CHATELS:

*on file #175
and #13
left*

The above, who made his declaration to the Custodian on April 17/42 and was evacuated on June 5/42, declared chattels as listed on Chattel Schedule on file, left in a dwelling house of the Imperial Cannery. The file of the wife, #1175, gives the house no. as #32. On June 17/42 Custodian agent, Mr. C.C. Robinson inventoried chattels in the name of the above at House #12, Imperial Cannery, as noted on List #15 on file. House #12 was one of the houses set apart by the Imperial Cannery for storage of Japanese goods. Goods belonging to the above have been disposed of as shown on Chattel Schedule on file for the net sum of \$50.28, and this sum credited to his account with this office.

Although the above did not declare any nets, 8 nets were found in the Imperial Cannery net house tagged with his name and these were inventoried by Custodian agent Mr. C.C. Robinson, and removed to Custodian warehouse. Of these, five were sold for a total sum of \$202.50, and this sum credited to the account of ITO. One of the nets was not removed to Custodian storage but was left with the Imperial Cannery. One was returned to the cannery in pieces, then of no value. See Net Statement on file dated Dec. 1/43.

SPECIFIED
ARTICLES:

According to information supplied to this office the above was the registered owner of a fishing vessel the "T.I.", which was sold through the Japanese Fishing Vessel Disposal Committee for the net sum of \$938.00, and this sum was paid to ITO on April 21/42. Full details are given on Specified Articles Summary on file.

No property interests other than those mentioned above are found on this file.

Dear Sir:

re: Claims

In reviewing your file and registration form it is noted that you have declared as owing by you the following:

1. S. MATSUO \$150.00
2. Imperial Cannery, Steveston 100.00

Neither one of these has filed a claim against you, and we shall be obliged if you will let us know if they have been settled since you registered with this office. Please advise.

No. 3. In addition to the foregoing there has been lodged against you in this office by the Provincial Board of Health (T.B. Unit) a claim for \$7072.00. According to the particulars just received from that office this amount is made up as follows, and is in connection with your son Tomotsu ITO:

Hospitalisation July¹⁹/35 to April 24/42 \$7407.00
There has been paid on account 335.00

BALANCE UNPAID - \$7072.00

Our office wrote to Mrs. ITO on the 28th of December last regarding this account, stating that it was \$7372.00. However, we have been informed to-day that there had been \$300.00 additional paid, reducing the account to the present balance of \$7072.00.

Will you please advise us if you can do anything toward making a settlement of some sort in connection with this claim.

Please read this letter carefully and let us have complete reply regarding the three items mentioned.

Yours truly,

B. R. Dusenbury,
Claims Department.

Mr. Toramatsu ITO,
Regn. No. 03843,
New Denver, B.C.

Dear Sir,

We beg to acknowledge receipt of your communication of the 5th inst. in regard to fishing gear and tools which you claim you left in the Protected Area.

For your information please, all chattels found by this office have been liquidated as per instructions received from higher authority, and the proceeds derived from sale of these items have been placed to your credit at this office.

It was the intention of this office to forward to you such funds as are held here in your name, but this course was forestalled by the receipt of a claim from the Prov. Board of Health (TB Unit) in the amount of \$7072.00, being costs for which you are held responsible in regard to the confinement of your son Tomotsu ITO.

As the funds held to your credit at this office would not, if applied against this balance, make an appreciable reduction in the amount of your debt, and also in view of the fact that you have found it necessary to re-habilitate yourself, we have written to the Collector of Institutional Revenue requesting his authorization to forward all funds to you.

The Board of Advisors of the above-mentioned office have not met as yet, therefore, it is necessary that this office retain control of your funds until such time as the requested authorization is received or otherwise.

It is considered that we shall be in a position to advise you in either regard within the space of the next few weeks.

Yours Truly,

MEMO TO FILE : Toramatsu ITO
Regn No: 03843

Toramatsu ITO had a son Tomotsu ITO who was under the care of the B.C. Provincial Tuberculosis Unit from 19th July, 1935 until transferred to New Denver, B.C. under auspices of the B.C. Security Commission on 24th April, 1942.

As Tomotsu was a junior at the date of entry to hospital in 1935, an undertaking was signed by the parents in regard to defrayment of hospital expenses, and this office was advised 13 April, 1944, that the outstanding balance of account in the amount of \$7072.00 was due the Collector of Institutional Revenue for the Province of B.C.

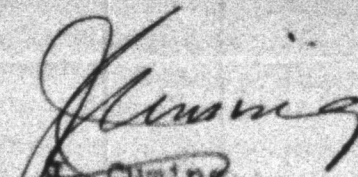

In view of the fact that total proceeds derived from the sale of chattels and fishing gear amounted to only \$252.78, and that the ages of the parents precluded an easy adjustment to evacuation, the Collector of Institutional Revenue was approached on 14th Nov., 1947, with a view to having a waiver of claim in that amount.

Toramatsu ITO was advised on 28th November, 1947, of the efforts being made on his behalf.

An authorization under date of 24th Dec. 1947 was received at this office from the Coll. of Inst. Rev. permitting this office to forward the balance of account direct to ITO.

As a Claim in the amount of \$1331.00 was lodged against the Custodian by Toramatsu ITO, it is considered advisable in the interests of the Canadian people to withhold payment to ITO of his credit balance at this office, until such time as the claim is adjudged.

Dear Sirs,

Tome (Mrs. Toramatsu) ITO
Regn No 03822

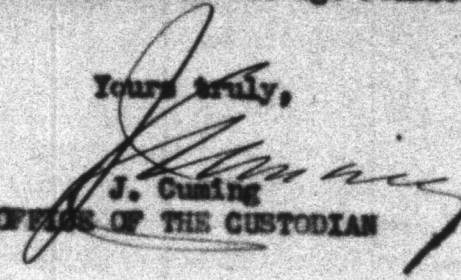

May this Office be advised please as to whether Toramatsu ITO is now in receipt of the Old Age Pension, or has applied for same.

The wife of the above-mentioned Japanese is not as yet of an age to warrant applying for the Old Age Pension, but it is considered that she and her husband might both be receiving Social Assistance in some form or other from Provincial Government sources, and if such is the case it is respectfully requested that this Office be informed in detail.

It is considered that certain sums of money will be received at this Office for placing to the credit of the aforementioned Japanese, and in view of the fact that we were instrumental in having the Collector of Institutional Revenue waive claim to the previous small balance in view of the age of the husband and the fact that their only support was a patient in a B.C. Tubercular hospital, we feel that at the present time the complete situation should be brought into review and that some of the new funds should legally be used to defray expenses incurred by the people of B.C. in the hospitalization of the son.

If your answers to the above queries are in the negative, it is requested please that this Office be advised at any future date if either Social Assistance or Old Age Pensions are applied for.

Yours truly,

Collector of Inst'l. Revenue,

VANCOUVER, B.C.

Dear Sir,

RE: Tomotsu ITO - Prov.
Tuberculosis Unit.

With reference to our letter of 14th Nov., 1947 in regard to the indebtedness of \$7072.00 incurred by Toramatsu ITO due to the hospitalization of his son Tomotsu ITO, and your reply under date of 24th Dec., 1947 in which you advised that you were prepared to forego the small credit balance in the amount of \$252.78 held by this Office in the name of Toramatsu ITO.

May you now be advised please that this credit has increased to \$307.78 as of this date and that in view of claims presented by Toramatsu and his wife Toms to the current Royal Commission investigating Japanese losses caused by the evacuation, it is considered that this amount will no doubt be increased.

Review of the Transcript of Evidence taken at the hearing of Toramatsu and his wife, notes that the son has been released from hospital, and in view of that fact it may be considered that he is more than likely working and therefore contributing toward the support of his parents.

Under date of 14th Jan., 1949 the Old-age Pension Board at Vancouver advised this office that Toramatsu ITO is in receipt of pension in the amount of \$10.00 per month. This nominal sum being explained as due to the wife having earnings of \$960.00 per year.

As our previous request to you for a waiver of claim to the \$252.78 held by this office was based on the age of the father and the difficulties he would have in rehabilitating himself, plus the fact that the son could not contribute to the support of the parents, it would now appear that a review of your original claim is in order.

Upon receipt of notification of any awards which might be made in favour of Mr. and Mrs. ITO by the Royal Commission, this office will advise both you and the Old-age Pension Board with a view to having this family assume some of their obligations to the people of British Columbia. MA

Dear Sir,

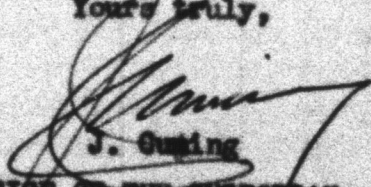

Attached hereto please find Custodian cheque in the amount of \$307.78 representing your complete credit balance as held at this office.

In view of the Hon. Mr. Justice Bird's decision that acceptance of a credit balance by a Japanese would in no wise affect his or her claim as submitted to the current Royal Commission, it was considered by this office that you would prefer having your funds directly under your control rather than leave same lying idle at this office.

For your information, both the Old-Age Pension Board and the Collector of Institutional Revenue have been notified of the mailing of the above-mentioned cheque, and both organizations are agreeable to your receipt of same.

In order that we may be assured of your receipt of this cheque, would you kindly sign, date and return the duplicate copy of this letter in the stamped, self-addressed envelope enclosed for your convenience.

MR. COBUS: The claims, your honour, of Toramatsu, Ito, and Mrs. Tome Ito. We will take the case of Toramatsu first.

THE COMMISSIONER: This is Toramatsu, is it?

MR. COBUS: Yes, your honour.

TORAMATSU ITO, the Claimant herein, being first duly sworn, testified through the official interpreter as follows:

10 MR. COBUS: This claim, your honour, is for personal property. I would ask leave to amend with respect to the item shown under 5 (e), No. 5, tools; that actually should have been tools and personal chattels, and the amount we are now claiming is \$128.00 instead of \$186.00. The nets listed under No. 1, and which are described in the attached list, attached, that is, to the claim form, remain at \$1145.00. The total is \$1273.00. We have broken the credit down into two amounts: credit for sales of
20 nets \$257.50, and credit for the sale of tools, \$8.05; total credit, \$265.55, leaving a net claim herein of \$1007.45, which is also the total claim.

DIRECT EXAMINATION BY MR. COBUS:

Q: Witness, I produce to you a statement concerning the fishing nets for which you have submitted a claim. Did you instruct Mr. Leckie to prepare this statement for you and is that your

signature? A: Yes.

Q: In your statement you refer to a list of nets attached. I produce to you a list of nets totalling, in the estimated value column, \$1145.00. Is that the list to which you have referred?

A: Yes.

Q: Is the information contained in your statement and the list attached thereto true to the best of your knowledge and recollection?

10 A: Yes.

MR. CONUS: I would ask leave to file the statement, your honour.

THE COMMISSIONER: That will be Exhibit 1.

(STATEMENT MARKED EXHIBIT NO. 1)

MR. CONUS: Q: Witness, I produce to you what appears to be an insurance policy issued by the Liverpool-Manitoba Assurance Company, Vancouver, B.C. agency. The policy is dated July 7, 1942, and it bears the signature, John. W. Wilson, an agent for the Liverpool-Manitoba Assurance Company. Is that an insurance policy which you placed upon your fishing nets and the fishing nets for which you are claiming now?

20

A: Yes.

Q: Do you know whether the Custodian got a copy of that insurance policy?

A: I don't know.

Q: You didn't instruct the insurance company to send the policy to the Custodian, then?

30 A: No.

Q: You did not?

A: No.

MR. COBUS: I would ask leave, your honour, to file the insurance policy.

THE COMMISSIONER: That will be Exhibit 2.

(INSURANCE POLICY MARKED EXHIBIT NO. 2)

10 MR. COBUS: Referring to Exhibit 1, your honour, the witness says that the nets were left in the net house of the Imperial Cannery, B.C. Packers, at Steveston, B.C. The nets were tagged and the tags were marked with the witness' name. He says that all of the nets for which he is claiming were so left. He explains that he did not declare the nets in his J.P. form as the cannery had told him they would buy them. They, the cannery that is, later changed their minds and informed him that they had enough nets. However, he points out that the Custodian found and sold most of his nets and he had full notice of all his nets from his insurance policy covering the same. He says that he has allowed for depreciation on all the nets.

20 Q: Witness, I produce to you now a statement concerning personal chattels for which you are submitting your claim. Did you instruct Mr. Leckie to prepare this statement for you and is that your signature?

A: Yes.

30 Q: In your statement, witness, you make reference to a list attached to your statement. I produce to you a list headed "Personal Chattels." Is that

the list to which you make reference?

A: Yes.

Q: Is the information contained in your statement and in the list true to the best of your knowledge and recollection?

A: Yes.

MR. COBUS: I would ask to file the statement and list, your honour, as one exhibit.

THE COMMISSIONER: That will be Exhibit 3.

10 (STATEMENT MARKED EXHIBIT NO. 3)

MR. COBUS: In Exhibit 3, the witness says that the goods claimed were at his wife's sister's house, address, P.O. Box 197, Steveston, B.C. The only comment he makes is that he has allowed for depreciation.

If my friend would produce the Analysis of Personal Property Claim, I think that should be filed in this case.

(Handed to Mr. Cobus)

20 MR. COBUS: The Analysis is filed on behalf of the Crown.

THE COMMISSIONER: That will be Exhibit 4.

(ANALYSIS MARKED EXHIBIT NO. 4)

MR. COBUS: Referring to Exhibit 4, your honour, I would call attention to the column, "Remarks," the right-hand column on the sheet wherein the Custodian has this to say: "The Liverpool-Manitoba Insurance Company forwarded to this office on December 7, '42 a copy of insurance policy covering the nets owned by Toramatsu Ito." Then,

T. Ito
In Chief

referring to the details of claim, where 13 nets are listed, it can be seen that the bulk of the nets were in fact sold by tender by the Custodian. I am somewhat dubious about the Custodian's "No record at any time," column; it is a little difficult to understand. The abandoned items, of course, are there for whatever they are worth. He has listed two nets as "No account, theft."

10 Q: Witness, with respect to the personal chattels for which you have claimed and for that matter, I suppose, with reference to the whole of your claim, have you received any monies from the Custodian? A: No.

Q: You have received no money at all from the Custodian?

A: No.

20 MR. COBUS: I see. Your honour, I merely wanted to have that clear. We have credited the Custodian, but for a reason that I haven't been able to fathom, no money has in fact been received by this claimant, but I think that can easily be arranged. I simply say that the credit is subject to that reservation.

Your witness.

MR. MACDONALD: I submit, your honour, that the personal property sold was sold for its fair market value, and that the personal properties claimed for were, or are claimed at an exorbitant value.

30 CROSS EXAMINATION BY MR. MACDONALD:

T. Ito
Cross exam

Q: Now, as regards your not getting any money, did you receive any correspondence from the Custodian's office advising you of what money was there to your credit?

A: I only received a letter saying they had sold the articles, but they didn't tell me there was money due to me.

Q: Did they tell you what the articles were sold for?

A: No, it was not written in it.

10 Q: Well, did your wife receive a statement setting out what money was placed to your credit?

THE COMMISSIONER: Well, Mr. MacDonald, wouldn't that refer to another claim?

MR. MACDONALD: No, your honour, I was just coming to a point here that I wanted to clear up.

A: Yes, my wife received a letter, and I think it said that there was a certain amount of money to her credit, but I couldn't remember how much it was.

20 Q: Would it be \$370.75, or would you know?

A: I think it was something like 300-odd dollars, but I don't quite remember exactly.

Q: Now, you have a son in the tubercular institution haven't you?

A: Yes.

Q: And he has been there for several years?

A: Yes.

Q: You have paid nothing, have you, to the government in connection with the care of your son during these years?

A: For about 2½ years when he first entered the hospital.

Q: You haven't paid anything since. How many years has he been in there?

A: Six years and five months he was in there.

Q: Is he still there?

A: No, he is out now and he is working.

Q: Were you ever advised that the amount that was owing to the government was \$7072.00?

10 MR. COBUS: You had better tell him for what, Mr. MacDonald.

MR. MACDONALD: I presume it would be --

A: Yes, I had a notice of it.

Q: And that is the reason that this matter of the credit to you has not yet been adjusted, that you haven't been paid, I understand?

A: Yes.

20 MR. MACDONALD: Your honour, for the record, there is correspondence here on the matter, that would seem to indicate that as far as this particular matter is concerned, the government is foregoing the claim; but the Custodian felt that until such time as that was adjusted, that he could not send this money on. That is the memorandum I have. But I take it from the correspondence, that it eventually will be sent to him, regardless of this amount. I just want to make that clear for the record.

30 THE COMMISSIONER: Yes. You tell the claimant what Mr. MacDonald has said, that probably, in spite

revised \$521.20

of the fact that he owes this money to the government for the care of his son, the possibility is that his claim will be adjusted at some amount anyway and that he will probably receive some money. You explain that to him.

MR. MACDONALD: I think I can go farther than that, your honour, that the amount is so insignificant in comparison to the amount owing that it was recommended that they would forego the claim.

10 THE COMMISSIONER: Yes. You tell him that Counsel for the Crown is recommending that part of his claim be paid, regardless of the fact that he owes this money to the government.

(Interpreter to Witness)

THE COMMISSIONER: Have you anything further to say, Mr. MacDonald?

MR. MACDONALD: That was the one thing I wanted to get clear. It was brought up by my learned friend, and I didn't like to leave it at that.

20 Q: Now, as regards your nets; you didn't declare these nets.

A: No, I didn't.

Q: You were under the impression the cannery was going to buy them; you didn't bother to declare them.

A: The cannery had promised to buy them, but just before evacuation they informed him they didn't want them, and there was no time to declare to the Custodian.

30 Q: It was before he was evacuated that they notified

T. Ito
Cross exam
Re-Direct exam

him they wouldn't be buying them, is that it?

A: It was just a few days before evacuation that they informed him that they didn't want them.

Q: Now as regards the valuation put on these chattels have you any experience in selling second hand furniture and goods?

A: No, I have none.

Q: You have no idea of the value of second hand goods when sold, the price put on second hand goods when sold?

10

A: No, I have no idea, only I put the value according to the price that I bought them.

Q: According to what you paid?

A: Yes.

RE-DIRECT EXAMINATION BY MR. COBUS:

Q: Witness, how old are you?

A: Seventy years old.

Q: How old is your son today, the sick son I am referring to.

20

A: He is 32 now.

Q: How old was he when he was in the sanitarium?

A: When he first entered the hospital, he was 19 then.

MR. COBUS: Your honour, with respect to a question raised by my friend, I think he will admit, because the Custodian's Analysis shows it, that the J.P. Declaration was dated April 17, 1942, the man was evacuated June 5, '42, according to the Custodian's record.

30

T. Ito
Discussion

MR. MACDONALD: Yes, that is right. The J.P. form, I think, should be filed. You didn't file that.

MR. COBUS: Well, I thought that since no question has arisen as to the J.P. form -- the Analysis sheet covers the declaration as far as it goes.

MR. MACDONALD: I think possibly we should file it just the same.

MR. COBUS: As my friend wishes.

MR. MACDONALD: As I say, I file the J.P. form, your honour.

10

THE COMMISSIONER: That will be Exhibit 5.

(J.P. FORM MARKED EXHIBIT NO. 5)

MR. MACDONALD: Q: This is your signature, your name?

A: Yes.

THE COMMISSIONER: Is there anything further, Mr. MacDonald?

MR. MACDONALD: No, your honour, that is all.

THE COMMISSIONER: That is all, thank you.
