LIABILITY SUMMARY

File 4212

April 26, 1946.

Re: Shinichi KIMOTO #09250

Although letter of March 5, 1946, indicates liabilities of this man, there is no other evidence on this file of any liabilities filed against this man. The liabilities shown on File 4214 are against Masakichi KIMOTO, father of Shinichi, and there is nothing to indicate that the son has any responsibility.

This summary is certified
to be in accordance with
information on file.

PERSONAL PROPERTY SUMMARY

File 4212

April 26, 1946.

Re: Shinichi EYEMOTO #09250

This man signed a declaration to the Custodian on April 10, 1942.

In his declaration he reported a bicycle, which he stated he was taking with him.

He reported a Victor Gramophone and records stored at his home, Pitt Meadows, B. C. These articles were removed from his home, 2346 Hammond Road, Pitt Meadows on August 17, 1942, Fraser Valley Inventory #3. The gramophone was sold for the net sum of 76 cents which has been credited to the account of this man. There were 55 records inside the gramophone cabinet. The file does not show the disposition of these records. In general, records appear to have been treated as of no value by our storage warehouse men and identification of records still in storage is in most cases impossible. Many records are broken in storage or in moving. Second-hand records have a low sales value. Unless EYEMOTO requests a complete accounting of his effects, we will consider these records as having been discarded.

He reported 3 \$4.00 War Savings Certificates in his own possession. These did not come under the control of this office.

He reported \$40.00 due him from T. FUJIOKA, File 3443. FUJIOKA stated June 8, 1943, that this debt had been paid. This information was given to EYEMOTO who did not reply to our letter. This matter is therefore considered closed.

He reported a Sun Life Assurance Co. policy for \$1,000.00. The beneficiary was his father, File 4214. This did not come under the control of this office, and the file gives no further information in regard to this.

This file reveals no other property.

This summary is certified to be in accordance with information on file.
