PERSONAL PROPERTY SUMMARY

File No. 4036

April 24, 1947.

RE: Chuya WAKABAYASHI, Reg. No. 02955

This file reveals that WAKABAYASHI owned no real property in any protected area of B.C. He stated he intended to place fire insurance on chattels in storage, but did not advise whether this had been done.

CHATELS: WAKABAYASHI made his declaration to the Custodian on Sept. 28/42 and was evacuated on Oct. 15/42. He declared chattels as shown on the Chattel Schedule on file at three different addresses. None of the chattels he declared at 439 Powell St. or 2456 McGill St. were found by the Custodian. See explanation on Chattel Schedule. A few articles were removed from the B. C. Purchaser's, 573 E. Hastings St. and sold in the name of WAKABAYASHI for the net sum of \$49.61 and this sum credited to his account with the Custodian. A large quantity of goods declared at the B.C. Purchasers were not found by the Custodian. It is quite possible that these were shipped as the son Tadao, File 8983, asked about having goods stored at this address in the name of his father shipped.

ACCOUNTS RECEIVABLE: When WAKABAYASHI made his declaration to the Custodian he gave a list of accounts receivable. His daughter, Mrs. Chiyoko EBATA, signed a Statutory Declaration listing accounts receivable owing to her father and this list differed from his original list. Finally, Norris and MacLennan, who were looking after the affairs of Chuya WAKABAYASHI, gave us the following as being the only accounts receivable still owing to WAKABAYASHI. The letter enclosing this list is dated July 18/42.

B. C. Fish Market - one account for	\$64.58
one account for	180.27
M. EBESUZUKI	18.41
Powell Fish Company	5.88
SHIMIZU, Haney, B.C.	28.20
I. TSUJI	10.56
T. EBESUZAKI	468.92
J. HORI & CO.	126.08
J. KATO, Mission, B.C.	184.40
R. INOUE	13.85
Y. EBATA (personal loan)	1149.12
T. SHIMIZU	2.80

Re the claim against the B.C. Fish Market, Kikuichi NAKAHAMA, File 11267, after denying owing money to Chuya WAKABAYASHI, he stated in his letter of Dec. 28/45 that he did owe money to Chugoro WAKABAYASHI. We gave this information to Norris and MacLennan and they replied on Jan. 9/46 stating that NAKAHAMA probably meant Chujiro WAKABAYASHI, son of Chuya, who worked in his father's store. Nothing further has been done regarding this matter.

W. EBISUZAKI CO. - following dividends received on this claim:

June 25/43 - 20% dividend	\$3.68
Sept. 27/43 - 30% dividend	5.53
Aug. 3/46 - 5% dividend	.92
	<u>\$10.13</u> Leaves balance of \$8.28

Powell Fish Co. - A dividend of 8¢ on the \$1.00 has been paid on this account in the sum of \$.36, leaving a balance of \$5.52.

SHIMIZU, Haney. This information is too indefinite as there are a number of SHIMIZU's who resided at Haney. We advised Norris & MacLennan in our letter of July 20/42 that in a number of cases the names of the debtors were not sufficient for us to trace them.

T. SHIMIZU is also insufficient information as we have a number of T. SHIMIZU's registered.

Mr. Ichijiro TSUJI was repatriated to Japan on Oct. 2/46. Admitted claims of \$840.56 are on file against him and he has only a credit of \$113.09 with the Custodian. These will probably be paid on a pro rata basis when this file is summarized. *Not acknowledged. Jm.*

J. HORI & co. - This claim admitted but he has debts amount to more than \$3000.00 on file against him and only a credit of \$131.90.

J. KATO, Mission - He remitted \$25.00 to this office to apply on the account owing to WAKABAYASHI. We advised KATO to make any further payments direct to WAKABAYASHI.

R. INOUE - This was paid in full on Apr. 2/46 by transferring sum of \$13.85 from the account of INOUE to the account of WAKABAYASHI.

T. EBESUZAKI, File 11819 - admits the claim but he has no funds with the Custodian from which his many claims can be paid.

Personal loan to Yosohichi EBATA - \$1149.12 - following payments made to Chuya WAKABAYASHI: These were sent through Norris & MacLennan.

Amt. owing	\$1149.12	
Amt. paid		\$525.12

The Internee has now been released and it is likely that the balance of this is now being paid direct by him. At any rate there are no further copies of requisitions showing any other sums being sent to WAKABAYASHI.

Internee Suekichi MIYAGAWA, File 1016, sent Mr. Chuya WAKABAYASHI the sum of \$10.00 as a Christmas Gift in Dec. /45.

The following is a statement of the account:

	<u>DEBIT</u>	<u>CREDIT</u>
Net proceeds from sale of chattels		\$ 49.61
Received from M. EBISUZAKI Co.		10.13
Received from Powell Fish Co.		.36
Received from J. KATO		25.00
Transferred from account of INOUE		13.85
Cheque to WAKABAYASHI Dec. 19/45	84.18	
Credit on hand	<u>14.77</u>	
	<u>\$98.95</u>	<u>\$98.95</u>

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

MacLennan were in charge of goods
stored at this address. One
of our representatives in
company with Mr. MacLennan
visited this address in order to
arrange shipments to various
Japanese. When they arrived at
the place they found it had been
broken into and the contents so
scattered and in such a state of
chaos, that it was impossible to
make an accurate check as to
what had been stolen. The
police were called in but it
would not appear as though any
of the stolen goods were re-
covered. The chattels were
moved to our warehouse very
shortly after this and we tried
to identify the owners of the
remaining chattels on the basis
of lists supplied by Morris &
MacLennan.

WAKABAYASHI has already received money
from sale of the few chattels found in his

When our investigators called at this address the shed at the rear of the building was empty. We advised WAKABAYASHI of this in our letter of Feb. 25/43 and stated we therefore assumed he had either taken them with him or disposed of them prior to his evacuation. WAKABAYASHI did not reply to this letter, so it would appear that this was the case.

Re: WAKABAYASHI, Chuva

Thank you very much for your letter of July 18th. In a number of cases the names of Mr. Wakabayashi's debtors are insufficient for us to trace them. If you are in contact with Mr. Wakabayashi, and are collecting these accounts on his behalf, we assume that you will make the necessary arrangements and only register a claim with the Custodian for such accounts as you cannot collect.

In this case, be sure to let us have the full names of the debtors as without these we shall have difficulty in tracing them.

Re: P/E A-10 - MATA, Yoshiichi

Dear Sir:

In reply to your letter of the 15th instant, enclosing a copy of a letter from the Welfare Manager at Lemon Creek, dated May 6th, we beg to advise that we have today issued a cheque, amounting to \$50.00 in favour of Chaya WAKABAYASHI, which cheque has been mailed to Messrs. Norris and MacLennan, barristers, to be forwarded to the payee.

This remittance reduced the balance owing by the above internee to Wakabayashi to \$906.97 and we will endeavour to make monthly remittances of \$50.00 to him in the future.

The income from the internee's property has diminished and \$50.00 monthly is the most that can be sent to Mr. Wakabayashi under present conditions.

Re: WAKABAYASHI, Chuzo
WAKABAYASHI, Chuya
WAKABAYASHI, Tadao

Would you please refer to my letter of October 7th to Messrs. Morris and MacLennan? This calls for the following comments.

(1) Things stored at 573 East Hastings St., being the property of the B. C. Purchaser's Association. Although on file 8983 Messrs. Pemberton's report that the father, Mr. Chuya Wakabayashi, was taking the bean curd manufacturing equipment with him, this appears not to be the case since at least part of it is evidently stored at this address. I do not think this requires any further attention.

(2) Things stored at 439 Powell St. in rear wood shed. I believe this is satisfactory but would like a check made of this. The list is attached to Chuya Wakabayashi's "JPN" form.

(3) Things stored at 2456 McGill Street. Messrs. Pemberton's report that this was all sold to the present tenant, Harry Derovenko. This seems satisfactorily to cover the declaration both of the father, Chuya Wakabayashi, and the son, Tadao Wakabayashi.

If, therefore, you will have a note put on each of these files about the things at 439 Powell Street, I think that everything will be clear.

This is just to thank you for your letter of September 30th and enclosures and to confirm the conversation our Mr. Green had with you yesterday.

(2) Things stored at 439 Powell stored in rear wood shed. We understood that this was by arrangement with the owner and that Mr. Wakabayashi is satisfied with this.

(3) Things stored at 2456 McGill Street. These will be looked after by the tenant whom we expect Messrs. Pemberton's Realty Corporation to find in due course.

8983
all sold

(4) We are referring the Accounts Receivable to our Claims Department.

The only other matter is whether insurance should be written on Mr. Wakabayashi's effects and we see from the "JP" form that he intends to place this himself. If you are in touch with him, please remind him about this and let us know what he does.

Further to our Administration Department's Letter of October 2nd, this is to remind you that the Japanese owners required their premises leased furnished if possible. Actually we understand that they have disposed of much of their belongings since expressing their wishes on this point.

We understand that relatives of the owner may also be leaving some things on the premises and we shall, of course, need an inventory of these also.

We have received from Messrs. Norris & MacLennan, the declaration of this man's father, Chuya Wakabayashi, which sets out some Bean Curd manufacturing equipment to be stored at 2456 McGill Street. We can send you a copy of this if you so wish.

TO: The File

FROM: Mr. G. B. Spain

RE: B. C. Purchasers Co-operative Association

As the B. C. Security Commission had accumulated sufficient Custodian releases to justify the opening of the premises at 573 West Hastings St., I telephoned Mr. McLennan of Morris & McLennan, the legal representative of the Association, and suggested to him that he should bring the key, and accompany the Custodian officials, and members of the B. C. Security Commission, to arrange identification of chattels.

At 9:00 A.M. today we all met as arranged and Mr. McLennan with the key attempted to open the front door. This proved impossible as there appeared to be some obstruction inside, quite apart from the bad condition of the lock on the door. Eventually we were able to gain entry through the rear door and were then able to understand why the front door could not be forced. Thieves had entered by the front door, and had placed large planks against the door, preventing the opening of it which would insure their uninterrupted examination of all the chattels, most of which appeared to have been packed in boxes. The lids had been torn off the boxes and contents ransacked and scattered over the floor, and piled up in a state of utter confusion, making shipment impossible. Both Mr. McLennan and the B. C. Security Commission representative realized the futility of attempting to identify and separate the chattels, so the truck was dismissed.

Mr. McLennan called in detectives who made a cursory examination and left without making comments. This particular location is the hangout corner of the worst element in Vancouver.

All chattels were eventually moved to our warehouse and sold by public auction.

Mr. McLennan sent a representative who, in company with our Mr. D. A. Smith, spent about one week identifying chattels on the basis of a list supplied by Mr. McLennan. This identification was accomplished only with extreme difficulty.

Under the aforementioned circumstances, the Custodian can assume no responsibility for anything that may be missing.
