Re: Yanazo ENTA, Reg. No. 02050

CHATELS: This Japanese person declared no chattels and none were subsequently found belonging to him.

SPECIFIED ARTICLES: A 1936 Chevrolet Pick-up was sold by the International Harvester Company and on April 8th, 1942, their solicitors, Buell, Ellis & Sargent, Senkler, Buell & Van Horne, intimated that the sale price of \$195.93 was being sent to Yanazo Enta. This has been confirmed at this date.

INSURANCE: The above mentioned Japanese declared that he owned a Mortuary Insurance policy in the amount of \$2,500.00. He was not sure of the name of the Company but believed it to be the B. C. Mutual Beneficiary Corporation. ~~This did not come under the control of the Custodian.~~

The file reveals that the Sun Life Assurance Company forwarded through this office on October 20th, 1943 a cheque for \$16.35, the cash surrender value of Policy #2084860 in favour of Tsuruo Enta and Yanazo Enta on October 26th, 1943. *This was forwarded to Tsuruo Enta on the same date.*

Re: Yanazo ENTA, Reg. No. 02050

With reference to letter, April 8, 1942, from Buell, Ellis & Sargent, Senkler, Buell & Van Horne, acting for the International Harvester Company of Canada Ltd. (Original on File 11686), which, in part, reads as follows:

"One used 1936 Chevrolet Pick-up, surrendered by Yanazo T. Enta, of R. R. #1, Scott Road, New Westminster, B. C. The original purchase price of the truck was \$550 and it was sold for \$400. After deducting the amount payable to our clients with respect to the same there will be available for Mr. Enta the sum of \$195.93."

The original of this letter bears a pencilled notation, unsigned, but probably written by Mr. E. T. Read, as Mr. Read was handling motor-vehicles at that time. The notation reads,

"Told Ellis as far as Office of the Custodian concerned no objection to their paying this money over to the Japanese."

As the money was not paid in to the Custodian, and the JP form does not mention this vehicle or any moneys due from the International Harvester Company, it would appear that the money was paid direct in accordance with the advice given by the Custodian's Office.

SPECIAL SUMMARY

File No. 4569

November 22nd, 1945.

Yanago ENTA, Reg. No. 02050

This Japanese person declared on May 28th, 1942 that he owned no real or personal possessions whatsoever. He was evacuated in July, 1942 and prior to his departure it was revealed that he surrendered his Chevrolet truck. This truck was sold and the proceeds were remitted to him.

The file reveals that he incurred a great many debts on behalf of his family, particularly, Tsuruo Eata, File 5606, Reg. No. 12734, in particular a debt due McLalland & McCarter, New Westminster. This debt was for feed supplies used on the farm of his son Tsuruo Eata and it was subject to legal action. Their lawyer J. Oliver obtained judgement by Default for the debt which afterwards was reduced in an effort to obtain payment.

His acknowledged debts stand at \$790.83 and his disputed claims at \$637.00. There are no assets available to liquidate these and the creditors have been so advised.

File 5586, Yaneso ENTA, appears on my list of files to close and I have carried on correspondence in connection with her deceased husband's insurance (Yaneso ENTA, file 4569). She is the beneficiary of Canadian Mutual Benefit Association policy #A9536 for \$2500.00, and the company now have forwarded the initial payment of \$1000.00 on the death benefit.

The cheque is attached and as I understand that you are dealing with all estate files, I am passing same on to you.

Attention Mr. McPherson.

Dear Sir:

We act for the International Harvester Company of Canada Limited to whom were surrendered certain trucks sometime ago by Japanese. The trucks in question are as follows:

- (1) One used 1940 International Pick-up, surrendered by Tasaburo Chaki, of 262 Powell Street, Vancouver, B. C. The original price of this truck was \$895 and after receiving possession of the same our clients were able to sell it for the sum of \$800. After deducting the moneys due to our clients with respect to the same there will be a balance of \$359.72 due to Tasaburo Chaki. 11686
- (2) One used 1936 Chevrolet Pick-up, surrendered by Yanezo T. Enta, of R. R. #1, Scott Road, New Westminster, B. C. The original purchase price of the truck was \$550 and it was sold for \$400. After deducting the amount payable to our clients with respect to the same there will be available for Mr. Enta the sum of \$195.93. ✓
- (3) One 1941 International Model K-7 Truck sold to Henry Kusano and Akira Kusano, of Slough Road, Dewdney, B. C. The purchase price of the truck was \$2786.50, it being a new truck. It was sold for \$2250.00, and after deducting from the sale price the moneys due to our clients with respect to the same there is a balance available for Kusano Bros. of \$1278.16. 2981 5237

These trucks were delivered to our clients by the above named Japanese and our clients were instructed to sell the same and deduct from the sale price the moneys due to them under Conditional Sale Agreements under which the trucks were sold. After obtaining payment of the moneys due to our clients they agreed that the balance remaining would be paid to each Japanese with respect to his own particular truck.

The trucks have now been sold and the moneys are available for the Japanese and our clients would like to pay the moneys over to them without further delay. If in the meantime the Japanese has filed with yourselves the completed questionnaire form and has included his truck therein we take it that your position is that the truck is vested in yourself and that, therefore, possibly these moneys should be paid to yourselves if the questionnaire form showed the truck or moneys payable by our clients.

Recd
4-11-42
JP

We would, therefore, be obliged if you would let us know if any of the above named Japanese have filed this questionnaire form with you and whether or not in each instance the particular truck or moneys have been disclosed. We understand from the Japanese that they have not filed these forms yet and they have required our clients to pay over these moneys to them.

As far as we can see our clients have no legitimate reason for not so doing, but before actually paying over the moneys we would like to make sure that the Japanese in question have done nothing through your office so that the moneys would be payable to yourself.

As requested above, therefore, we would be obliged if you would let us know whether or not these trucks or moneys have been reported to you and, if not, if it is in order to pay the same over to the Japanese involved.

The Japanese of course are demanding that the moneys be paid over immediately, but we have arranged with them that the matter will be delayed until the 13th instant. We would, therefore, be obliged if you could let us have this information before that date, and if we don't hear from you by then to the contrary we will take it for granted that it is in order for our clients to pay these men their money.

Yours faithfully,

Dear Sir:

Re: Your file #4559, re: Yanago
Enta, Reg. No. 02050.

I have yours of the 8th. instant. The amount \$611.61 given you with my clients claim on the 2nd. of September, 1942, apparently omitted the fact that judgment had been obtained, in which interest on the outstanding account had been included. The judgment is for \$671.22, and carries interest at 6% per annum from March 26th. 1938. The judgment is against Yanago Enta, otherwise known as Yanago Enta, who is the father of Tsuruo Enta.

My clients want to bring both the father and the son before the Court in an action to set aside the transfer of real property from the father to the son, made at a time when the father was indebted to my client and unable to pay, the transfer thereby becoming a fraudulent one to defeat the creditors, including my clients. Both the father and the son promised to pay my clients' account and the payments on account have heretofore been made by the son.

Dear Mr Swain,

I received your letter yesterday. Thanks very much. The \$200 claimed by Dr W.A. Robertson. I have no bills for this claim, This bill I presume is the bill for the death of my son who died 3 years ago. This Dr. did not give me any bills so I do not know whether I owe him or not. If I do owe him any money I shall be very glad to pay him if he sends me the bill. X

o This Dr. Bruce Cannon. This Dr was our family Dr. I was debted to him all the time but we used to pay him off every time so I dont think that there should be any more debts owing to him. If there is I would like him to send me the bill and I will pay him. o

This Mr Tagashira. I had a logging outfit and was debted to him. I went bust on this business and so I sold my store and cleared up all the debts for 75%. Lawyer Ladner handled this affair for me so if you would ask him I would appreciate it very much. This Mr Tagashira said that he wanted 100% of his debt so I could not pay him then so he said he would wait till I got the money as long as it takes he said he would not mind. Also this Mr Kobayakawa this happened at the same time. This man and I had everything fixed up with Lawyer Ladner. This happened a long time ago and I do not remember distinctly but I am quite sure that I have everything cleared up with him.

/ This \$671.22 claimed by Messrs McLelland and McCarter. This was 6 years ago when I got sick and the kids were sick and my chickens were taken and I had very bad luck. I had so much bad luck that I had to put my property in mortgage. The mortgage owner was Mr. M. Ohori. He asked Mc & Mc to settle this account by him giving them the mortgage but they would not do it. Mr Ohori even offered them \$300 besides the mortgage but still they would not take it so we left it. After awhile they said they would reduce the price to \$300 so to pay it but my son got scared that if we payed the \$300 we might have to pay again so we left it. If they want to ask some more questions please ask them to write to my family in Manitoba and they will fix everything up. I do not think that there is no need for Mc & Mc Co. to take this to Court. Thanking you very much for this notice I remain.

I act for McLellan & McCarter Limited, Feed Merchants of this City, who have held since March 26, 1928, a Judgment of the Westminster County Court against the Japanese first above mentioned, in the sum of \$671.22.

Prior to the said March 26, 1928, the Japanese first above named, incurred the obligation for which the Judgment was obtained in respect of feed sold and delivered to his real property, described as Lots 1 to 14 inclusive, Block 6, in the N.W. 1/4 of Section 30, Township 2, New Westminster District, Map 1468, and instead of disposing of the said real property to meet the obligation to my client, he transferred the real property to his son, the Japanese second named above, and has not yet paid his obligation to my client.

I am writing you this letter requesting permission to institute proceedings in the Supreme Court of British Columbia against both of the above named ~~chaps~~ *Japs*, therein invoking the provisions of the Fraudulent Conveyance Act, and shall be obliged if you will let me have same by return so that Court proceedings may be instituted without any further delay.

Dear Sir,

I received your letter today which was dated on the 15th of July. In referring to your letter, I am not saying that I will not pay this debt. The trouble right now is that I have not enough money to pay so they will have to wait. If Mc & Mc. cannot wait until I get enough money to be able to pay them I am afraid they will have to take this to court. If for instance they do take this to court they will have to settle this with the Selective Service and also they will have to pay my fare to the coast because I have not the money to go there. If I leave this place right now I have a hunch this mill here will have to stop because they are already short of men. In replying to your statement that the Mc & Mc. Co. said that I changed the name of my property to the name of my son well this was all settled the last letter which I sent you. If you do not mind I would like you to go to the lawyer in New Westminster and check up on this. I think I gave you the name of the lawyer last time. Before I left the coast I had 12 rolls of chicken net which some of them were valued to me about \$75.00 per

roll. Some were cheaper than that. I had all my friends and also my neighbours helped me hunt for all this. I reported this to the Ladner and Cloverdale Police and they stopped all the trucks and inspected them for a whole week. When at last the Mc. & Mc. Co. told me that they had this all at there place. I do not know how they ever got all this to their place but they had it there and they offered me \$25.00 for the whole works. They have been doing all this kind of sneaky business so that is why we got mad and left there account alon e. If they would have been fair to us from that time we would of had all this trouble cleared long ago. They even offered to reduce all this to \$300.00 and then we were going to pay them off then and then they changed their minds again. Well anyways I am not saying that I am not going to pay all this but if McLellan and McCarter would not prefer to wait I am willing to go to court whenever necessary. Please tell them that if they are going to wait they will not have to send me any more letters concerning about this debt because I will clear this up as soon as possible. Thanking you for all this trouble I remain.

Very truly
yours.

Dear Sir, -

I received your letter concerning
the debt of McEllen & McCart Ltd and that
of Royal Columbian Hosp and am giving you
an answer at once.

Regarding the letter about the Hosp. I gave
you an answer at once. But and explained
to you the situation I was in and was
unable to pay at the time but apparently
I never got no answer from you. In what
you were going to see me and I answered
according to what I thought was best. X
The amount is correct and I mean to
pay it at the first chance.

Due to an accident ^{in Edmonton} and death of
my son I was called here to attend
the funeral and to clear my expense.

The accident occurred in front of the
school in the school house but because
we were enemy aliens they would not
do anything for us and after paying
the funeral cremation at Minneapolis U.S.A.
hospital and ambulance I was left penniless.

and I myself have been down with
double pneumonia and have been unable to
work.

As for McEllen and McCarter I will
pay you them at the first possible
chance I get. I hope to start working soon.
I appreciate the fact that they have cut
it down to \$318.91 but that amount now
is impossible for me to pay.

I hope you will understand the
bad luck I have had and write notes
until such time that I will be able to
pay. We have answered every letter you
have sent us and I cannot understand
why you never answered us.
Thanking you

Yours truly

Dear Sir

Thank you for the letter of April 3rd. I am answering you at once.

This cheque of \$100 to Roy Makatanka never should be entered into the Custodian. I wrote the cheque at the time to Roy Makatanka. He later informed me that the bank would not cash it because of insufficient funds. I was very hard up at the time and Roy Makatanka made a misunderstanding that I wrote a promise note to him saying that I pay him whenever I was able to. He returned the cheque to me and I thought I destroyed it but probably his son who was present at the time picked it up and kept it. This Roy Makatanka at present is in Japan and I met him a number of times there while I was sick and he has this promise note. If I pay the cheque I will have to pay the Roy N. again for the note so I do not intend to pay the cheque. Could you please inform the party who brought the cheque in about this. We are sorry that the party would trouble you about such thing when you are busy.

Thanking you,
Yours truly,

Mr. Tsuruo NTA,

Dear Sir:

We find correspondence on the file of Mary NTA relative to the furniture she declared at the time of her evacuation. This furniture was left at your former domicile, the farm at 424 Scott Road, and it seems to have also been declared by you.

When we removed the chattels and liquidated them at our auction sales, the proceeds of everything found on the farm were credited to your account. In view of the fact that some of these chattels were declared by Mary NTA, we would suggest that you have her write this Department requesting remittance of the funds represented by her share of the proceeds, and you, at the same time, forward us a letter agreeing to the transfer. Mary NTA's present address is 480 Kennedy St., Winnipeg, Man., and the items declared by her were as follows:

Chesterfield suite
Bedroom suite
5 Spring beds
2 Tables
1 Kitchen stove
2 Pantries
1 Dozen chairs

All of the above were sold with the exception of 4 old beds, 1 table, 1 old stove, and 7 chairs, which were abandoned due to their unsaleable condition.

We may say in conclusion that your father, Mr. Yanase NTA, has enquired through the Department of Labour, Japanese Division,

14th December, 1945.

Dear Sir:

Your file has now come under review prior to its closing, and we take this opportunity of informing you briefly regarding our administration of your affairs.

We received a letter from the Solicitors of the International Harvester Company of Canada Limited in 1942, with reference to a truck which they disposed of on your behalf. They informed us at that time that the net amount accruing to your benefit from its sale was \$195.93. The Custodian had no objection to their paying this amount to you direct, as no claims were at that time filed against you in this office, and you had declared none when registering.

You declared to this office that you were the holder of an Insurance policy. This however was not brought under control by the Custodian, but it is noted that on the 20th October, 1943, the sum of \$16.35 was forwarded to you and Tsuro RMTA jointly, by the Sun Life Insurance Company, through this office, representing the cash surrender value of policy No. 2084860.

The following claims were filed against you at this office and as received they were forwarded to you for confirmation. Accounts claimed on behalf of I. KOBAYAKAWA, and R. Tagashira & Company and also one from Koji KAKATSUKA were disputed by you and in these cases the creditors were notified that the Custodian was taking no further action on their behalf.

The Royal Columbian Hospital account in the sum of \$234.92 was however, acknowledged by you as correct, as was also Dr. Bruce Cannon's claim for \$37.00 and Dr. W.A. Robertson's claim for \$200.00. Against these two latter accounts you made a payment of \$5.00 in each case through this office in July, 1943, but no further payments were received from you to apply against these debts.

McLennan and McCarter Limited filed a claim against you for \$671.22. They had sued you regarding this claim and on the 26th March, 1938, had obtained a judgment against you by default. They have, however, agreed to accept a settlement for the reduced sum of \$318.91.

No funds were available in your account at this office with which to make settlement of your debts, and your creditors have now been notified that the Custodian is not prepared to take further action in the matter of their

claims, and that they will have to make collection of their accounts as they see fit.

It would appear that your file calls for no further attention by the Custodian and it is therefore being closed.

Yours truly,

W.J. Iverson,
Protection Department.

Gentlemen:

Replying to your letter re T. Enta and Y. Enta accounts, would say that the copy of receipt covered their current purchases, which was paid as stated.

But the statement we made in our previous letter re agreeing to pay this old balance is correct. As stated, Tsuruo Enta paid on the old account \$55.30, consisting of wire and goods returned. If he was not responsible for this account, why didn't he demand payment for these goods returned?

This account is a family affair. True, it was contracted by the father, but they are all working together. The boys worked outside in the mills and the rest of the family carried on the farm. This story of the boy's not being responsible is a lot of hooey. The plain facts of the case are that the property was turned over to the son in order to avoid paying these accounts. A Japanese by the name of Mori held a mortgage of some \$1200.00 against the place; and when it was paid off by the family, the father deeded the property

over to the son, Tsurno Enta. The father, Y. Enta, carried on the place as usual, took all monies from the crop, etc., but wouldn't pay this old account, and protected himself from any suit as the property was in the son's name.

If we could take this case to court, there is not any doubt that we could obtain a judgment against both the son and the father for our just claim.
