letter to him dated September 26, 1942, and particularly regarding Mr. Takaichi Fujioka's timber rights on T.B. 562 and T.B. 58.

By an informal document dated May 11, 1940, Mr. Chevalier agreed to sell to Mr. Fujioka the cedar for shingle bolts only on the 40s numbered 1, 2 and 3, West of the Cat Road, T.B. 562, Township 39, also the same cutting rights on the 40s numbered 3, 4, 5 and 6, portion of T.B. 58, Township 39. Mr. Fujioka had the right of cutting the cedar on these 40s up to April 30, 1941.

Mr. Chevalier informs me that Mr. Fujioka has cut off or has removed all the cedar on the 40s numbered 1, 2 and 3, in T.B. 562, and Mr. Fujioka has no further interest in these three 40s situate in T.B. 562. However, Mr. Fujioka has a logging camp situate on 40 No. 1, T.B. 562, and this camp has been used by Mr. Fujioka in connection with his cutting operations on the adjoining 40s, in T.B. 58. Mr. Chevalier, however, reports that this camp has not been used for any purpose whatever since the middle of last May. He further believes that the camp is of little or no value. So that, for all practical purposes, you may take it that Mr. Fujioka has no interest now in T.B. 562.

In regard to the 40s numbered 3, 4, 5 and 6 in T.B. 58, Mr. Fujioka has a right to remove the cedar for shingle bolts on 40s numbered 5 and 6 until December 31, 1942. By a letter dated February 18, 1942, Mr. Fujioka surrendered all interest in these 40s after that date.

By a further informal agreement dated February 20, 1941, Mr. Chevalier also agreed to sell to Mr. Fujioka the shingle bolt timber on the 40s numbered 1 and 2, T.B. 58, Tp. 39. So that you will observe that by virtue of the agreement dated

Ian Macpherson, Esq.

-2-

September 28, 1942

May 11, 1940, and that dated February 20, 1941, Mr. Fujioka had the right to cut shingle bolts on the 40s numbered 1, 2, 3, 4, 5 and 6, T.B. 58, Tp. 39. Fujioka had until February 20, 1943 to remove this timber on 40s numbered 1 and 2, T.B. 58.

By further informal agreement dated May 14, 1942, Fujioka assigned to Mr. J. H. Mclean, of Port Coquitlam, B.C., the 40s numbered 1, 2, 3 and 4 in T.B. 58, Tp. 39, for the sum of \$200.00; Mr. Mclean to arrange direct with Mr. Chevalier as owner for any extension of time that might be required. Mr. Chevalier, in point of fact, has extended the time to cut these 40s until February 20, 1944.

To summarize, the only interest that Mr. Fujioka has in these timber berths, therefore, is to cut the cedar shingle bolts on 40s numbered 5 and 6 in T.B. 58, until December 31, 1942. In point of fact, however, Mr. Chevalier advises that all the timber on these two 40s has been removed; so that in regard to the whole matter, Mr. Fujioka would appear to have no further interest.

I trust this explanation will be sufficient. If you require any additional information, I would suggest that you write to Mr. Chevalier at Port Moody, and he will call on you and give any further explanation that may be required.

Yours truly,

MEMORANDUM

October 16, 1942.

TO: Mr. Macpherson
FROM: Mr. Cramer

Re: File 3443 - Takaichi FUJIOKA

With reference to the rights held by the above Japanese in the following Timber Berths:

No. 562 and No. 58

The Berths were divided into 40 acre parcels. This man had an Agreement with Mr. Chevalier, dated May 11, 1940 to buy and cut all the cedars on the 40's No. 1/2/3 of Timber Berth No. 562. - The timber on these tracts was all logged off and the time of the Agreement expired April 30, 1941; therefore Fujioke has no further interest therein.

With reference to Berth No. 58, the 40's Nos. 3/4/5/6 Fujioke has the right to remove the cedar for shingle bolts until February 18, 1943. The rights to Nos. 3 and 4 were sold to J. H. McLean of Port Coquitlan with the full approval of Mr. Chevalier, On May 14th, 1942 for \$200.00 cash Mr. Chevalier has consented to extend the Agreement to February 20, 1944.

Fujioke then gave Mr. Chevalier a letter dated February 18, 1942 stating that he was relinquishing all his rights to 40's Nos. 5 and 6 after December 31, 1942. This relinquishment really meant nothing as all the timber had already been removed from Nos. 5 and 6.

There is a small camp on 40 No. 1 of Berth 562 which belongs to Fujioke but no value is placed on this by any of the parties concerned.

I have been given to understand that Mr. Chevalier would come in and discuss this with us if need be. After going into this matter fully with Mr. O'Brian I am of the opinion that T. Fujioke has no further interest in the Berths, but the sum of \$200.00 received by him from Mr. McLean should be accounted for to us.

Dear Sir:-

T. FUJIOKA (Port Moody)

I am very sorry I haven't written before but have been sick since being in there and my husband has been working steady and couldn't get over till today. I am sending the slips of everything that was there when we left the Takaichi Fujioka place, file 3443. My husband was over to the place today and they told him he was going to move out within a week or two, and Mr. Hart told Lablanc that he was taking out all the pipe that Mr. Foley put in last spring so that there is water in the house where we lived. There is only two pieces of pipe that belongs at the other place where Harts live, the rest of the pipe belongs on the Fujioka place. The taps belong to us. We left them there for Lablanc to use but we intend to get them this week.

The machine and table also so if you want what belongs on the place you don't want wait till Lablanc leaves, if you do, there won't be a whole window on the place or anything left in the house as the Harts says he will have what he wants out of the house.

My husband discovered a lot more things under the house same side as the bricks, under the house. Mr. Foley says if you will let him know when you get the things from the house he will go up there so you will be able to get everything from around the house inside and out. I am sorry I haven't been able to send my rent, before, but it took every cent we had to get moved and pay the rent on the house where we are, but will send as soon as possible

Waiting to hear from you,

I am yours resp.
